RE: South Anderson Water District
Purchase Water Adjustment
PSC Case No. 2017-00386

Dear Ms. Pinson:

The South Anderson Water District has authorized Kenvirons, Inc. to make this submittal on their behalf. Per regulation you will find the original plus ten copies.

Having become aware that it is permissible to apply the calculated purchase water adjustment factor of \$0.154/1,000 gallons at a rounded up amount of \$0.16/1,000 gallons, the South Anderson Water District hereby requests the rates be adjusted by \$0.16/1,000 gallons instead of the previously requested \$0.15/1,000 gallons. Attached for your use is a revised rate tariff sheet reflecting the revision. You will note the wholesale rate to North Mercer Water District is revised to reflect the purchase water adjustment factor of \$0.1540/1,000 gallons as their bill is calculated to four decimals.

Should you have any questions or need additional information to implement this adjustment, please contact either the District's Manager, Shawn Cook or myself.

Sincerely,

Kenneth D. Taylor, P.E.
Vice President
