CASE NO. 2019-00080
CITY OF PIKEVILLE WHOLESALE WATER SERVICE RATES
RESPONSES TO COMMISSION'S FIRST INFORMATION REQUESTS

5. For each outstanding revenue bond issuance related to Pikeville's operations, provide:

- a. The bond ordinance or resolution authorizing its issuance;
- b. An amortization schedule;
- c. A detailed explanation of why the debt was incurred; and
- d. A calculation of the annual debt service payment, including all required payments

to debt service reserve accounts or funds, for each of the next three years.

Response:

- a. The bond ordinances are attached.
- b. An amortization schedule of each bond is attached.
- c.

1. Ordinance 0-2012-11, General Obligation Series 2012C was a refinancing of existing debt to lower debt service requirements and interest.
2. Ordinance 0-2015-16, Series 2016A was used to construct water and sewer services to the Kentucky Enterprise Industrial Park.
3. Ordinance 0-2017-31, General Obligation Series 2017 was used to purchase and install radio read meters throughout the water system. In addition, the same series also was used for improvements at athletic field and waste water treatment plant upgrade.

d. Attached is a calculation of the annual debt service payment, including all required payments to debt service reserve accounts or funds, for each of the next three years.

WITNESS: Tonya Taylor

ORDINANCE NO. 0-2012-011

AN ORDINANCE OF THE CITY OF PIKEVILLE, KENTUCKY, PROVIDING FOR THE ISSUANCE OF THE CITY'S GENERAL OBLIGATION BONDS, SERIES 2012C, FOR THE PURPOSES OF ADVANCE REFUNDING A CERTAIN OUTSTANDING OBLIGATION OF THE CITY PAYABLE TO THE KENTUCKY RURAL WATER FINANCE CORPORATION; SETTING FORTH THE TERMS AND CONDITIONS UPON WHICH THE BONDS ARE TO BE ISSUED AND OUTSTANDING; PROVIDING FOR THE PAYMENT AND RETIREMENT OF THE OBLIGATIONS BEING REFUNDED; ORDERING AND PROVIDING FOR THE LEVY OF AN ANNUAL TAX, TO THE EXTENT NECESSARY, SUFFICIENT TO PAY THE INTEREST ON AND PRINCIPAL OF THE BONDS; PROVIDING FOR CERTAIN UTILITIES REVENUE TRANSFERS; AND PROVIDING FOR A PUBLIC SALE OF THE BONDS AND THE APPLICATION OF THE PROCEEDS THEREOF

WHEREAS, the City of Pikeville, Pike County, Kentucky (the "City"), has for many years owned and operated its combined and consolidated municipal water and sewer system (the "System") for the public's benefit, welfare and convenience, and the City currently has outstanding the following revenue bonds and obligations payable from the revenues of the System:

- (i) \$1,677,600 outstanding principal amount of a monthly loan repayment obligation (the "2004 KRWFC Loan") to the Kentucky Rural Water Finance Corporation ("KRWFC"), pursuant to an Assistance Agreement by and between the City and KRWFC dated March 24, 2004 (the "2004 KRWFC Assistance Agreement");
- (ii) \$144,600 outstanding principal amount of a monthly loan repayment obligation to the United States Department of Agriculture, Rural Development ("USDA"), which was a loan in the form of a revenue bond issue assumed by the City from the Mountain Water District, Pike County, Kentucky (the "Mountain Water District"), pursuant to a Community Programs Assumption Agreement with USDA dated November 21, 2006 (the "Series 2006 Bonds"), upon the City's acquisition of a portion of a certain former service area of the Mountain Water District, known as the Mossy Bottom Sewer System, which Series 2006 Bonds are secured by a pledge of the revenue of the Mossy Bottom Sewer System;
- (iii) \$606,380.84 outstanding principal amount of a monthly repayment obligation (the "2006 KIA Loan") owed by the City to the Kentucky Infrastructure Authority ("KIA") pursuant to an Assumption and Supplemental Assistance Agreement dated September 1, 2008 by and between the City and KIA (the "KIA Assumption Agreement") whereby the City formally assumed all of the rights and obligations

of the Mountain Water District with respect to the Assistance Agreement dated as of November 1, 2000 by and between the Mountain Water District and KIA (the "Mossy Water Assistance Agreement"), upon the City's acquisition of the Mossy Bottom Sewer System, which 2006 KIA Loan is secured by a pledge of the revenue of the Mossy Bottom Sewer System;

- (iv) \$722,589 outstanding principal amount of Water and Sewer Revenue Bonds, Series 2007 (the "Series 2007 Bonds"), authorized by Ordinance adopted on May 29, 2007 (the "2007 Ordinance"), when the City acquired the Pike County portions of the water and sewer system of Sandy Valley Water District, which Series 2007 Bonds are payable from the revenue of the System, but rank subordinate as to security and source of payment to the outstanding balance of the Series 2006 Bonds;
- (v) \$619,500 outstanding principal amount of monthly loan repayment obligations to USDA, which was a loan in the form of a revenue bond issue assumed by the City from the Mountain Water District pursuant to a Community Programs Assumption Agreement with USDA dated June 30, 2009 (the "Series 2009 Bonds"), when the City acquired an addition to the Mossy Bottom Sewer System known as the Cowpen Sewer Project, which Series 2009 Bonds are secured by a pledge of the revenue of the Mossy Bottom Sewer System, as expanded, on a parity with the Series 2006 Bonds;
- (vi) \$1,500,000 outstanding principal amount of Water and Sewer System Revenue Bonds, Taxable Series 2010S-1 (Build America Bonds – Direct Payment to Issuer) (the "Series 2010S-1 Bonds"), authorized by an Ordinance of the City adopted on June 14, 2010, as amended and supplemented by a Supplemental Ordinance of the City adopted on October 11, 2010 (as amended and supplemented, the "2010S-1 Ordinance"); and
- (vii) \$1,837,000 outstanding principal amount of Water and Sewer System Revenue Bonds, Taxable Series 2010S-2 (Build America Bonds – Direct Payment to Issuer) (the "Series 2010S-2 Bonds"), authorized by an Ordinance of the City adopted on August 23, 2010 (the "2010S-2 Ordinance").

WHEREAS, the 2004 KRWFC Loan, the Series 2006 Bonds, the 2006 KIA Loan, the Series 2007 Bonds, the Series 2009 Bonds, the Series 2010S-1 Bonds and the Series 2010S-2 Bonds are current as to the payment of principal and interest; and for their security certain funds and reserves are being maintained in the amounts and the manner prescribed by the 2004 KRWFC Assistance Agreement, the Mossy Water Assistance Agreement, the 2007 Ordinance, the 2010S-1 Ordinance and the 2010S-2 Ordinance and the resolutions of the Mountain Water District establishing the funds and reserves applicable to the Series 2006 Bonds and the Series 2009 Bonds, respectively; and

WHEREAS, upon the recommendation of its Financial Advisor, J.J.B. Hilliard, W.L. Lyons, LLC (the "Financial Advisor"), the Board of Commissioners has determined that it is necessary and desirable and in the public interest that the City currently refund, pay and redeem

within the next ninety (90) days, and defease the pledges and commitments securing, the Series 2006 Bonds, the Series 2007 Bonds and the Series 2009 Bonds (the "Refunded Obligations") in order to effect debt service savings (the "Current Refundings"); and

