ORDER

On October 10, 2018, Northeast Woodford County Water District (Northeast Woodford District) filed a motion requesting that the Commission issue an Order (1) requesting leave to substitute a properly redacted page for an unredacted page of its application, and (2) permitting Northeast Woodford District to withdraw its application filed on October 5, 2018.

In support of its motion, Northeast Woodford District states that (1) substitution of the redacted page will prevent disclosure of confidential information, and that (2) upon further review of its application, Northeast Woodford District has determined that KRS 278.023 would not apply as Northeast Woodford District initially assumed and that its application must meet the more extensive filing requirements of KRS 278.020, KRS 278.300, and 807 KAR 5:001, Section 16.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Northeast Woodford District has established good cause to grant the request to substitute the redacted page in its application and to withdraw its application.

IT IS THEREFORE ORDERED that:

1. Northeast Woodford District's request to substitute the redacted page attached to its motion for the page attached to its application as Exhibit A, is granted.
2. Northeast Woodford District's motion to withdraw its application filed October 5, 2018, is granted.
3. The above-styled proceeding is dismissed with prejudice.
4. This case is closed and removed from the Commission's docket.
