Wed, Apr 5, 2017 at 2:30 PM

My name is Corey Biddle. I have received a certified letter in regards to a proposed cell tower expansion along my property, Case Number 2017-00143. I purchased the piece of property with the intention of building a home there (in a couple more years) because it has a tremendous view. The location where I will build is within the radius being requested, the most desirable and valuable part of my farm so I am not in favor of this expansion.

I want the tower be located in a different, less desirable location. I have several acres there along that same ridge but in the back of the farm, out of the way and would be less of an intrusion upon our properties. My proposal is that they locate the tower at the end of the access road, River View Drive, where it has a minimal impact on myself and the surrounding neighbors. There is a 2.5 acre field (on a 22 acre parcel) that would only impact one of my neighbors but this is only pasture, not a site he intends to develop in any way.

Again, the reason I purchased that piece of property is to build a home there along that property line because of the tremendous view of the river and Indiana. I am currently working out of town and will not return to Kentucky until April 18th, 2017. I am available at this email address or by phone at the number listed below. Please contact me if there are any time constraints that I need to meet for opposition/proposal.

Please send a return email to confirm that this email has been received and provide further instructions if this email will not be accepted as my effort to contact you. I may be able to submit in writing by trying to return to San Diego to mail a letter if necessary.

Thank you,

Corey M. Biddle

I OWN ANOTHER PROPERTY THAT IS CLOSE TO 2779 BUT IS ALSO ISOLATED THAT COULD ALSO BE USED. IF CONVENIENT ACCESS IS A CONCERN, I DON'T HAVE PLANS FOR THAT 7 ACRES.

I DO NOT PLAN TO GIVE UP THE ABILITY TO BUILD ON THE PROPERTY THAT WOULD CURRENTLY BE AFFECTED. THAT 500' WOULD DESTROY THE VALUE OF THAT PROPERTY.

I HAVE ~~MARKED BOTH~~ MARKED BOTH LOCATIONS THAT I CAN OFFER AS ALTERNATIVES ON THE MAP. I DON'T WANT TO OBSTRUCT IMPROVEMENTS BUT I WOULD LIKE TO HAVE MY NEEDS/WANTS RESPECTED.

Public Notice

Kentucky RSA #3 Cellular General Partnership is a Kentucky general partnership that markets its services as Bluegrass Cellular. Bluegrass Cellular has been serving Central Kentucky with wireless communications services for over 20 years.

Kentucky RSA #3 Cellular General Partnership is applying to the Public Service Commission of the Commonwealth of Kentucky (the "Commission") for a Certificate of Public Convenience and Necessity to construct and operate a new cellular facility to provide cellular telephone service. This facility will include a 240 foot tower and an equipment shelter to be located at 6199 Highway 2779, Hardinsburg, Breckinridge County, Kentucky, 40170. A map showing the location is attached.

The Commission invites your comments regarding this proposed construction. Also, the Commission wants you to be aware of your right to intervene in this matter. Your comments and request for intervention should be addressed to:

**Executive Director's Office
Public Service Commission of Kentucky
P.O. Box 615
Frankfort, Kentucky, 40602.**

Please refer to Case Number 2017-00143 in your correspondence.

Bluegrass Cellular welcomes the opportunity to serve and provide wireless service in your community! (For more information, please check us out online at www.myblueworks.com)