WHEREAS, upon the recommendation of the Financial Advisor, the Board of Commissioners has determined that it is necessary and desirable and in the public interest that the City advance refund, pay and redeem on January 1, 2013, and defease the pledges and commitments securing the portion of the 2004 KRWFC Loan, which mature on January 1, 2014 - 2023, in order to effect debt service savings; and

WHEREAS, the projects financed by the 2004 USDA Loan constituted a public project within the meaning of KRS Section 66.011 used for public purposes; and the weighted average life or period of usefulness, as estimated by the City, of the projects being refinanced extends beyond January 1, 2023; and

WHEREAS, by concurrent proceedings, the Board of Commissioners has determined that in order to carry out the Current Refundings it is necessary to issue at this time \$1,205,000 principal amount (subject to adjustment as provided herein) General Obligation Bonds, Series 2012B (the "Series 2012B Bonds"); and

WHEREAS, the Board of Commissioners has determined that in order to carry out the advance refunding it is necessary to issue at this time \$1,555,000 principal amount (subject to adjustment as provided herein) General Obligation Bonds, Series 2012C (the "Series 2012C Bonds"); and

WHEREAS, the City has a population of less than 15,000 but not less than 3,000 inhabitants; and upon issuance of the Series 2012B Bonds and the Series 2012C Bonds the total indebtedness of the City within the meaning of Section 158 of the Constitution of Kentucky, as amended, and the total net indebtedness of the City within the meaning of KRS 66.031, do not exceed 5% of the total value of taxable property within the City, as determined by the last certified assessment with respect to such property; and

WHEREAS, it is the desire and intent of the City at this time to adopt this Ordinance which, among other things, authorizes and provides for the issuance of the Series 2012C Bonds for the purposes aforesaid and sets forth the restrictions and conditions on which the 2012C Bonds are to be issued and outstanding;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF PIKEVILLE, KENTUCKY, ACTING BY AND THROUGH ITS BOARD OF COMMISSIONERS, AS FOLLOWS:

Section 1. Affirmation of Preamble Recitals. It is hereby found, determined and declared that the facts and recitals set forth in the preamble of this Ordinance are true and correct and are hereby affirmed, and all acts described in said preamble are hereby ratified. Said facts and recitals, including the terms defined therein, are adopted and incorporated as a part of this Ordinance.

Section 2. Authorization and Terms of Series 2012C Bonds.

(A) Authorization, Maturities, Payment Dates. For the purposes set out in the preamble of this Ordinance, and pursuant to the Constitution and laws, as amended, of the Commonwealth of Kentucky, particularly Sections 158 and 159 of the Constitution and KRS 66.011 through 66.171, there are hereby authorized to be issued \$1,555,000 aggregate principal amount (subject to adjustment as provided below) of Series 2012C Bonds according to the following provisions of this Ordinance, for the payment of which Series 2012C Bonds, both principal and interest when due, the full faith, credit and taxing power of the City are hereby irrevocably pledged. The Series 2012C Bonds shall be styled "City of Pikeville, Kentucky, General Obligation Bonds, Series 2012C," shall be dated the date of original issuance and delivery thereof, and shall bear interest from that date payable on January 1, 2013, and on each July 1 and January 1 thereafter to maturity or redemption and payment of the Series 2012C Bonds. The Series 2012C Bonds shall mature and be payable as to principal as follows:

<u>Maturity Date</u>	<u>Principal Amount*</u>
January 1, 2013	\$150,000
January 1, 2014	140,000
January 1, 2015	140,000
January 1, 2016	145,000
January 1, 2017	145,000
January 1, 2018	150,000
January 1, 2019	150,000
January 1, 2020	150,000
January 1, 2021	155,000
January 1, 2022	160,000
January 1, 2023	70,000

*Aggregate principal amount and annual maturities are subject to adjustment as provided in Section 16 hereof.

provided, however, certain Series 2012C Bonds may become Term Bonds subject to mandatory sinking fund redemption as described in Section 4 and Section 16 hereof.

(B) Additional Terms. Interest on each Series 2012C Bond not registered in Book-Entry Form to a Securities Depository (as described in Section 3 hereof) shall be paid by check drawn upon the Paying Agent and Bond Registrar, hereinafter designated, and mailed to each person in whose name a Series 2012C Bond is registered as hereinafter provided (a "Registered Holder") at the address of such Registered Holder as it appears on the registration books of the Paying Agent and Bond Registrar. The principal of the Series 2012C Bonds not

registered in Book-Entry Form to a Securities Depository (as described in Section 3 hereof) shall be payable to the respective Registered Holders without exchange or collection charges, in lawful money of the United States of America, upon their presentation and surrender as they respectively become due and payable, whether at maturity or by prior redemption, at the designated office of the Paying Agent and Bond Registrar, The Bank of New York Mellon Trust Company, N.A. (the "Paying Agent and Bond Registrar"), in Louisville, Kentucky. The Series 2012C Bonds shall be issued and reissued by the Paying Agent and Bond Registrar from time to time only as fully registered bonds without coupons in the denominations of \$5,000 and any integral multiple thereof, as hereinafter provided. Unless the City shall otherwise direct, the Series 2012C Bonds shall be numbered separately from 1 upward.

Principal of and interest on Series 2012C Bonds registered in Book-Entry Form in the name of the Securities Depository or the Securities Depository Nominee (all as described in Section 3 hereof) shall be payable by wire transfer from the Paying Agent and Bond Registrar to the Securities Depository or its nominee.

The Series 2012C Bonds shall bear interest at a rate or rates to be established by official action of the Mayor or the Finance Director of the City on the basis of competition after the Series 2012C Bonds are offered for sale at an advertised, public, competitive sale as hereinafter provided. The fifteenth (15th) day of the month before a January 1 and July 1 interest payment date shall be the record date for the Series 2012C Bonds (each, a "Record Date") for the purpose of determining the Registered Holder to whom interest shall be payable on the next succeeding interest payment date, and the Paying Agent and Bond Registrar may treat for such purpose the person in whose name any Series 2012C Bond is registered on the Record Date as the Registered Holder thereof. Interest shall be computed on the basis of a year of 360 days consisting of twelve 30-day months.

All of the Series 2012C Bonds, together with interest thereon, shall be payable out of the City's General Obligation Bonds, Series 2012C, Interest and Sinking Fund Account (the "Bond Fund") created by this Ordinance, as hereinafter more specifically provided, and shall be a valid claim of the Registered Holders thereof against the Bond Fund.

Section 3. Series 2012C Bonds Issued in Book-Entry Form. As used in this Ordinance, the following terms shall have the indicated meanings:

"Book-Entry Form" means, with respect to the Series 2012C Bonds, a form or system, as applicable, under which (i) the ownership of beneficial interests in the Series 2012C Bonds and principal and interest payments thereon may be transferred only through a book entry and (ii) physical Series 2012C Bond certificates in fully registered form are registered only in the name of a Securities Depository or its nominee as Registered Holder, with the physical Series 2012C Bond certificates held in the custody of a Securities Depository.

"Participant" means a member of, or a participant in, the Securities Depository.

"Securities Depository" means any securities depository that is a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act, operating

and maintaining, with its Participants or otherwise, a Book-Entry System to record ownership of beneficial interests in bonds and bond service charges, and to effect transfers of bonds in Book-Entry Form, and means, initially, The Depository Trust Company (a limited purpose trust company), New York, New York.

“Securities Depository Nominee” means any nominee of a Securities Depository and shall initially mean Cede & Co., New York, New York, as nominee of The Depository Trust Company.

