PUBLIC SERVICE  
COMMISSION

Re Case No. 2018-00017

To Whom it May Concern  
at Public Service Commission  
I Dorothy Crum of Inez, Ky. am  
protesting the proposed rates  
hike for Martin Co. Water.  
I am a widow and on a fixed  
income and have a disabled sister  
at my home. I can not afford even  
the bill I pay now, we have to  
buy the water we drink and cook  
with at it gets expensive I see  
no reason why we should have to  
pay such a sum for unfit water.  
It breaks us out terrible and  
most of the time it smells so  
much like bleach I think it  
is very unfair to charge us even  
more for nasty water we need  
someone to be held accountable for the  
money that was  
sent here for  
water Rep. also

Sincerely

Dorothy Crum
