

11/3/17

RECEIVED

DEAR EXECUTIVE DIRECTOR GWES PINSON,

NOV 15 2017

I would like to express my concerns of

PUBLIC SERVICE
COMMISSION

THE BRYSTANBY RECC RAISING OF ITS RATES.

O.K. RATES DO OCCASIONALLY NEED RAISED
EVERYONE UNDERSTANDS THAT (OR SHOULD).

RECC IS RAISING THE RATE THRU THE
FLAT MONTHLY "CUSTOMER CHARGE" FEE OF 6.25¢.

THERE ARE 12,700 CUSTOMERS THE RECC HAVE.

THE AVERAGE USE OF THESE A-1 FARM & HOME
IS 1088 KWH PER MONTH.

$$\begin{array}{r} 12700 \text{ customers} \\ \times 1088 \text{ kWh/mo} \\ \times 12 \text{ months} \\ \hline 165,811,200 \text{ kWh/yr} \end{array}$$

THUS THE PERCENT RAISE FOR THE AVERAGE
CUSTOMER IS SUPPOSEDLY 5.5% (???) / MONTH.

LIGHT INDUSTRIAL WAS NOT AFFECTED BUT
THRU A SMALL INCREASE IN KWH.

NOW A PERSON SUCH AS MYSELF ON A
VERY FIXED INCOME HAS CONSERVED AS
MUCH AS I POSSIBLY CAN AS AN "EMPTY

COMMISSION

Winter" widow. My average bill is 60⁰⁰/mo.

I CAN NOT HAVE hot water on

CONTINUOUSLY AND MUST TURN IT OFF AT THE BOX.

THATS A 10% INCREASE FOR ME AND I'M

SURE THERE ARE MANY OTHER CUSTOMER'S

THAT HAVE Lower bills than average AND will

thus pay a Higher percentage of the

COST OF THE INCREASE.

But if the RECC were to charge

JUST A 1/2¢ per kWh EXTRA they could

SEE AN INCREASE OF CAPITAL OF 1,000,000^{*}!

AVERAGE	156,000,000 kWh/year used
	\$1,000,000 needed
	<u>0.0064¢</u>

* THIS IS 100,000^{*} more
THAN ASKED AND TAKES IN
CONSIDERATION OF A
"Light" winter.

AVERAGE	1088 kWh/per customer
	6.37 INCREASE (5.5%)
	<u>0.0057¢</u>

SO THIS MATH WORKS, ONE MORE PAGE PLEASE!

11/3/17

(2)

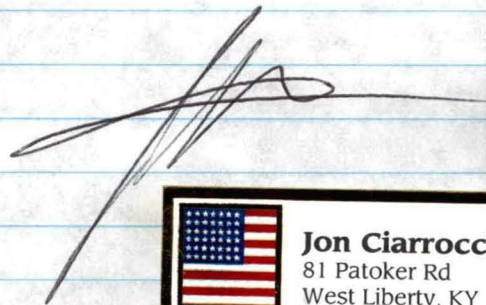

Now by charging an extra .05¢
per kWh we allow all "use" by everyone
in the "CO-OPERATIVE" to have a
share in the raising of this needed capital.

Thus conserving "USE" is still
being rewarded!

Also the raise in the cost per kWh
for needed capital was done "in the
old days".

I agree! And it is my most
heartfelt wish (and need) that you
do too.

Thank you for your time and
consideration.

1) How many customers
is
A/Fan + time?

2) total kWh RECC
← Avg monthly use kWh?

3) 10pp?

What is the ratio needed
for the need for a
person
have
is
capitol?

A person may examine the application and any related documents Big Sandy Rural Electric Cooperative Corporation has filed with the Public Service Commission: (i) at the utility's offices located at 504 11th Street, Paintsville Kentucky 41240; (ii) at the Public Service Commission's offices located at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m.; or (iii) through the Public Service Commission's website at <http://psc.ky.gov>.

A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Commission does not receive a written request for intervention within thirty (30) days of initial publication or mailing of the notice, the Commission may take final action on the application. Comments regarding the application may be submitted to the Public Service Commission through its Web site or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

The rates contained in this notice are the rates proposed by Big Sandy Rural Electric Cooperative Corporation but the Public Service Commission may order rates to be charged that differ from the proposed rates contained in this notice.

3.425
Why choice
increased rate,
seems not
across the board
Why increase
on current
rate?

Just the a raise
was asked for
+ ratio
if given it - why
are the increase
needed?

NO ANSWER