The Series 2012C Bonds shall initially be issued in Book-Entry Form and registered in the name of the Securities Depository or the Securities Depository Nominee as provided in this Section 3. Except when the Series 2012C Bonds are no longer issued in Book-Entry Form as provided below in this Section 3, the Series 2012C Bonds shall be registered in the name of the Securities Depository or the Securities Depository Nominee, and ownership thereof shall be maintained in Book-Entry Form by the Securities Depository for the account of the Participants thereof. Initially, the Series 2012C Bonds shall be registered in the name of Cede & Co., as the nominee of The Depository Trust Company, which shall be the initial Securities Depository. Each of the Mayor, the City Clerk or the Finance Director of the City is authorized to approve and execute on behalf of the City a letter of representations or other appropriate instrument with The Depository Trust Company (to which the Paying Agent and Bond Registrar may also be a party) relating to the issuance and administration of the Series 2012C Bonds in Book-Entry Form.

Except when the Series 2012C Bonds are no longer issued in Book-Entry Form as provided below in this Section 3, the Series 2012C Bonds may be transferred, in whole but not in part, only to the Securities Depository or the Securities Depository Nominee, or to a successor Securities Depository selected or approved by the City or to a nominee of such successor Securities Depository.

As to any Series 2012C Bond, the person in whose name the Series 2012C Bond shall be registered shall be the Registered Holder and the absolute owner thereof for all purposes, and payment of or on account of the principal of and interest on any such Series 2012C Bond shall be made only to or on the order of the Registered Holder thereof or his legal representative.

Neither the City nor the Paying Agent and Bond Registrar shall have any responsibility or obligation with respect to:

- (i) the accuracy of the records of the Securities Depository or any Participant with respect to any beneficial ownership interest in the Series 2012C Bonds;
- (ii) the delivery to any Participant, any beneficial owner of the Series 2012C Bonds or any other person, other than the Securities Depository, of any notice with respect to the Series 2012C Bonds; or
- (iii) the payment to any Participant, any beneficial owner of the Series 2012C Bonds or any other person, other than the Securities

Depository, of any amount with respect to the principal or interest on the Series 2012C Bonds.

So long as any Series 2012C Bonds are registered in Book-Entry Form, the City and the Paying Agent and Bond Registrar may treat the Securities Depository as, and deem the Securities Depository to be, the absolute owner and the Registered Holder of such Series 2012C Bonds for all purposes whatsoever, including without limitation:

- (i) the payment of principal of and interest on the Series 2012C Bonds;
- (ii) giving notices of redemption and other matters with respect to the Series 2012C Bonds;
- (iii) registering transfers with respect to the Series 2012C Bonds;
- (iv) selection of Series 2012C Bonds for redemption; and
- (v) for purposes of obtaining any consents under this Ordinance.

As used herein, the terms "holder of Series 2012C Bonds" or "Bondholder" shall be deemed to refer to the Registered Holder of the Series 2012C Bonds.

If at any time the Securities Depository notifies the City that it is unwilling or unable to continue as Securities Depository with respect to the Series 2012C Bonds, or if at any time the Securities Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Securities Depository is not appointed by the City within ninety (90) days after the City receives notice or becomes aware of such condition, as the case may be, then this Section 3 shall no longer be applicable and the City shall execute and the Paying Agent and Bond Registrar shall authenticate and deliver certificates representing the Series 2012C Bonds to the Registered Holders.

Payment of principal of and interest on any Series 2012C Bonds not registered in Book-Entry Form shall be made as provided in Section 2(B) hereof.

Section 4. Redemption of Series 2012C Bonds.

(A) Mandatory Sinking Fund Redemption. If the successful bidder and original purchaser of the Series 2012C Bonds so elects in accordance with the provisions of Section 16 hereof and as may be provided in the official action of the Mayor or the Finance Director of the City, the Series 2012C Bonds stated to mature on the maturity dates set out in the successful bid of such original purchaser shall be combined to comprise the maturities of Term Bonds as set out in said successful bid and in said official action of the Mayor or the Finance Director of the City; and such Term Bonds shall be subject to mandatory redemption in part, at the selection of the Paying Agent and Bond Registrar by lot in such manner as the Paying Agent and Bond Registrar may determine, from moneys in the Bond Fund on each applicable January 1 at par plus accrued interest to the redemption date, according to the mandatory sinking fund redemption schedule or schedules established by official action of the Mayor or the Finance

Director of the City and in principal amounts corresponding to the maturity schedule for such series set out in Section 2(A) hereof (subject to adjustment as herein provided).

(B) Optional Redemption. The Series 2012C Bonds maturing on and after January 1, 2023, are subject to redemption by the City, at its option, before maturity on July 1, 2022, and on any date thereafter in whole or from time to time in part in any order of maturity (less than all of a single maturity to be selected by lot in such manner as the Paying Agent and Bond Registrar may determine) at the principal amount thereof plus accrued interest to the redemption date.

(C) Other Redemption Provisions.

The Paying Agent and Bond Registrar shall cause notice of the call for any redemption, identifying the Series 2012C Bonds or portions thereof (\$5,000 or any integral multiple thereof) to be redeemed, to be sent by first-class mail not less than thirty (30) days nor more than sixty (60) days before the date fixed for redemption to the Registered Holder of each Series 2012C Bond to be redeemed at the address shown on the registration books. Failure to give such notice by mailing or any defect therein in respect of any Series 2012C Bond shall not affect the validity of any proceedings for the redemption of any other Series 2012C Bond. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, irrespective of whether the Registered Holder receives the notice.

Before the date fixed for redemption of Series 2012C Bonds, funds shall be deposited by the City with the Paying Agent and Bond Registrar to pay, and the Paying Agent and Bond Registrar is hereby authorized and directed to deposit such funds into the Bond Fund hereinafter identified and to apply such funds to the payment of, the Series 2012C Bonds or portions thereof called for redemption, together with accrued interest thereon to the redemption date. Upon the giving of notice and the deposit of adequate funds in the Bond Fund for redemption of Series 2012C Bonds, interest on the Series 2012C Bonds or portions thereof so called for redemption shall cease to accrue after the date fixed for redemption. No payment of principal or interest shall be made by the Paying Agent and Bond Registrar upon any Series 2012C Bond or portion thereof called for redemption until such Series 2012C Bond or portion thereof shall have been delivered to the Paying Agent and Bond Registrar for payment or cancellation, or the Paying Agent and Bond Registrar shall have received the items required by Section 7 hereof with respect to any mutilated, lost, stolen or destroyed Series 2012C Bond.

A portion of any Series 2012C Bond subject to redemption may be redeemed, but Series 2012C Bonds shall be redeemed only in the principal amount of \$5,000 each or any integral multiple thereof. Upon surrender of any Series 2012C Bond for redemption in part only, the City shall execute and the Paying Agent and Bond Registrar shall register, authenticate and deliver to the holder thereof, within a period of three (3) days from surrender of such Series 2012C Bond to the Paying Agent and Bond Registrar, at the expense of the City, a new Series 2012C Bond or Series 2012C Bonds of the same maturity, of authorized denominations and in aggregate principal amount equal to the unredeemed portion of the Series 2012C Bond surrendered.

