ORDER

On January 29, 2015, Carold Craycraft (“Complainant”) filed a complaint against Black Mountain Utility District (“Black Mountain”) claiming that Black Mountain has not implemented a water project for which Black Mountain has funding. On February 6, 2015, the Commission entered an Order for Black Mountain to satisfy the complaint or file a written answer to the complaint within ten days of the Order. The February 6, 2015 Order also required Black Mountain to respond to a request for information by the Commission within ten days of the Order.

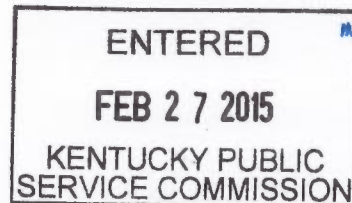

On February 18, 2015, Black Mountain filed a motion requesting an extension of time to file its answer to the complaint. In support of its motion, Black Mountain notes that its previous attorney has recently retired, and it has been in the process of obtaining new counsel. Black Mountain requests an extension of time of ten days, up to and including February 26, 2015, in which to file its answer.

The Commission finds that Black Mountain demonstrates good cause to extend the time for filing its answer and also the time for filing its responses to the Commission's request for information.

IT IS HEREBY ORDERED that:

1. Black Mountain's answer to the Commission's February 6, 2015 Order is due on or before February 26, 2015.
2. Black Mountain's responses to the Commission's request for information contained in Appendix B of the Commission's February 6, 2015 Order is due on or before February 26, 2015.
3. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.

By the Commission
