RE: KY PSC Case No. 2018-00356

Dear Ms. Pinson,

On October 23, 2018, Columbia Gas of Kentucky, Inc., ("Columbia") submitted its Application in this docket. By letter dated October 30, 2018, the Commission's Staff noted a deficiency in Columbia's application that the date of incorporation was not included as required by 807 KAR 5:001: Section 14 (2).

The previously omitted date necessary to cure the deficiency, as required by 807 KAR 5:001: Section 14 (2) and in response to the Commission's letter of October 30, 2018, is October 11, 1905. This date should have been included in Columbia's previously submitted Application in paragraph (c). The complete text of corrected paragraph (c) is attached hereto.

An original and ten (10) copies are enclosed.

Sincerely,

A handwritten signature in cursive script that reads "Brooke E. Wancheck (gmc)".