Section 5. Execution of Series 2012C Bonds. The Series 2012C Bonds shall be executed on behalf of the City by the manual or reproduced facsimile signature of the Mayor and

shall have impressed or imprinted thereon either a true impression or a reproduced facsimile of the official seal of the City and shall be attested with the manual or reproduced facsimile signature of the City Clerk. An authorized facsimile signature shall have the same force and effect as a manual signature. In case any officer of the City whose signature or a facsimile of whose signature shall appear on the Series 2012C Bonds shall cease to be such officer before the delivery of such Series 2012C Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

Section 6. Form of Series 2012C Bonds. The Series 2012C Bonds shall be issued only in the form of bonds registered as to payment of both principal and interest in substantially the following form, with necessary and appropriate variations, omissions and insertions as permitted or required by this Ordinance, as follows:

KNOW ALL MEN BY THESE PRESENTS: That the City of Pikeville, Kentucky (the "City"), for value received, hereby promises to pay to the Registered Holder identified above, or registered assigns, the principal amount set out above, on the maturity date set out above, and to pay interest on the unpaid balance of said principal amount at the interest rate per annum set out above, payable on the first days of January and July in each year, beginning January 1, 2013, until payment of the principal sum or until the date fixed for redemption if this Bond is called for prior redemption and payment on such redemption date is duly provided for. Each such interest payment shall represent interest accruing on this Bond from the later of the bond date set out above or the most recent interest payment date (January 1 or July 1) to which interest has been paid or duly provided for.

Interest accruing on this Bond (if not registered in book-entry form to a securities depository) shall be payable as aforesaid by check drawn on The Bank of New York Mellon Trust Company, N.A., Louisville, Kentucky (the "Paying Agent and Bond Registrar"), or its successor as the Paying Agent and Bond Registrar, and mailed to the person who is the Registered Holder hereof as of the close of business on the Record Date for such interest installment, which Record Date shall be the fifteenth (15th) day of the month (whether or not a

business day) next preceding an interest payment date, at the address of such Registered Holder as it appears on the books of the Paying Agent and Bond Registrar. Principal shall be paid when due upon delivery of this Bond for payment at the designated office of the Paying Agent and Bond Registrar.

REFERENCE IS HEREBY MADE TO THE FURTHER PROVISIONS OF THIS BOND SET FORTH ON THE REVERSE HEREOF, WHICH FURTHER PROVISIONS SHALL FOR ALL PURPOSES HAVE THE SAME EFFECT AS IF SET FORTH AT THIS PLACE.

This Bond is exempt from *ad valorem* taxation by the Commonwealth of Kentucky and by all of the political subdivisions thereof.

IN WITNESS WHEREOF, the City of Pikeville, Kentucky, acting by and through its Board of Commissioners as its duly authorized and lawful governing body, has caused this Bond to be executed with the manual or reproduced facsimile of the official signature of its Mayor, to be sealed by an impression or a reproduced facsimile of an impression of the official seal of the City and to be attested by the manual or reproduced facsimile signature of the City Clerk, in each case as a duly authorized officer of the City, all as of the date of this Bond, which is the bond date set out above.

(END OF FACE OF SERIES 2012C BOND)

(BEGIN REVERSE OF SERIES 2012C BOND)

This Bond is one of a duly authorized issue of Bonds of the City designated "City of Pikeville, Kentucky, General Obligation Bonds, Series 2012C" (the "Bonds"), issued in the original principal amount of \$ _____, authorized and issued by the City pursuant to an Ordinance duly adopted by its Board of Commissioners to provide funds (i) to advance refund a loan repayment obligation of the City's combined water and sewer system (the "System") to the Kentucky Rural Water Finance Corporation and (ii) to pay related costs. This Bond has been issued under and in compliance with the Constitution and statutes, as amended, of the Commonwealth of Kentucky, including among others Sections 158 and 159 of the Constitution of Kentucky and Sections 66.011 through 66.171 of the Kentucky Revised Statutes.

For the prompt payment of principal of and interest on this Bond when due, the full faith, credit and taxing power of the City are hereby irrevocably pledged. Reference is made to the Ordinance of the City authorizing the Bonds (the "Bond Ordinance") for the provisions with respect to the nature and extent of the security, the rights, duties and obligations of the City and the Paying Agent and Bond Registrar and the holders of the Bonds, the terms upon which the Bonds are issued and the terms and conditions upon which the Bonds will be deemed to be paid at or before their scheduled maturity or redemption upon the making of provision for the payment thereof in the manner set forth in the Bond Ordinance.

*The Bonds maturing on January 1 20__, are subject to mandatory sinking fund redemption in part, at the selection of the Paying Agent and Bond Registrar by lot, from moneys in the special fund identified hereinafter on each January 1, beginning January 1, 20__, at the principal amount thereof plus accrued interest to the redemption date, according to the following schedule of mandatory sinking fund installments:

<u>January 1</u>	<u>Amount</u>
_____	_____
_____	_____

*This paragraph is to be inserted, and may be repeated, with respect to any Term Bonds as described in Section 4(A) of this Ordinance.

The Bonds maturing on and after January 1, 2023, are subject to redemption by the City, at its option, before maturity on July 1, 2022, and on any date thereafter in whole or from time to time in part in any order of maturity (less than all of a single maturity to be selected by lot by the Paying Agent and Bond Registrar) at the principal amount thereof plus accrued interest to the redemption date.

Not less than thirty (30) days nor more than sixty (60) days before the redemption date of any Bonds, the Paying Agent and Bond Registrar shall cause a notice of redemption to be mailed postage prepaid by first class mail to all registered holders of Bonds to be redeemed in whole or in part at their registered addresses. Failure to mail any notice or any defect therein in respect of any such Bond shall not affect the validity of the redemption of any other Bond. Such redemption notice shall set forth in detail the redemption provisions.

This Bond shall be transferable only upon the presentation and surrender hereof at the designated office of the Paying Agent and Bond Registrar duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Holder or his authorized representative. The Paying Agent and Bond Registrar shall not be required to transfer or exchange this Bond (i) during any period beginning five (5) days before the selection by the Paying Agent and Bond Registrar of Bonds to be redeemed before maturity and ending on the date of mailing of notice of any such redemption or (ii) if this Bond has been selected or called for redemption in whole or in part.

Bonds shall be exchangeable upon the presentation and surrender thereof at the designated office of the Paying Agent and Bond Registrar for a Bond or Bonds of the same maturity, and in the denomination of \$5,000 or any integral multiple thereof, in an aggregate principal amount or amounts equal to the unpaid principal amount of the Bond or Bonds presented for exchange. The Paying Agent and Bond Registrar shall authenticate and deliver Bonds delivered in exchange in accordance herewith.

It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the execution and delivery of this Bond have existed, have happened and have been performed in due time, form and manner as required by law; that the issuance of this Bond and the issue of which it forms a part, together with all other obligations of the City, does not exceed or violate any constitutional or statutory limitations; that provision has been made for the levying and collection of an annual tax, unlimited as to rate or amount, sufficient, to the extent other lawfully available moneys of the City are not provided for the purpose, to pay the principal of and interest on this Bond and the series of which it is a part as and when the several Bonds and interest thereon become due and payable; and that the full faith, credit and taxing power of the City are hereby irrevocably pledged for the prompt payment of this Bond and the series of which it is a part, and the interest thereon, as the same from time to time become due and payable.

