

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ALTERNATIVE RATE ADJUSTMENT	)	CASE NO.
FILING OF B&H GAS COMPANY	)	2016-00257

ORDER

On June 5, 2017, the Commission issued an Order requiring B&H Gas Company ("B&H") to file, within 60 days, information to cure filing deficiencies in its application in this proceeding. On July 3, 2017, a Motion to Dismiss was filed by counsel for B&H requesting that this case be dismissed without prejudice, as its application is no longer in compliance with 807 KAR 5:076, Section 9, which requires that the test period for alternative rate adjustment filings coincide with the annual report of the immediate past year. B&H's application in this case was based on its 2015 annual report. B&H has since filed its 2016 annual report with the Commission, and as such, its application is no longer based on its most recent annual report. B&H states that it will submit a new application based on its 2016 annual report.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that the Motion to Dismiss should be granted.

IT IS THEREFORE ORDERED that:

1. B&H's Motion to Dismiss is granted.
2. This case is hereby dismissed without prejudice and is removed from the Commission's docket.
