BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

JOINT APPLICATION OF FARMDALE)	
DEVELOPMENT CORPORATION AND)	
FARMDALE SANITATION DISTRICT FOR THE)	CASE NO.
APPROVAL OF THE TRANSFER OF A)	2017-00204
WASTEWATER TREATMENT PLANT TO)	
FARMDALE SANITATION DISTRICT)	

ORDER

On August 24, 2017, Farmdale Development Corporation (“Farmdale Development”), by counsel, filed a Motion for Extension of Time to File Gross Report (“Motion for Extension”) requesting an extension of time through October 31, 2017, within which to submit its Gross Report for the period beginning on January 1, 2017, and ending on August 1, 2017.

In support of its Motion for Extension, Farmdale Development states that additional time is necessary in order to comply with the July 24, 2017 Commission Order approving the transfer of the Farmdale Development wastewater treatment plant and collection system (“System”) to Farmdale Sanitation District (“Farmdale Sanitation”). Ordering paragraph 6 of the Order required Farmdale Development to submit its Gross Report for the period of January 1, 2017, through the date of the transfer, no later than August 31, 2017. Farmdale Development requests an extension of time through October 31, 2017, to file the Gross Report because, based on its billing cycle, it will not receive payment for the sewer collection services provided to its customers through

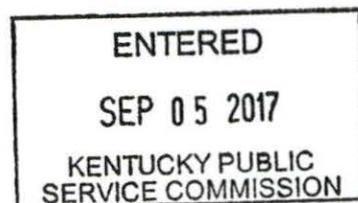

August 1, 2017, until October 2017. Farmdale Development contends that it will not be able to prepare a complete Gross Report until October 2017.

Pursuant to 807 KAR 5:006, Section 4(1)(b), no extension request shall be permitted for a Gross Report; however, 807 KAR 5:006, Section 4(1)(a), states that each utility shall file the Gross Report on or before March 31 of each year. The Commission ordered Farmdale Development to file its Gross Report earlier than the March 31 date required by 807 KAR 5:006, Section 4(1), due to the approval of the transfer of its system to Farmdale Sanitation. Therefore, the Commission can grant an extension to Farmdale Development to file the gross report as required by the July 24, 2017 Commission Order without violating the above cited regulations.

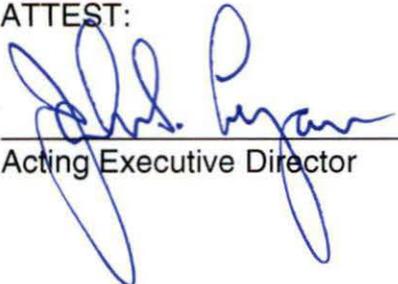

The Commission, having considered Farmdale Development's Motion for Extension, finds that good cause exists to grant Farmdale Development until October 31, 2017, to file its Gross Report.

IT IS HEREBY ORDERED that Farmdale Development's Motion for an Extension of time to file its Gross Report until October 31, 2017, is granted.

By the Commission
