Dear Ms. Pinson:

Enclosed please find an original and 10 copies of an Application for a Certificate of Public Convenience and Necessity ("CCN"), to enable Louisville Gas and Electric Company (the "Company") to apply for an electric franchise with the City of Mt. Washington (the "City") pursuant to KRS 278.020(5). In a public meeting held on September 10, 2018, the City Council of Mt. Washington, Kentucky passed Ordinance No. 18-15, which directed the advertising for bids and selling of an electric franchise in the City. The Company asks that the Commission enter an Order granting a Certificate of Public Convenience and Necessity to bid for and acquire a franchise from the City on or before October 5, 2018.

For many years, the Company has been the owner of a franchise granted by the City to erect facilities for providing electric service to the City and the inhabitants thereof. The franchise to be obtained will replace the previous franchise.

The Government shall notify the Company in writing within a reasonable time of receiving notice of any issue it determines may require indemnification

SECTION 12.

(a) In addition to all other rights and powers pertaining to the Government by virtue of the Franchise created by this Ordinance or otherwise, the Government, by and through its City Council, reserves the right to terminate and cancel this Franchise and all rights and privileges of the Company hereunder in the event that the Company:

Franchise, except where such violation is without fault or through excusable neglect;

(2) Willfully attempts to evade any material provision of this Franchise or practices any fraud or deceit upon the Government;

(3) Knowingly makes a material misrepresentation of any fact in the application, proposal for renewal, or negotiation of this Franchise;

(4) If experiencing a foreclosure or other judicial sale of all or a substantial part of the Company's Facilities located within the City of Mt. Washington, the Company shall provide the Government at least thirty (30) days advance written notice of such foreclosure or sale; or

(5) Is no longer able to provide regular and customary uninterrupted service to its customers in the franchise area.

(b) Prior to attempting to terminate or cancel this Franchise pursuant to this section, the City's Mayor or his or her designee, or the City Council shall make a written demand that the Company do or comply with any such provision, rule, order or determination. If the violation, found in Section 12(a), by the Company continues for a period of thirty (30) days following such written demand without written proof that corrective action has been taken or is being actively and expeditiously pursued, the Government may place its request for termination of this Franchise as early as the next regular City Council meeting agenda. The Government shall cause to be served upon Company, at least ten (10) days prior to the date of such City Council meeting, a written notice of intent to request such termination and the time and

place of the meeting, legal notice of which shall be published in accordance with any applicable laws.

(1) It shall be a defense to any attempt to terminate and cancel this Franchise that the Company was relying on federal law, state law, or a valid tariff in acting or not acting on the issue in dispute.

(2) The City Council shall consider the request of the Government and shall hear any person interested therein, and shall determine in its discretion, whether or not any violation by the Company was with just cause.

(3) If such violation by the Company is found to have been with just cause, the City Council shall direct the Company to comply therewith within such time and manner and upon such terms and conditions as are just and reasonable.

(4) If the City Council determines such violation by the Company was without just cause, then the City Council may, by resolution, declare that this Franchise of the Company shall be terminated and forfeited unless there is compliance by the Company within such period as the City Council may fix.

(c) Any violation by the Company or its successor of the material provisions of this Franchise, or the failure promptly to perform any of the provisions thereof, shall be cause for the forfeiture of this Franchise and all rights hereunder if, after written notice to the Company and an opportunity to cure, such violations, failure or default continue as set forth in Section 12(a).

SECTION 13. Right to Cancel. The City Council shall have the right to cancel the Franchise created by this Ordinance thirty (30) days after the appointment of a receiver or trustee

to take over and conduct the business of the Company, whether in receivership, reorganization, bankruptcy or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of said thirty (30) days, unless:

1. Within thirty (30) days after his election of appointment, such receiver or trustee shall have fully complied with all the provisions of this Ordinance and remedied all defaults thereunder; and,
2. Such receiver or trustee, within said thirty (30) days shall have executed an agreement, duly approved by the court having jurisdiction in the premises, whereby such receiver or trustee assumes and agrees to be bound by each and every provision of this Ordinance and the Franchise granted to the Company.

