PUBLIC SERVICE
COMMISSION

In the matter of :

CANNONSBURG WATER DISTRICT)
UNACCOUNTED FOR WATER LOSS) Case No. 2014-00267
REDUCTION PLAN, SURCHARGE AND)
MONITORING)

MOTION FOR PERMISSION TO EXPEND FUNDS

Comes Cannonsburg Water District by and through counsel and hereby requests the Public Service Commission for an Order allowing it to expend or certain funds currently set aside in Cannonsburg's Water District's Unaccounted for Water Loss Reduction Plan, Surcharge Monitoring fund, Case Number 2014-00267, states as follows:

Cannonsburg Water District requests that the Public Service Commission issue an Order granting allowing it to expend funds in the amount of \$15,265.00.

Cannonsburg's Water District's Unaccounted for Water Loss Reduction Plan surcharge funds are currently set aside for the purpose of water loss detection and prevention.

Cannonsburg Water District states that the requested expenditures are necessary for the implementation of the plan by monitoring for the unaccounted water loss within Cannonsburg Water District's system. Furthermore, the requested expenditure of funds are only for purchase of equipment and material. All labor associated with the installation some of the items will be provided by Cannonsburg Water District.

Below is an itemization and cost of the equipment material requested to be purchased that will be used at 20 monitoring stations throughout the system with the funds. Also attached is estimate of costs.

Purchase of (1) Portable Ultrasonic Flow Meter: This device can be used at any location within the water distribution system to compare the flow rates and usage by customers. The cost of the flow meter is **\$6,995.00.**

Purchase of (1) Digital Leak Detector, (DLD): The DLD would be used to listen for and detect water leaks throughout the water system which are currently impossible to detect visually. The cost of the DLD is **\$2,995.00.**

Purchase of 100' of 36" HDPE pipe. The purchase of the pipe would be cut to length and placed over the water main in certain distribution areas creating a test pit to be attached the Portable Flow Meter contained therein. The cost of the HDPE pipe is **\$3,325.00.**

Purchase of metering pit lids. The cost of the pit lids are **\$1,950.00.**

Total amount requested: \$15,265.00

WHEREFORE, for the foregoing reasons, Cannonsburg Water District respectfully requests the Public Service Commission for and Order allowing it to access and otherwise expend the amount of \$15,265.00 from the Unaccounted for Water Loss Reduction Plan Surcharge and Monitoring fund.

Respectfully submitted,

Kevin P. Sinnette
Attorney for Cannonsburg Water District
P. O. Box 532
Catlettsburg, KY 41129

A copy of the foregoing Motion was sent via email and postage prepaid to the following:

Kentucky Public Service Commission
