RE:

CASE NO.: 2017-00368

THE APPLICATION OF
NEW CINGULAR WIRELESS PCS, LLC,
A DELAWARE LIMITED LIABILITY COMPANY, D/B/A AT&T MOBILITY
FOR ISSUANCE OF A CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY
TO CONSTRUCT A WIRELESS COMMUNICATIONS FACILITY
IN THE COMMONWEALTH OF KENTUCKY
IN THE COUNTY OF GRAVES.

Dear Sirs:

I am writing to ask you to oppose the cell phone tower that Cingular Wireless wants to build at 850 State Route 348E. I would like for you to rule that New Cingular Wireless has to move this tower outside of my home town of Symsonia, Kentucky. I am 101 years-old and I have lived in Symsonia all of my life. My twin sister and I are the oldest members of the Symsonia Methodist Church and I was teacher at Symsonia Grade School for over 40 years. I guess you could say that I am the oldest member of this community since I was born 2 minutes before my sister. And I can tell you right now, the last thing I would want for Symsonia is a huge cell phone tower, three times higher than our water tower and right down the road from my front porch.

I believe this tower would be an eyesore and that it should be moved further down the road from all of our houses. I am not sure those things are safe and I am told they can be dangerous for people's health. My neighbors are worried their property values will go down. I am just troubled that we will have to look at that ugly tower when I know it could be moved further away from all of our houses and farms.

I am hoping that you will take the side of the people of Symsonia against AT &T, which is a big corporation and has more money than we do, but this is our home. We are country people, but we should still have the right to demand this thing be moved outside of our town. Dear members of the PSC, please support the people of Graves County and Symsonia who don't want this cell phone tower right near our homes. I am hoping that I can count on you. Thank you for your time.

Sincerely,

~~grace~~ Belle Dzwil
