Dear Public Service Commission:

Attention: The Gas Group, Inc.
Basil Pollitt, President

I will be unable to attend the hearing Aug.9,2017 *Case 00120*
Let me express my feelings in regard to this hearing.

1. I appreciate the Public Service Commission.
2. I want a safe and reliable gas line.
3. I have been the customer of The Gas Group since 1992.
4. Mr. Pollitt has always worked to provide reliable service during the winter months.
5. If past problems have not been handled properly according to state law, It is my desire that those problems can be corrected in a satisfactory manner.
6. Several people in my community use gas from this line. If this natural gas line is terminated we would be forced to install propane tanks.
7. The Gas Group has not ask me to write this letter.
8. Please work to provide my community with safe affordable and clean natural gas.

Sincerely,

Bayard D Huff
