

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF LOUISVILLE )	
GAS AND ELECTRIC COMPANY FOR )	CASE NO.
GAS LINE TRACKER )	2019-00043

O R D E R

On February 28, 2019, Louisville Gas and Electric Company (LG&E) submitted an application requesting to revise rates for its Gas Line Tracker Adjustment Clause (GLT) effective May 1, 2019, pursuant to the Commission's Order in Case No. 2012-00222<sup>1</sup> approving the GLT program and associated rates. There are no Intervenors in this proceeding. The case now stands submitted for decision.

LG&E's revenue requirement eligible for recovery under its GLT mechanism for 2019 is \$8,987,853. Of that amount, \$6,233,242 is related to distribution projects, with the remaining \$2,754,611 being related to transmission projects. During 2018, LG&E had a total over-collection of \$1,126,715, which it proposes to include as a credit to its 2019 revenue requirement in order to refund the over-collected amounts to its customers through its GLT balancing adjustment for 2018.

Having reviewed the evidence of record and being otherwise sufficiently advised, the Commission finds that the information contained in LG&E's filing is in sufficient detail to support the reasonableness of LG&E's revised GLT rates.