(END OF REVERSE OF SERIES 2012C BOND)

Section 7. Mutilated, Lost, Stolen or Destroyed Series 2012C Bonds. In the event any Series 2012C Bond is mutilated, lost, stolen or destroyed, the City may execute and the Paying Agent and Bond Registrar may authenticate and deliver a new Series 2012C Bond of like series, date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Series 2012C Bond, such Series 2012C Bond shall first be surrendered to the Paying Agent and Bond Registrar, and in the case of any lost, stolen or destroyed Series 2012C Bond, there shall be first furnished to the City and the Paying Agent and Bond Registrar evidence of such loss, theft or destruction satisfactory to them and such indemnity as the City and the Paying Agent and Bond Registrar may require. In the event any such Series 2012C Bond shall have matured, in lieu of issuing a duplicate Series 2012C Bond, the City may pay the same without surrender thereof. The City and the Paying Agent and Bond Registrar may charge the holder or owner of such Series 2012C Bond their reasonable fees and expenses in this connection.

Section 8. Registration, Authentication, Transfer and Exchange of Series 2012C Bonds. So long as any Series 2012C Bonds remain outstanding, the Paying Agent and Bond Registrar shall keep and maintain at its designated corporate trust office complete registration books for the Series 2012C Bonds and shall provide for the registration and transfer of Series 2012C Bonds in accordance with the terms of this Ordinance. Each Series 2012C Bond shall be authenticated by the Paying Agent and Bond Registrar. Except as may be otherwise provided in Section 3 hereof for Series 2012C Bonds registered in Book-Entry Form in the name of the Securities Depository or Securities Depository Nominee, each Series 2012C Bond shall be transferable only upon the presentation and surrender thereof at the designated office of the Paying Agent and Bond Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Holder or his authorized representative. Upon receipt of any such Series 2012C Bond, duly endorsed for transfer or accompanied by any assignment for transfer, the Paying Agent and Bond Registrar shall transfer such Series 2012C Bond within a period of three (3) days by reissuing such Series 2012C Bond, duly executed by the City and authenticated by the Paying Agent and Bond Registrar, and delivering the same to the new Registered Holder thereof forthwith.

The Paying Agent and Bond Registrar shall not be required to transfer or exchange any Series 2012C Bond (a) during any period beginning five (5) days before the selection by the Paying Agent and Bond Registrar of Series 2012C Bonds to be redeemed before maturity and ending on the date of mailing of notice of any such redemption or (b) if such Series 2012C Bond has been selected or called for redemption in whole or in part.

Except as may be otherwise provided in Section 3 hereof for Series 2012C Bonds registered in Book-Entry Form in the name of the Securities Depository or Securities Depository Nominee, each Series 2012C Bond shall be exchangeable upon the presentation and surrender thereof at the designated office of the Paying Agent and Bond Registrar for a Series 2012C Bond or Series 2012C Bonds of the same maturity, in the denomination of \$5,000 or an integral multiple thereof, in an aggregate principal amount or amounts equal to the unpaid principal amount of the Series 2012C Bond or Series 2012C Bonds presented for exchange. The Paying Agent and Bond Registrar shall and is hereby authorized to authenticate and deliver Series 2012C Bonds delivered in exchange in accordance herewith. Each Series 2012C Bond delivered in exchange for a surrendered Series 2012C Bond shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Series 2012C Bond or Series 2012C Bonds in lieu of which any Series 2012C Bond is delivered in exchange. Any Series 2012C Bonds surrendered for exchange shall be cancelled by the Paying Agent and Bond Registrar and the Paying Agent and Bond Registrar shall maintain a complete record of all exchanges, transfers and cancellations of Series 2012C Bonds and shall make a report thereof to the City on not less than an annual basis.

Except as may be otherwise provided in Section 3 hereof for Series 2012C Bonds registered in Book-Entry Form in the name of the Securities Depository or Securities Depository Nominee, no service charge or other transfer fee shall be charged to any Bondholder in connection with any transfer or exchange of a Series 2012C Bond. However, the Registered Holder of any Series 2012C Bond may be required to pay an amount equal to any tax or other governmental charge, if any, that may be imposed in connection with the transfer or exchange of any Series 2012C Bond.

Section 9. Destruction of Series 2012C Bonds. Whenever any outstanding Series 2012C Bond shall be delivered to the Paying Agent and Bond Registrar for cancellation thereof pursuant to this Ordinance, upon payment of the principal amount or interest represented thereby or for replacement or exchange, such Series 2012C Bond, following such replacement or exchange, shall be promptly cancelled and destroyed by the Paying Agent and Bond Registrar and counterparts of a certificate of destruction evidencing such destruction shall be furnished by the Paying Agent and Bond Registrar to the City.

All Series 2012C Bonds which have been redeemed shall not be reissued but shall be cancelled and destroyed by the Paying Agent and Bond Registrar in accordance with this Section.

Section 10. Appointment and Duties of Paying Agent and Bond Registrar. The City hereby appoints The Bank of New York Mellon Trust Company, N.A., Louisville, Kentucky or its successor as Paying Agent and Bond Registrar in respect of the Series 2012C Bonds. The Paying Agent and Bond Registrar shall maintain a complete and current record of each Series 2012C Bond issued, the name and address of each owner (Registered Holder) of any Series 2012C Bonds and such additional information as may be required for compliance with applicable laws and regulations. The Paying Agent and Bond Registrar will also make all payments of interest on the Series 2012C Bonds and pay principal of the Series 2012C Bonds as herein provided.

The recitals of fact herein and in the Series 2012C Bonds contained shall be taken as the statements of the City and the Paying Agent and Bond Registrar assumes no responsibility for the correctness of the same. The Paying Agent and Bond Registrar makes no representations as to the validity or sufficiency of this Ordinance or of any Series 2012C Bonds issued thereunder or in respect of the security afforded by this Ordinance, and the Paying Agent and Bond Registrar shall not incur any responsibility in respect thereof. The City shall, however, be responsible for its representations contained in the Series 2012C Bonds. The Paying Agent and Bond Registrar shall not be under any responsibility or duty with respect to the issuance of the Series 2012C Bonds for value or the application of the proceeds thereof or the application of any moneys paid to the City. The Paying Agent and Bond Registrar shall be under no obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. The Paying Agent and Bond Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. The Paying Agent and Bond Registrar may consult with counsel, who may or may not be of counsel to the City, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever the Paying Agent and Bond Registrar shall deem it necessary or desirable that a matter be proved or established before taking or suffering any action hereunder, including payment of moneys out of any fund, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by an authorized officer of the City and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Ordinance upon the faith thereof, but in its discretion the Paying Agent and Bond Registrar may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidences as to it may seem reasonable. Except as otherwise expressly provided herein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Paying Agent and Bond Registrar shall be sufficiently executed if executed in the name of the City by its Mayor, City Clerk or Finance Director of the City. The Paying Agent and Bond Registrar may execute any of its trusts or powers and perform any of its duties under this Ordinance by or through attorneys, agents or employees. The Paying Agent and Bond Registrar shall not be liable for any action taken or omitted under this Ordinance so long as it shall have acted in good faith and without negligence.

The City shall pay to the Paying Agent and Bond Registrar from time to time reasonable compensation for all services rendered under this Ordinance, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Ordinance. The City further agrees to indemnify and hold the Paying Agent and Bond Registrar harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, and which are not due to its negligence or willful misconduct. This indemnification shall survive the termination of this Ordinance.

The Paying Agent and Bond Registrar may become the owner of any Series 2012C Bonds, with the same rights it would have if it were not the Paying Agent and Bond Registrar. The Paying Agent and Bond Registrar and any other fiduciary may act as depository for, or

permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Series 2012C Bonds or this Ordinance, whether or not any such committee shall represent the holders of a majority in principal amount of the Series 2012C Bonds then outstanding.

