RATES PURSUANT TO KRS 278.023)	

COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION
TO EAST LAUREL WATER DISTRICT

East Laurel Water District ("East Laurel District"), pursuant to 807 KAR 5:001, shall file with the Commission the original and ten copies of the following information, with a copy to all parties of record. The information requested herein is due on or before June 5, 2015. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

East Laurel District shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to

which East Laurel District fails or refuses to furnish all or part of the requested information, East Laurel District shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a document containing personal information, East Laurel District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the document so that personal information cannot be read.

1. Provide the Bid Tabulations for Contract 2 – Radio Read Meters.
2. Identify the manufacturer and model number of the Radio Read Meters.
3. Refer to the East Laurel District Application (“Application”), paragraph 4, which states that the project “consists of the installation of approximately 41,700 linear feet of 8 inch water line and two new 400 GPM pump stations with related appurtenances.” Provide an update to the project description to confirm that the Application requests approval for both Contract 1 – Transmission Main and Contract 2 – Radio Read Meters.
4. Confirm that the proposed 8-inch transmission main will be operated in conjunction with the existing water mains rather than replacing the existing mains.
