

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC EXAMINATION OF THE	)	
APPLICATION OF THE FUEL ADJUSTMENT	)	CASE NO.
CLAUSE OF LOUISVILLE GAS & ELECTRIC	)	2018-00219
COMPANY FROM NOVEMBER 1, 2017	)	
THROUGH APRIL 30, 2018	)	

ORDER

Pursuant to 807 KAR 5:056, the Commission established this case on August 10, 2018, to review and evaluate the operation of the Fuel Adjustment Clause (FAC) of Louisville Gas and Electric Company (LG&E) for the six-month period that ended on April 30, 2018. As part of this review the Commission held a formal hearing in this matter on October 9, 2018. On October 11, 2018, LG&E filed its response to Commission Staff's post-hearing data request.

A review of LG&E's monthly FAC filings shows that the fuel cost billed for the six-month period under review ranged from a low of \$.02375 per kWh in December 2017, to a high of \$.02669 per kWh in January 2018, with a six-month average of \$.02475 per kWh.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds no evidence of improper calculation or application of LG&E's FAC charges or improper fuel procurement practices.

IT IS THEREFORE ORDERED that:

1. The charges and credits billed by LG&E through its FAC for the period November 1, 2017, through April 30, 2018, are approved.
2. This case is closed and removed from the Commission's docket.