The Paying Agent and Bond Registrar may resign following the giving of thirty (30) days prior written notice to the City. The Paying Agent and Bond Registrar shall then deliver the balance of the moneys or assets then in its possession to a successor Paying Agent and Bond Registrar as shall be appointed in writing by the City. If the City fails to appoint a successor before the expiration of thirty (30) days following receipt of the notice of resignation, the Paying Agent and Bond Registrar may petition any court of competent jurisdiction for the appointment of a successor Paying Agent and Bond Registrar.

Any entity into which the Paying Agent and Bond Registrar may be merged or converted or with which it may be consolidated or any entity resulting from any merger, conversion or consolidation to which it shall be a party or any entity to which the Paying Agent and Bond Registrar may sell or transfer all or substantially all of its corporate trust business, provided such entity shall be authorized by law to perform all the duties imposed upon it by this Ordinance, shall be the successor to the Paying Agent and Bond Registrar without the execution or filing of any paper or the performance of any further act, anything herein to the contrary notwithstanding.

Section 11. Application of Series 2012C Bond Proceeds: Advance Refunding and Defeasance of 2004 KRWFC Loan.

(A) Application of Series 2012C Bond Proceeds. The Series 2012C Bond proceeds shall be applied, pursuant to the written instructions of the Mayor or the Finance Director of the City, as follows:

(1) There shall first be paid from the Series 2012C Bond proceeds the contractual fee of the Financial Advisor, the fee and any expenses of the Bond Registrar and Paying Agent, counsel fees and expenses, rating service fees and any other necessary appropriate fees and expenses with respect to the issuance of the Series 2012C Bonds and the advance refunding of the 2006 KRWFC Loan. For this purpose, the City may cause the establishment of a special account to be applied by or at the direction of the Mayor or the Finance Director of the City for payment of such expenses within sixty (60) days of issuance of the Series 2012C Bonds; provided any balance in the special account not needed to pay expenses shall be transferred to the Bond Fund.

(2) Next, any remaining proceeds of the Series 2012B Bonds, together with such other legally available funds of the City as may be necessary (including the portion of the City of Pikeville Water and Sewer System Revenue Bond Sinking Fund continued by the 2004 KRWFC Assistance Agreement and allocable to the 2004 KRWFC Loan), calculated as of the issuance of the Series 2012C Bonds and the simultaneous defeasance of the 2006 KRWFC Loan, shall be applied to the advance refunding of the 2004 KRWFC Loan by the payment of the portion of the 2004 KRWFC Loan maturing on January 1, 2013, and the redemption on January 1, 2013 of the portion of the 2004 KRWFC Loan maturing after that date at 101.0% of

par and the payment of all interest accrued on the 2004 KRWFC Loan to January 1, 2013. Such Series 2012C Bond proceeds and other moneys shall be deposited with The Bank of New York Mellon Trust Company, N.A., Cincinnati, Ohio, in a special escrow fund to be held, invested and paid in accordance with an Escrow Agreement (the "Escrow Agreement") between the City and said bank, as Escrow Agent (the "Escrow Agent"), for the purpose of advance refunding the 2004 KRWFC Loan by providing for the payment of the interest when due on the 2006 KRWFC Loan, the payment of that portion of the 2004 KRWFC Loan maturing on January 1, 2013, and the redemption of that portion of the 2004 KRWFC Loan maturing after January 1, 2013 at 101.0% of par. Sums in the escrow fund established under the Escrow Agreement (the "Escrow Fund") shall be immediately invested in direct obligations of or obligations guaranteed by the United States Government, including without limitation book-entry obligations of the United States Treasury-State and Local Government Series ("SLGS"), or in bank certificates of deposit fully secured by such United States Government direct or guaranteed obligations, which shall be scheduled to mature and pay interest at such times and in such amounts as will accomplish the described advance refunding objective. The Mayor and the Finance Director of the City, or the City's Financial Advisor upon the direction of any of the foregoing, are hereby (a) authorized to act on behalf of the City in obtaining commitments directly, or through the designee of any of them, for the purchase of such United States obligations, including the filing of subscriptions for SLGS, and (b) authorized and directed to execute the Escrow Agreement on behalf of the City in such form as the Mayor or the Finance Director of the City may approve, upon the advice of the Financial Advisor. The Escrow Agreement shall not be subject to any pledge or lien of this Ordinance.

(3) Any remaining proceeds shall be deposited into the Bond Fund.

(B) The City hereby determines and declares that when the deposits set out in subsection (A) above are made (upon delivery and receipt of the proceeds of the Series 2012C Bonds) and other actions are provided to be taken pursuant to the 2004 KRWFC Loan as conditions precedent to the redemption of the 2006 KRWFC Loan, then the pledges and commitments securing the 2004 KRWFC Loan pursuant to the 2006 KRWFC Assistance Agreement shall be deemed to have been defeased, released and discharged, and the payment of the 2004 KRWFC Loan shall be deemed to have been satisfied, provided that the provisions of the 2004 KRWFC Loan with respect to redemption and payment of the 2004 KRWFC Loan shall continue in effect until the 2004 KRWFC Loan is fully paid on January 1, 2013.

Section 12. Tax Levy and Pledge; Bond Fund; Certain Utilities Revenue Transfers.

(A) Tax Levy and Pledge; Bond Fund. For the purpose of providing funds required to pay the interest on the Series 2012C Bonds as and when the interest becomes due and in order to create a sinking fund to pay and discharge the principal thereof as the Series 2012C Bonds become due, there shall be and there is hereby levied upon all of the taxable property within the City, beginning in 2012 and continuing in each year as long as any of the Series 2012C Bonds are outstanding, a direct annual tax sufficient, to the extent other lawfully available moneys of the City are not provided, for that purpose as mandatorily required by Section 159 of the Constitution of Kentucky, and such tax shall be unlimited as to rate or amount. The proceeds derived from said special annual tax levied from time to time, together with other lawfully available moneys of the City provided for the purpose, shall be deposited and carried in the Bond

Fund. The proceeds of said special annual tax and the balances accumulated from time to time in the Bond Fund are hereby irrevocably pledged for the purpose of paying the interest on and principal of the Series 2012C Bonds and shall never be used for any other purpose. The City hereby covenants with the holders of the Series 2012C Bonds that it will levy said special annual tax in each year at whatever rates may be necessary from time to time in order to produce the amounts required in each year, to the extent funds are not otherwise provided, to pay the Series 2012C Bonds and interest when and as they mature or become due.

If principal or interest should fall due in any year at a time when there are insufficient funds on hand, collected by reason of the foregoing special tax levy, such principal and interest shall be paid from other available funds of the City and reimbursement therefor shall be made out of the special tax hereby provided, when the same shall have been collected.

All moneys held in the Bond Fund, which shall be depleted as of January 2 of each year except for a carryover amount not exceeding the greater of the earnings on the Bond Fund or one-twelfth of the principal and interest payments on the Series 2012C Bonds for the preceding year ending January 1, to the extent not invested as hereinafter provided, shall be deposited in a bank or banks designated by the Mayor or the Finance Director of the City which are members of the Federal Deposit Insurance Corporation ("FDIC"), and all such deposits which cause the aggregate deposits of the City in any one bank to be in excess of the amount insured by FDIC or one of its agencies shall be continuously secured by a valid pledge of Investment Obligations of the types described in items (A), (B) and (C) of Section 13 hereof having an equivalent market value. All or any part of the Bond Fund may be invested in Investment Obligations, as hereinafter defined in Section 13, maturing or being subject to retirement at the option of the holder on such dates as the same may be needed for meeting interest and/or principal payments, and all such investments shall be carried to the credit of the Bond Fund.

