PUBLIC SERVICE
COMMISSION

As a customer, I am writing to you regarding the rate increase Johnson County Gas has requested. You granted that company a monthly customer charge of \$15 over 5 years ago. Is that money still paying off receivership debt? If not, what is it used for? Most customers in the Van Lear area are senior citizens on social security or people on SSI. They cannot afford a 10% increase, let alone a 106.92% increase. As a customer, I think asking for a 106.92% increase is ridiculous. Please consider the customer and DO NOT give Johnson County Gas that large an increase. Thank you.
