BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF NOLIN RURAL )  
ELECTRIC COOPERATIVE CORPORATION FOR ) CASE NO.  
A GENERAL RATE INCREASE ) 2016-00367

ORDER

On October 20, 2016, Nolin Rural Electric Cooperative Corporation ("Nolin RECC") filed a notice with the Commission of its election to use electronic filing procedures to file an application for a general adjustment of rates no later than November 21, 2016. By Order entered October 21, 2016, the Commission acknowledged receipt of the notice of intent and established this case and certain procedural requirements.

Upon further review of Nolin RECC's notice of intent, the Commission finds that it is deficient by not stating whether the rate application will be supported by a historical test period or a fully forecasted test period, as required by 807 KAR 5:001, Section 16(2)(a).

IT IS THEREFORE ORDERED that Nolin RECC shall file a revised notice of intent stating the test period to be used in support of its rate application and a date for filing the rate application which is at least 30 days from the date of the revised notice.