(B) Certain Utilities Revenue Transfers. The following obligations of the City will remain outstanding after the issuance of the Series 2012B Bonds and the current refunding of the Refunded Obligations pursuant thereto and the issuance of the Series 2012C Bonds and the advance refunding of the 2004 KRWFC Loan pursuant thereto:

- (1) \$606,380.84 outstanding principal amount of the "Series 2006 Bonds;
- (2) \$1,500,000.00 outstanding principal amount of the Series 2010S-1 Bonds; and
- (3) \$1,837,000.00 outstanding principal amount of the Series 2010S-2 Bonds.

The Mossy Water Assistance Agreement, as amended and supplemented by the KIA Assumption Agreement and a new 2012 Second Supplemental Assistance Agreement by and between the City and the Kentucky Infrastructure Authority (as amended and supplemented, the "KIA Assistance Agreement"), provides that (i) the 2006 KIA Loan is secured by a pledge of the revenues of the former Mossy Bottom Sewer System and (ii) such pledge is subordinate to the pledge securing the Series 2010S-1 Bonds, the Series 2010S-2 Bonds and any parity bonds

issued pursuant to the requirements of the 2010S-1 Ordinance and the 2010S-2 Ordinance (together the "Build America Bond Ordinances").

The Build America Bond Ordinances provide that (i) the Series 2010S-1 Bonds and the Series 2010S-2 Bonds are secured by a pledge of the revenues of the System and the City may issue additional bonds ranking on a basis of parity and equality with the Series 2010S-1 Bonds and the Series 2010S-2 Bonds for the purpose of paying the costs of extensions, additions and improvements to the System upon a showing of compliance with the parity bond coverage test set forth in the Build America Bond Ordinances. Also, it is provided in the Build America Bond Ordinances that the City may incur obligations the security and source of payment of which are subordinate and subject to the priorities of the Series 2010S-1 Bonds and the Series 2010S-2 Bonds and any additional parity bonds and may apply any excess revenues of the System to the payment of subordinate obligations payable from System revenues and for any lawful purpose related solely to the System.

The proceeds of the Series 2012C Bonds will be used to advance refund the 2004 KRWFC Loan, a majority of the proceeds of which were used to refinance the costs of prior projects of the System. Given that the City has previously used the revenues of the System to pay the debt service for the 2004 KRWFC Loan, the City has elected to, and does hereby, order the transfer of excess System revenues to the City's General Fund on a timely basis in amounts sufficient to reimburse the General Fund for the payment of semiannual debt service on the Series 2012C Bonds, which order to make transfers is and shall be (a) on a basis subordinate and subject to in all respects the contractual rights and priorities existing in favor of the holders of the 2006 KIA Loan, the Series 2010S-1 Bonds, the Series 2010S-2 Bonds and any future parity bonds issued under the Build America Bond Ordinances, and (b) for the sole benefit of the City's General Fund and not in any respect for the benefit or security of the holders of the Series 2012C Bonds.

The City also has outstanding its General Obligation Bonds, Series 2010 (the "Series 2010 Bonds") authorized by an Ordinance of the City adopted on September 27, 2010 (the "2010 Ordinance"). The 2010 Ordinance directs that the City's payment of debt service on the Series 2010 Bonds also be paid using the transfer of excess System revenues to the City's General Fund (a) on a basis subordinate and subject to in all respects the contractual rights and priorities existing in favor of the holders of the 2006 KIA Loan, the Series 2010S-1 Bonds, the Series 2010S-2 Bonds and any future parity bonds issued under the Build America Bond Ordinances; and (b) for the sole benefit of the City's General Fund and not in any respect for the benefit or security of the holders of the Series 2010 Bonds.

The City, by concurrent proceedings, has also approved the issuance of its General Obligation Bonds, Series 2012B (the "Series 2012B Bonds") by an Ordinance of the City adopted on this date (the "2012B Ordinance"). The 2012B Ordinance directs that the City's payment of debt service on the Series 2012B Bonds also be paid using the transfer of excess System revenues to the City's General Fund (a) on a basis subordinate and subject to in all respects the contractual rights and priorities existing in favor of the holders of the 2006 KIA Loan, the Series 2010S-1 Bonds, the Series 2010S-2 Bonds and any future parity bonds issued under the Build America Bond Ordinances; and (b) for the sole benefit of the City's General Fund and not in any respect for the benefit or security of the holders of the Series 2012B Bonds.

Section 13. Investments. As used in this Ordinance, the term "Investment Obligations" shall mean any of the following, if and to the extent the following are legal investments for the moneys held in the Bond Fund established pursuant to this Ordinance:

- (A) Obligations of the United States and of its agencies and instrumentalities, including obligations subject to repurchase agreements, if delivery of these obligations subject to repurchase agreements is taken either directly or through an authorized custodian, which investments may be accomplished through repurchase agreements reached with sources including, but not limited to, national or state banks chartered in Kentucky;
- (B) Obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States or a United States government agency, including but not limited to: (i) United States Treasury; (ii) Export-Import Bank of the United States; (iii) Government National Mortgage Corporation; and (iv) Merchant Marine;
- (C) Obligations of any corporation of the United States government, including but not limited to: (i) Federal Home Loan Mortgage Corporation; (ii) Federal Farm Credit Banks; (iii) Bank for Cooperatives; (iv) Federal Intermediate Credit Banks; (v) Federal Land Banks; (vi) Federal Home Loan Banks; (vii) Federal National Mortgage Association; and (viii) Tennessee Valley Authority;
- (D) Certificates of deposit issued by or other interest bearing accounts of any bank or savings and loan institution, including the Paying Agent and Bond Registrar or any of its affiliates, which are insured by the Federal Deposit Insurance Corporation or similar entity or which are collateralized, to the extent uninsured, by any obligations, including surety bonds, permitted by Section 41.240(4) of the Kentucky Revised Statutes;
- (E) Uncollateralized certificates of deposit, time deposits, trust accounts, trust deposits and demand deposits, including interest bearing money market accounts, of any bank or savings and loan institution, including the Paying Agent and Bond Registrar or any of its affiliates, rated in one of the three highest categories by a nationally recognized rating agency;
- (F) Bankers' acceptances for banks, including the Paying Agent and Bond Registrar or any of its affiliates, rated in one of the three highest categories by a nationally recognized rating agency;
- (G) Commercial paper rated in the highest category by a nationally recognized rating agency, including commercial paper issued by the Paying Agent and Bond Registrar or any of its affiliates, if so rated;
- (H) Bonds or certificates of indebtedness of the Commonwealth of Kentucky and of its agencies and instrumentalities;

- (I) Securities issued by a state or local government, or any instrumentality or agency thereof, in the United States, and rated in one of the three highest categories by a nationally recognized rating agency; and
- (J) Shares of mutual funds, each of which shall have the following characteristics:
 - (i) The mutual fund shall be an open-end diversified investment company registered under the Federal Investment Company Act of 1940, as amended;
 - (ii) The management company of the investment company shall have been in operation for at least five years;
 - (iii) All of the securities in the mutual fund shall be investments in any one or more of the investments described in (A) through (I) above; and
 - (iv) The mutual funds may include, without limitation, any mutual fund for which the Paying Agent and Bond Registrar or any of its affiliates serves as investment manager, administrator, shareholder servicing agent, and/or custodian or subcustodian, notwithstanding that (1) the Paying Agent and Bond Registrar or any of its affiliates receives fees from such funds for services rendered, (2) the Paying Agent and Bond Registrar or any of its affiliates charges and collects fees for services rendered pursuant to this Ordinance, which fees are separate from the fees received from such funds, and (3) services performed for such funds and pursuant to this Ordinance may at times duplicate those provided to such funds by the Paying Agent and Bond Registrar or its affiliates.

