Re: Case No. 2016-00131 Oldham Woods Rate Application

Dear Commission:

Oldham Woods Sanitation, Inc. has reviewed the Commission Staff's Amended Report dated September 30, 2016, and provides the following response:

Oldham Woods accepts the Staff's findings and does not request a hearing in this matter.

Oldham Woods agrees with the Staff's determination that the revised revenue requirement is \$71,469, and that the proper monthly rate to be charged to produce this revenue requirement is \$47.27, which is found in Appendix B of the Amended Staff Report.

Oldham Woods therefore wishes to request, pursuant to the Commission's Order of September 30 at Ordering Paragraph No. 5, amendment of the application to request a \$47.27 monthly rate to produce the revised revenue requirement of \$71,469.

In a letter dated and mailed September 23, 2016, Oldham Woods stated the intention to adopt the monthly rate of \$44.15 beginning October 11, 2016. As that letter has not yet appeared on the PSC website, a copy is included here. It is still the intention of Oldham Woods to adopt that rate while awaiting response to this request to adopt the recommended rate of \$47.27.

Oldham Woods has mailed to its customers on October 5, 2016, the enclosed notice of its amended rate request.

Sincerely,

Patience Martin, President

Re: Case No. 2016-00131 Oldham Woods Rate Application

Dear PSC Staff and Directors:

Oldham Woods Sanitation, Inc. ("Oldham Woods") is hereby providing written notice to the Commission of its intent to place its proposed sewer rate of \$44.15 into effect subject to refund on October 11, 2016. The Oldham Woods rate case application was considered filed by the Commission on April 11, 2016, and a final order is not expected to be issued until after October 11, 2016. Because of the additional expenses incurred recently, as well as new inspection costs to come, Oldham Woods would like to begin receiving increased revenue as soon as possible, and to adjust that rate again once the final order is issued.

Sincerely,

Patience Martin, President  
Oldham Woods Sanitation, Inc.
