RE: Case #2015-00341

Dear Mr. Derouen:

Please find enclosed the original and ten copies of my response to the Staff Report dated February 10, 2016. I previously emailed a copy today. I was unable to mail the letter in time for you to receive it by today since the Board of Commissioners just met yesterday to review the Staff Report. Therefore, I am asking that the comments in the enclosed letters be made a part of the application.

If you need any additional information, please let me know.

Sincerely,

*Wanda Simons Smith*

RE: Case #2015-00341

Dear Mr. Derouen:

I received the Staff Report dated February 10, 2016 concerning our proposed rate adjustment. I do not agree with the extended lives on most of the assets on the depreciation schedule or the adjustment to the revenue amount for the base year. However, at this time I feel that it is in the best interest of the District to accept the 11.45% increase in rates as proposed in the Staff Report rather than delay the implementation of the increase.

The Board of Commissioners approved accepting the 11.45% increase at a Special Called Board Meeting on February 23, 2016.

If you need any additional information, please let me know.

Sincerely,

*Wanda Simons Smith*
