RE: Case No.: 2017-00271  
Purchased Water Adjustment Filing

Morgan County Water District (MCWD) submitted a Purchase Water Adjustment application requesting \$0.10 per 1,000 gallons increase. At the time, the MCWD was not aware that the calculations for the rate adjustment can be rounded up. Therefore, MCWD requests a \$0.11 per 1,000 gallon increase at this time. The revised proposed rates are attached as well as a public notification for review.

Should you have any questions or need any additional information, please feel free to contact Kyle Risner at (606) 743-1204.

Sincerely,

Roy Collett, Chairman, MCWD
