Re: Case #2017-00429

Dear Ms. Pinson:

Kentucky Rural Water Association scheduled three regional meetings during the month of October, 2017. On behalf of Kentucky Rural Water Association, I hereby attest that these programs, herein referenced as Case No. 2017-00429, were held as scheduled in Morehead, Hawesville, and Draffenville. The planned course of instruction, submitted for two (2) credit hours per session by the Commission, was performed as submitted.

As required, KRWA has included a list of commissioners who attended the meetings and earned continuing education credit for the courses. KRWA did not submit these sessions to any agency other than the Kentucky Board of Certification of Water Treatment and Distribution System Operators. A copy of the message indicating their approval codes is also enclosed. KRWA was not provided handouts by speakers to distribute to attendees; however, copies of the PowerPoints used were submitted on November 15, 2017, in response to the deficiency notice.

Kentucky Rural Water Association would like to thank the Kentucky Public Service Commission and staff for their leadership and support in approving the training offered during our Regional Meetings.

Sincerely,

Janet Cole  
Education Coordinator
