Regarding: *In the Matter of the Application of New Cingular Wireless PCS, LLC, a Delaware Limited Liability Company, dba AT&T Mobility for Issuance of a Certificate of Public Convenience and Necessity to Construct a Wireless Communications Facility in the Commonwealth of Kentucky in the County of Casey*

Public Service Commission Case No. 2019-00176

To Whom it May Concern:

I am the owner of a parcel of property located near the intersection of Antioch Road and Phil Contown Road in Casey County Kentucky listed by the Casey County Property Valuation Office as parcel 071-03. I have become aware of a wireless tower proposed to be constructed in the vicinity of 74 Antioch Road, Liberty, KY.

I do not believe I received proper notice of the possible construction of this tower. However, now that I know of it, I request that the Commission convene a public hearing concerning the building of this tower.

Sincerely

  
Melissa T. Richardson
