The deposits of all other bidders will be returned at the time the Board designates a highest and best bid to be submitted to KDE for its approval.

In order for a bid to be considered, the bidder must be current on payment of all property taxes owed to the state and county, and each bidder shall indicate in their bid the intended use to be made of the subject property if they are approved by KDE as the successful bidder.

The Board reserves the right to withdraw the property from the sale at any time and the right to reject any and all bids.

amount of each bid announced and recorded. The record of all such bids be reported to the Board at their regular meeting on Monday, March 19, 2018. The subject property is currently served by a waste treatment facility owned and operated by the Board. This facility cannot be used by any subsequent owner of the property and the Board will take the required action to terminate the subject property's access to its waste water treatment plant within 30 days of the date of any sale of the property is approved by the KDE.

The Board will determine the highest and best bid for the property and will submit that bid to the Kentucky Department of Education District Facility Branch ("KDE") for its consideration and approval. Upon KDE's approval, a purchase agreement will be entered into by the Board and the successful bidder. The sale of the subject property should be completed within 30 days of KDE's approval.

Each bid must be accompanied by a bid deposit of five (5%) of the amount bid. A bid deposit may be a cashier's check, a certified check, or a surety bond. The bid deposit of the bidder considered to be the highest and best bidder will be held by the Board until a sale of the property is closed. If this bidder is not approved by KDE for any reason, the deposit will be returned. If this bidder is approved by KDE and the bidder refuses to close the sale, the deposit will be forfeited to the Board. The deposits of all other bidders will be returned at the time the Board designates a highest and best bid to be submitted to KDE for its approval.
