most importantly PRAYERS! We were astonished to see all the items donated for the auction, cakes for the cake walk, money donations, volunteers that worked hard all night, people who attended, people who were unable to be there in body but were there in prayers and thoughts! The amount of kindness shown to us all has been amazing! We knew that we had great people supporting Dad, but to see it firsthand has been a true blessing! Please continue to keep Dad and our family in your thoughts and prayers, as well as all the many other people who have been affected by cancer! May God bless you all!
