Re: Sworn Affidavit certifying completion of utility workshops associated with case number:
2018-00262

Dear Ms. Pinson:

This is to certify that the Kentucky Water Resources Research Institute completed the following three workshops in support of KRS 74.020(6) and KRS 74.020(7): a training for the Martin County System in Inez, Kentucky, on August 16, 2018; a training for the Tompkinsville Water System in Tompkinsville, Kentucky, on August 22, 2018; and a regional workshop held at the Maysville Community College Extension Office in Morehead, Kentucky, on October 11, 2018. The workshops were approved by the PSC on August 15, 2018 (case number 2018-00262). There were no material changes in the program. The following board members completed the 5.5 hours of training:

- Rex Endicott (Martin County Water District)
- John P. Hensley (Martin County Water District)
- Jimmy D. Kerr (Martin County Water District)
- Calvin Hunt Jr., Chairman (Reid Village Water District)
- Jim Costigan (Reid Village Water District)
- Shannon White (Reid Village Water District)
- Sherri Greene (Bath County Water District)

If you have any other questions or require any further documentation, please do not hesitate to contact me.

Sincerely,

Lindell Ormsbee, P.E., P.H., Ph.D., D.WRE
Director, Kentucky Water Resources Research Institute
Raymond-Blythe Professor of Civil Engineering
Associate Director, UK Superfund Research Center
