RE: CASE NO. 2017-0122 <sup>319 Res</sup>

Dear Ms. Pinson:

West McCracken County Water District reviewed the Commission Staff Report and is in agreement with the Staff's findings. West McCracken County Water District limited its request to a 10.00 percent increase. After reviewing the Staff report, West McCracken Water would like to request the Staff to allow West McCracken County Water District to phase in the rate increase of 27.932% over a three year period to total the revenue requirement as calculated by the Staff. West McCracken would like to ask for a 10.00 percent rate increase for years 2018, 2019 and the remainder of 7.932 percent in year 2020. West McCracken does not choose to request a hearing or a conference.

Sincerely,

A handwritten signature in blue ink that reads 'Sheila Mansfield'.
