Re: Case No. 2016-00444

Dear Ms. Mathews:

Kentucky Rural Water Association scheduled three regional meetings during the month of January, 2017. On behalf of Kentucky Rural Water Association, I hereby attest that these programs, herein referenced as Case No. 2016-00444, were held as scheduled in Morehead, Henderson, and Draffenville. The planned course of instruction, approved for two (2) credit hours per session by the Commission, was performed as submitted.

As required, KRWA has included a list of commissioners who attended the meetings and earned continuing education credit for the approved courses. A copy of the approval by the Kentucky Board of Certification of Water Treatment and Distribution System Operators is also enclosed. KRWA was not provided handouts by speakers to distribute to attendees.

Kentucky Rural Water Association would like to thank the Kentucky Public Service Commission and staff for their leadership and support in approving the training offered during our Regional Meetings.

Sincerely,

Janet Cole
Education Coordinator

RE: Operator Certification Training Approval for Continuing Education Hours

To Whom It May Concern:

Your training request has been received by the Division of Compliance Assistance, Certification and Licensing Branch. Course approvals are reviewed and approved based on core content outlined by the cabinet and the Kentucky Board of Certification of Wastewater System Operators and the Kentucky Board of Certification of Drinking Water Treatment and Distribution System Operators. The core content lists can be located on our website, dca.ky.gov/certification.

Your request was reviewed by the Kentucky Board of Certification of Wastewater System Operators and/or the Kentucky Board of Certification of Water Treatment and Distribution System Operators at their most recent board business meeting. This letter serves as notification of the board and/or cabinet determination for continuing education credit.
