Re: *In the Matter of: Application of Big Rivers Electric Corporation for an Order Declaring the Construction of Seven Solar Power Facilities to be Ordinary Extensions of Existing Systems in the Usual Course of Business, PSC Case No. 2016-00409*

Dear Dr. Mathews:

The Public Service Commission's January 5, 2017, order in the above-referenced matter requires Big Rivers Electric Corporation to either request a hearing or submit the case for decision based on the record on or before February 27, 2017. Big Rivers believes that a hearing is not necessary and that the matter may be submitted for adjudication based on the existing record. Please call if you have any questions.

Sincerely,

Tyson Kamuf
