APPLICATION

Comes now Duke Energy Kentucky, Inc. ("Duke Energy Kentucky" or "Company"), by counsel, pursuant to KRS 278.020(4), 807 KAR 5:001, Section 15(1), 807 KAR 5:001 Section 14 and other applicable law, and tenders hereby its application for a certificate of public convenience and necessity to apply for and obtain a franchise from the city of Crescent Springs, in Kenton County, Kentucky ("Crescent Springs"), to provide electricity and natural gas transmission and distribution service, respectfully stating as follows:

1. Duke Energy Kentucky is a Kentucky corporation, originally incorporated on March 20, 1901, that is in good standing and operating as a combined electric and natural gas utility serving approximately 240,000 customers in six Kentucky counties. Duke Energy Kentucky's business address is 139 East Fourth Street, Cincinnati, Ohio 45202 and its local address is Duke Energy Envision Center, 4580 Olympic Boulevard, Erlanger, Kentucky, 41018. The Company's email address is KyFilings@duke-energy.com. Duke Energy Kentucky held a franchise for the use of the City streets, alleys and public grounds to provide electricity and natural gas transmission and distribution facilities and services

within the territorial limits of Crescent Springs. However, that franchise has expired.

2. Duke Energy Kentucky proposes to bid upon a new municipal franchise to place electric and natural gas transmission and distribution facilities in public streets and places of Crescent Springs and to provide related service to Crescent Springs. The new franchise will be awarded by the Crescent Springs City Council.
3. The Crescent Springs City Council has passed an Ordinance setting forth the requirements and deadlines for submitting a bid to secure a new franchise. Crescent Springs has directed that bids shall be received on or before Thursday, September 15, 2016. A copy of the Ordinance is attached hereto as Exhibit A and incorporated herein by reference. A copy of the Legal Notice that was published in the Enquirer by Crescent Springs regarding said new franchise is attached hereto as Exhibit B and incorporated herein by reference.
4. As evidenced by the Ordinance, there is, and will continue to be, a demand and need for the facilities and services sought to be rendered by Duke Energy Kentucky pursuant to the franchise.
5. Upon obtaining a franchise from Crescent Springs, Duke Energy Kentucky will file a true and correct copy of same with the Commission.

WHEREFORE, on the basis of the foregoing, Duke Energy Kentucky respectfully requests the Commission to approve this application and to issue to Duke Kentucky a certificate of public convenience and necessity authorizing it to apply for and obtain a franchise from Crescent Springs, as set forth herein.

This the 10th day of August, 2016.

Respectfully Submitted,

3.6 Franchise Area

The franchise established hereby shall be for the use of those portions of the public property within the City that are included in the territory for which the Franchisee has been certified by the Public Service Commission of Kentucky pursuant to K.R.S. Chapter 278.

Franchisee shall notify and obtain the concurrence of the City Administrator prior to trimming or removing any trees unless such removal constitutes an emergency. If, during the franchise period, the City closes to public use any public property in or on which facilities of the Franchisee are located, the City shall make such provisions as may be legal and necessary to grant the Franchisee the right to retain the facilities thereof within that public property, along with the rights to maintain and operate such facilities.

3.9.5 Other Activities

All other activities that are reasonably necessary for the use by the Franchisee of the public property within the franchise area pursuant to the provisions of the franchise hereby established.

3.10.3 Provision of Electricity and Natural Gas

Provide either or both electricity and natural gas to the consumers thereof within the City that is no less in character, quantity and geographical area than that provided at the time a franchise established hereby is granted and awarded to the Franchisee; and also equal to and no less in character and quantity than that provided to consumers thereof outside of the City and according to the same terms, conditions, rates, charges and costs as approved by the Kentucky Public Service Commission ("Commission").

3.10.4 Maintenance of Facilities

Cause the facilities of the Franchisee within the franchise area to be maintained and repaired to a condition that is functional and safe and not a hazard to the public health, safety, welfare and convenience.

3.10.5 Prosecution of Work

During the construction, maintenance, repair, replacement, reconstruction, expansion, extension, new construction or installation of any of the facilities of the Franchisee, the Franchisee shall promptly and diligently prosecute such activities to completion within a reasonable time, and at the least possible hazard to the public health, safety, inconvenience and general welfare; and, upon completion thereof, the public property of the City in which those

The franchise fee required hereby is not in substitution or in lieu of any other tax, fee, imposition or charge for which the Franchisee would otherwise be responsible and liable. The franchise fee required hereby is in consideration of the use of the public streets, alleys and other public grounds within the City by the Franchisee pursuant to the provisions of the franchise hereby established, since such use is a valuable right in property, the acquisition and maintenance of which is very expensive to the City; and, without such use, the Franchisee would be required to acquire easements in private property for the transmission and distribution of either or both electricity and natural gas, at considerable expense to the Franchisee.
