On September 23, 2015, the Commission issued an Order approving rates for Atmos Energy Corporation's Pipeline Replacement Program. In the first full sentence on page 3 of that Order, the word 'million' was erroneously omitted from the sentence.

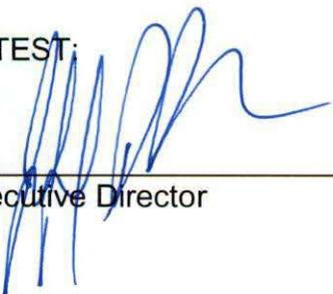

Finding that the September 23, 2015 Order should be amended, the Commission HEREBY ORDERS, *nunc pro tunc*, that the first full sentence on page 3 of the Order is amended to read as follows:

Company labor increased by approximately \$1.1 million to cover costs over Atmos's original estimate for additional on-site inspections and engineering work.
