Re: *In the Matter of: Notice of Termination of Contracts and Application of Big Rivers Electric Corporation for a Declaratory Order and for Authority to Establish a Regulatory Asset—Case No. 2018-00146*

Dear Ms. Pinson:

At the oral argument held on July 26, 2018, in the above-referenced matter, the Public Service Commission directed each of the parties to submit a letter or other pleading stating whether the party objects to the Commission entering a final order based on the existing record granting partial relief on Big Rivers' application while continuing the proceedings with respect to Big Rivers' request for authority to establish a regulatory account. In response, Big Rivers Electric Corporation states that it has no objection to the Commission issuing a final order on Big Rivers' requests that the Commission:

1. find that (a) the Station Two units are no longer capable of normal, continuous, reliable operation for the economically competitive production of electricity, and (b) as a result, the Terminated Contracts (as defined in Big Rivers' application) terminated as of May 1, 2018; and
2. authorize Big Rivers to continue to operate Station Two under the terms of the Station Two Contracts for a period up to and including May 31, 2019.

I certify that, on this date, copies of this letter were served on each of the persons listed on the attached service list by electronic mail.

Please confirm the Commission's receipt of this information by placing the Commission's date stamp on the enclosed additional copy of this letter and
