Re: Big Rivers Electric Corporation's Notice and Filing of Revised DSM Tariff Sheets

Dear Dr. Mathews:

Today, Big Rivers Electric Corporation ("Big Rivers") filed certain revised tariff sheets, which (i) reflect the termination of two existing demand-side management ("DSM") programs: DSM-05 – Residential Weatherization Program (Tariff Sheet Nos. 9-10) and DSM-10 – Residential Weatherization Program – Primary Heating Source Non-Electric (Tariff Sheet Nos. 19-20); (ii) incorporate modifications to DSM-13 – Residential Weatherization A La Carte Program (Tariff Sheet Nos. 23.01-23.04); and (iii) update the tariff Table of Contents and the listing of DSM programs on Tariff Sheet No. 2.01. This tariff filing was made pursuant to 807 KAR 5:011 Section 6 using the Public Service Commission's electronic Tariff Filing System.

These changes are primarily driven by a decision from Sherlock Homes, the contractor that was performing the weatherization work for these DSM programs, that it would not continue such weatherizations absent a guaranteed minimum level of participation that Big Rivers and its Members were not willing to provide. Although the DSM-05 and DSM-10 programs will be discontinued, the modifications to the remaining weatherization program will permit retail customers to receive incentives for weatherization improvements using their own contractor. The modifications also provide standards for the customer-selected contractors to follow and double the incentives for duct sealing to increase participation.

Along with the revised tariff sheets, Big Rivers electronically filed this letter and the following supporting documents:

1. A redline version of the DSM tariff sheets that contain changes, and
2. A table of analytics supporting these changes.

Dr. Talina R. Mathews

June 30, 2017

Page 2

On this date, Big Rivers provided notice of this filing to each of its three customers (its Members) by mailing them a copy of this letter, a copy of the proposed tariff sheets, and a copy of the supporting documents. Pursuant to 807 KAR 5:011 Section 8, attached to this letter is a schedule showing the present rates and proposed rates for each customer class to which the proposed rates will apply and the amount of the change requested in both dollar amounts and percentage change for each customer classification to which the proposed rate change will apply. Note that the only customer class to which the DSM tariffs apply is Big Rivers' Rural class and that the rates under the DSM tariff sheets are incentives and not charges. Also, because the incentives paid under the DSM tariff sheets are not dependent on usage, Big Rivers is not including the amount of the average usage and the effect upon the average bill for each customer class to which the proposed rate change will apply.

The rates contained in this notice are the rates proposed by Big Rivers but the Public Service Commission may order rates to be charged that differ from the proposed rates contained in this notice. A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Commission does not receive a written request for intervention within thirty (30) days of the mailing of this notice, the Commission may take final action on the tariff filing.

A person may examine this tariff filing and any other documents Big Rivers has filed with the Public Service Commission at the offices of Big Rivers located at 201 Third Street, Henderson, Kentucky 42420, and on the Big Rivers website at <http://www.bigrivers.com/regulatory-affairs/>. A person may examine this tariff filing at the Commission's offices located at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Commission's website at <http://psc.ky.gov>. Comments regarding this tariff filing may be submitted to the Public Service Commission through its website or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

Sincerely,

Tyson Kamuf

Residential Weatherization A La Carte Program

Terms & Conditions:

- 1. The eligible Rural Customer will contract with a qualified third party Contractor that performs weatherization projects, including duct sealing. Once the Contractor has determined that a Retail Customer's home is eligible for duct sealing as outlined in Item 2 below, residential weatherization may proceed. Any Retail Customer-selected Contractor's work and documentation must meet the standards of the Commonwealth of Kentucky's Department of Housing, Building, and Construction ("KDHBC"). Failure to meet KDHBC work and documentation standards may void any Big Rivers or Member reimbursements outlined below.
2. The Contractor will determine if the Rural Customers' home is eligible for duct sealing. Homes with a construction completion date within twenty-four months of the date of the site visit are not eligible for duct sealing. Homes eligible for duct sealing are those where 60% of the duct work is located outside conditioned spaces, i.e., duct work located in attic, crawl space, or unfinished basement. Duct sealing reimbursement for homes is based on the following schedule:

Table with 3 columns: Home Heating Source, Paid by Big Rivers or Member, and a status indicator [T]. Rows include Electric (Up to \$1000) and Gas (Up to \$500).

The Rural Customer is responsible for all payments to the Contractor. Big Rivers' reimbursement to the Member and the Member's reimbursement to the Rural Customer are limited as stated above.

BEFORE THE PUBLIC SERVICE COMMISSION

AFFIDAVIT OF ROGER D. HICKMAN

COMMONWEALTH OF KENTUCKY)
COUNTY OF DAVIESS)

Comes the affiant, Roger D. Hickman, and after being duly sworn, states as follows:

1. I am employed by Big Rivers Electric Corporation ("Big Rivers") as its Regulatory Affairs Manager. I am an authorized representative of Big Rivers for purposes of this affidavit.

2. On June 30, 2017, Big Rivers electronically filed revised tariff sheets to terminate two existing demand-side management ("DSM") programs and to incorporate modifications to a third DSM program.

3. Pursuant to 807 KAR 5:011 Section 8(3)(a), I verify that on June 30, 2017, Big Rivers mailed the notice required by 807 KAR 5:011 Section 8 to its only three customers (its three member distribution cooperatives).

Roger D. Hickman

SUBSCRIBED AND SWORN TO before me by Roger D. Hickman on this the 30th day of June, 2017.
