ORDER

On November 10, 2016, the Commission staff issued a request for information (“Staff’s First Request”) that required Farmers Rural Electric Cooperative Corporation (“Farmers”) to file responses on or before either 14 days after the initial submission of the rate application or 28 days after the date of the request.<sup>1</sup> Based on the date that Farmers filed its application, responses were due December 8, 2016.

On November 21, 2016, Farmers filed a motion (“Motion”) that requested an extension of time through December 15, 2016, in which to file its responses to the information requested in Staff’s First Request.<sup>2</sup> In support of the Motion, Farmers states it needs additional time to file its responses due to the Thanksgiving holiday and to conflicting schedules for Farmers’ management and consultants.<sup>3</sup> The Commission finds that it should grant Farmers’ Motion.
