RE: East Kentucky Network, LLC dba Appalachian Wireless
Case No. 2018-00255 - Filing Rejected

The Commission Staff has reviewed the Notice of Use of Electronic Filing Procedures in Case No. 2018-00255 received on July 25, 2018. This filing is rejected for the reason set forth below.

Filing rejected pursuant to:

- (1)** 807 KAR 5:063, Section 1(1) (a) – To apply for a certificate of public convenience and necessity to construct a telecommunications antenna tower, the utility must file all documents and information required by 807 KAR 5:001, Section 14, except that the applicant shall file with the commission the original and five (5) copies of the application.

There is no provision to deviate from this requirement in 807 KAR 5:063; therefore, we cannot accept an electronic filing for a certificate of public convenience and necessity to construct a telecommunications tower application. You are requested to file the original and five copies of the application. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Gwen R. Pinson
Executive Director
