RE: Monroe County Water District
Case No. 2015-00315 - Filing Deficiencies

The Commission Staff has reviewed the application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

- (1) 807 KAR 5:001: Section 15(2)(b) – Copies of franchise or permits, if any, from the proper authority for the proposed construction or extension, if not previously filed with the Commission.
- (2) KRS 322.340 – Engineering plans, specifications, drawings, plats and reports for the proposed construction or extension prepared by a registered engineer, must be signed, sealed, and dated by an engineer registered in Kentucky.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned required information is filed with the Commission. You are requested to file this information within 10 days of the date of this letter.

If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda Faulkner
