ORDER

On October 26, 2015, the Commission received a joint application submitted by the Big Sandy Water District (“Big Sandy”) and Overland Development Inc. (“Overland”) requesting approval of a proposed transfer of ownership and control of the Overland water system to Big Sandy. The Commission determined that the joint application met the minimum filing requirements and accepted for filing on October 26, 2015.

KRS 278.020(6) requires the Commission to render its final decision on the proposed transfer within 60 days of the filing of the application unless it is necessary, for good cause, to continue the application. If good cause for an extension exists, the Commission may extend the review period for an additional 60 days.

The Commission finds that it requires additional information from the joint applicants, and the review of their proposal will require additional time to consider issues raised by joint application. The Commission finds good cause to extend the 60-day period for a decision set forth in KRS 278.020(6) for an additional 60 days so that it can review and fully consider the record in this case. Notwithstanding our action this day, the Commission will endeavor to expedite the completion of our review.

IT IS THEREFORE ORDERED that the time in which the Commission shall render its decision on the petitioners' application is extended an additional 60 days, pursuant to KRS 278.020(6), up to and including February 23, 2016.