SECTION 14. In the event the sale of electricity is deregulated within the Commonwealth of Kentucky, and deregulation results in a material shortfall of revenue to the Government, the Government shall have the option of terminating this Franchise with the Company. If this Franchise is terminated by the Government pursuant to this provision, the Government and the Company shall have a duty to negotiate in good faith with respect to offering a mutually acceptable franchise to the Company.

SECTION 15. The Company shall have the authority to trim trees that are located within or overhang the Right-Of-Way so as to prevent the branches of such trees from coming in contact with the wires, cables, or other Facilities of the Company. Any trimming, removal or other disturbance of trees shall conform to all lawful ordinances, requirements and directives of the Government, and the Company shall make available upon reasonable request of the Government, information regarding its tree-trimming practices. In the event that the Company fails to timely

and sufficiently respond to a legitimate and reasonable complaint regarding its failure to trim such trees, and such complaint is made known to the Government, the Government shall contact the Company with respect to such matter and attempt to reach a satisfactory result. Notwithstanding the foregoing, this provision in no way limits any existing or future lawful rights that the Government may have with respect to such trees.

SECTION 16. This Ordinance and any Franchise awarded pursuant to it shall be governed by the laws of the Commonwealth of Kentucky, both as to interpretation and performance. The venue for any litigation related to this Ordinance and any Franchise awarded pursuant to it shall be in a court of competent jurisdiction in Bullitt County, Kentucky.

SECTION 17. This Ordinance and any Franchise awarded pursuant to it does not create a contractual relationship with or right of action in favor of a third party against either the Government or the Company.

SECTION 18. If any section, sentence, clause or phrase of this Ordinance is held unconstitutional or otherwise invalid, such infirmity shall not affect the validity of the remaining Ordinance.

SECTION 19. It shall be the duty of the City's Mayor, or his/her designee, to offer for sale at public auction the Franchise and privileges created hereunder. Said Franchise and privileges shall be sold to the highest and best bidder or bidders at a time and place fixed by the City's Mayor after he or she has given due notice thereof by publication or advertisement as required by law. In awarding the franchise, the City shall consider the technical, managerial, and financial qualifications of the bidder to perform its obligations under the franchise.

SECTION 20. Bids and proposals for the purchase and acquisition of the franchise and privileges hereby created shall be in writing and shall be delivered to the City's Mayor, or his/her designee, upon the date(s) and at the times(s) fixed by him or her in said publication(s) or advertisement(s) for receiving same. Thereafter, the City's Mayor shall report and submit to the City Council, at the time of its next regular meeting or as soon as practicable thereafter, said bids and proposals for its approval. The City Council reserves the right, for and on behalf of the Government, to reject any and all bids for said franchise and privileges; and, in case the bids reported by the City's Mayor shall be rejected by the Council, it may direct, by resolution or ordinance, said franchise and privileges to be again offered for sale, from time to time, until a satisfactory bid therefore shall be received and approved. Upon the approval of a satisfactory bid, the City Council shall award a franchise only after the execution of a written franchise agreement between the City and Company that incorporates the provisions of this Ordinance.

In addition, any bid submitted by a corporation or person not already owning within the territorial limits of the City a plant, equipment, and/or Facilities sufficient to render the service required by this Ordinance must be accompanied by cash or a certified check drawn on a bank of the Commonwealth of Kentucky, or a national bank, equal to five percent (5%) of the fair estimated cost of the system required to render the service, which check or cash shall be forfeited to the Government in case the bid should be accepted and the bidder should fail, for thirty (30) days after the confirmation of the sale, to pay the price and to give a good and sufficient bond in a sum equal to one-fourth (1/4) of the fair estimated cost of the system to be erected,

conditioned that it shall be enforceable in case the purchaser should fail, within sixty (60) days, to establish and begin rendering the service in the manner set forth in this Ordinance. Bids shall include such documentation as is necessary to support the bidder's determination of the fair estimated cost of the system required to render the service. Government reserves the right to review any of bidder's supporting documentation which justifies bidder's determination of said estimated cost. Such deposit need not be made by a corporation or person already owning within the territorial limits of the City a plant, equipment, and/or Facilities sufficient to render the service required by this Ordinance.

All ordinances or parts of ordinances in conflict herewith are, to the extent of such conflict, hereby repealed.
