To Whom It May Concern,

Regarding: Case #2016-00371

The proposed rate changes and increases from Louisville Gas & Electric are unfair and regressive.

While I am willing to consider the need for rate increases the suggested fees and new rate structures are unjust.

They will be of particular burden to those who have the least and should be NOT approved.

Please reject these rates.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Steiner". The signature is fluid and cursive, with a long horizontal stroke at the end.
