Re: Kentucky River Authority Withdrawal Fee (Tier II)

Dear Mr. Robinson:

As you know, FPB withdraws water from the Kentucky River that is used to supply our customers. Recently, the Kentucky River Authority increased its withdrawal fee. This fee is a "pass through". That is, FPB remits these funds to the Kentucky River Authority. Nevertheless, FPB is required to file a new tariff for this fee with the Public Service Commission.

Enclosed is a filing notice and a new tariff that FPB filed with the Public Service Commission on June 26, 2018 reflecting an increase in the Kentucky River Authority withdrawal fee. The Kentucky River Authority increased its Tier II water use fee by 9 cents from 13.0 cents to 22 cents per 1,000 gallons. We expect the new rate to be effective July 26, 2018.

Based on Farmdale's average monthly usage, the proposed increase of 9 cents per 1,000 gallons will be approximately \$1,817.52 per month

If you have any questions, please do not hesitate to contact me at (502) 352-4570 or [ddenton@fewpb.com](mailto:ddenton@fewpb.com).

Sincerely,

David Denton, CPA  
Interim General Manager
