The Board of Commissioners met at 8:30 am. Those present were Eddie Cox, Carl Waits, George Dean, Steve Hudson, Karen Lee, Ben Davis, Howard Downing, and Chris Stewart.

Steve-Canter Lane problem-Need to eliminate water line in the creek.

Leaks-Alltech-found PRV disintegrated and also found several leaks Above Town.

Chris-Drake's construction-Chris needs to see fire plan.

Marathon gas line at Ashgrove-We have permission to lay our water line above the gas line which will save a lot of money. We will still be in the state right of way but just have to agree to move our line if Marathon needs the move for any reason. We do need to use 400' of ductile iron pipe.

For board info-Gave Steve shop drawings to look at for water infrastructure on Frances farm. RD coming after meeting today to line out plans and set up accounts for the Carolyn Lane upgrade project.

Chris has asked for state approval for a casing pipe across road while the East Brannon Road is under construction.

Howard-City and tower antennae-Still trying to get city to go over our interlocal doc. Still need to follow up on tower paint touch up.

Carl-HMB has been selected as engineer for Carolyn Lane Project.

Noland property-phase 3, Section 2-Ball Homes needs to show easements better particularly between houses (we want 20'). No water service is to be permitted until water plan is approved by us. We will approve plan subject to our getting easement documentation.

Ashtree-Coons 5 and 6-same easement issue, 99 homes and 160 plus homes across East Brannon (north side).

Tariff-Ky River Authority is raising their water rate which results in our raising our minimum bill. Carl made motion to increase our bills 16 cents/thousand due

to PWA (purchase water adjustment). Eddie 2nd. Rate, if approved, will go into effect on the August bill.

TThMs and HAAs-Joe got testing dates moved so we will sample right behind city testing. Hope this will help our results. Joe is developing our compliance plan.

Karen-Health ins-decided to renew current plan at new rates with Anthem. So far this has been very satisfactory.

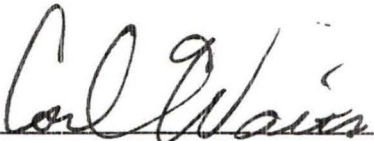

Ben-Andrew came in and cleaned up some entries. He recommended changing our software to Quick Books which is cheaper, and in his opinion better. Presently we have Sage. We would run both till the end of the year, then discontinue Sage.

Carl made a motion to approve minutes (with 1 correction by George) and bills.
George 2nd.

Next meeting will be July 5, 2018 at 8:30 am.

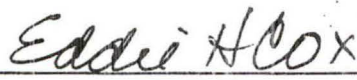

Meeting adjourned.