Section 14. Contractual Nature of Ordinance. The provisions of this Ordinance shall constitute a contract between the City and the holders of the Series 2012C Bonds; and after the issuance of the Series 2012C Bonds, no change or alteration of any kind in the provisions of this Ordinance shall be made except as herein provided until such time as all of the Series 2012C Bonds and the interest thereon have been paid or defeased; provided (a) that the Board of Commissioners of the City may adopt an ordinance, resolution or municipal order to evidence the succession of another bank or trust company as Paying Agent and Bond Registrar or for any other purpose not inconsistent with the terms of this Ordinance which shall not impair the security of the holders of the Series 2012C Bonds, or for the purpose of curing any ambiguity or of curing, correcting or supplementing any defective or inconsistent provisions contained herein; and (b) provided further, that the holders of eighty percent (80%) in principal amount of the Series 2012C Bonds shall have the right to consent to and approve the adoption of ordinances or other proceedings modifying or amending any of the terms or provisions contained in this Ordinance, subject to the condition that this Ordinance shall not be so modified in any manner that may adversely affect the rights of any holders without similarly affecting the rights of all

holders of the Series 2012C Bonds or to reduce the percentage of the number of holders whose consent is required to effect a further modification.

Section 15. Events of Default; Bondholders' Remedies. Each of the following items shall constitute an "event of default" on the part of the City:

(A) The failure to pay principal of any Series 2012C Bonds when due and payable, either at maturity or by proceedings for redemption;

(B) The failure to pay any installment of interest on Series 2012C Bonds when the same shall become due and payable or within thirty (30) days thereafter; and

(C) The default by the City in the due or punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Series 2012C Bonds or in this Ordinance.

Upon the occurrence of an "event of default" as defined above, any holder of Series 2012C Bonds may either at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel performance by the City and its officers and agents of all duties imposed or required by law or by this Ordinance, including the levying and collection of sufficient taxes and the application thereof in accordance with the provisions of this Ordinance.

Section 16. Sale of Series 2012C Bonds. It is hereby ordered that a Notice of Bond Sale be published in the newspapers required by law soliciting sealed, competitive bids for the purchase of the Series 2012C Bonds, the same to be received by the Finance Director of the City at her office in Pikeville, Kentucky, until a specified hour and day, as determined by the Mayor, the City Clerk or the Finance Director of the City (which time for receipt of bids may be rescheduled by the Mayor, the City Clerk or the Finance Director of the City, upon the advice of the Financial Advisor, J.J.B. Hilliard, W.L. Lyons, LLC (the "Financial Advisor")). The bids theretofore received shall be publicly opened and then considered by the Financial Advisor on behalf of the City, and the best bid or bids, as the case may be, shall be determined by the Financial Advisor, with the approval of the Mayor, the City Clerk or the Finance Director of the City. The City reserves the right to increase or to decrease by an amount not exceeding \$155,000 (in \$5,000 denominations) the total amount of Series 2012C Bonds sold to the best bidder by increasing or decreasing any of the stipulated principal maturities, and the right to adjust principal maturities without changing the total amount of Series 2012C Bonds sold. In the event of any such adjustment, no rebidding or recalculating of the bids submitted will be required or permitted. The price at which such adjusted amount of Series 2012C Bonds will be sold will be at the same price per \$1,000 of Series 2012C Bonds as the price bid per \$1,000 for the aggregate principal amount of Series 2012C Bonds stipulated in the successful bid.

Bidders shall have the option of specifying that all of the principal amount of Series 2012C Bonds maturing on any two or more consecutive dates set out in the schedule in Section 2(A) hereof may, in lieu of maturing on each of such dates, be combined to comprise one maturity of Series 2012C Bonds ("Term Bonds") scheduled to mature on the latest of such dates and be subject to mandatory sinking fund redemption at par in the manner described in Section 4(A) hereof on each of the dates and in the principal amounts as set out in said schedule (subject

to adjustment as herein provided), except for the principal amount of Series 2012C Bonds scheduled to mature on the date of maturity of the Term Bonds, which shall mature on such date. Bidders may specify one or more of such Term Bonds.

The Notice of Bond Sale shall be published as required by law, not less than seven (7) days and not more than twenty-one (21) days in advance of the date stated therein for the opening and consideration of purchase bids, making reference to the Notice and Official Terms and Conditions of Bond Sale and the Preliminary Official Statement hereinafter described. In the Notice and Official Terms and Conditions of Bond Sale hereinafter described, bidders shall be instructed, among other things, to offer a specified price in dollars and cents for the Series 2012C Bonds, to specify one or more interest rates of their own choosing in multiples of 1/8 or 1/20 of 1% and not more than one rate to be stipulated for a single maturity, to offer a price in dollars and cents for the entire issue of Series 2012C Bonds and not to offer less than 98.0% of par value.

The Financial Advisor, which will not submit a bid or bids for the Series 2012C Bonds at the public sale thereof, is acting as financial advisor to the City in connection with the issuance of the Series 2012C Bonds and will receive a fee, payable from Series 2012C Bond proceeds, for its services as Financial Advisor.

Upon the occasion of the receipt of bids, and after examination and analysis by the Financial Advisor and approval of the Mayor, the City Clerk or the Finance Director of the City, or upon approval of the Board of Commissioners by resolution or municipal order, the Mayor, the City Clerk and the Finance Director of the City, or each of them, are hereby authorized to and shall establish the rates of interest on and the total amount and principal maturities and mandatory sinking fund installments, if any, of the Series 2012C Bonds by completion and execution of the acceptance on the Official Bid Form or Official Bid Forms, as the case may be, of the successful bidder or bidders, a copy of which document or documents shall be filed in the official records of the City, provided that the net average interest rate on the Series 2012C Bonds shall not exceed 5.0% per annum.

A Notice of Bond Sale having been prepared in advance by Stoll Keenon Ogden PLLC, Bond Counsel, and having been examined and found to conform to the statutory requirements, said document is hereby approved and shall be signed by the Mayor, the City Clerk or the Finance Director of the City and its use in advertising the Series 2012C Bond sale is approved and authorized.

A Notice and Official Terms and Conditions of Bond Sale having also been prepared in advance, in order to give a more complete description of the Series 2012C Bonds and specific instructions (including conditions not recited herein) calculated to bring about uniformity in the bidding, and containing the Official Bid Forms, and the document having been examined by the Board of Commissioners, is hereby approved and authorized, subject to such modifications in accordance with the provisions and intent of this Ordinance as may be determined by the Financial Advisor and approved by the representative of the City executing the document, and shall be executed by the Mayor, the City Clerk or the Finance Director of the City and furnished to interested bidders who may request it.

In addition to the foregoing, on the recommendation of the Financial Advisor, bids may be taken or submitted electronically (provided all electronic proposals shall be deemed to incorporate in substance the provisions of the Official Bid Form). Any bid transmitted electronically shall be submitted through BIDCOMP/PARITY® and no other provider of electronic bidding services will be accepted. Bidders submitting an electronic proposal must fulfill any requirements of the bidding service provider over and above the requirements of the City set forth in the Notice and Official Terms and Conditions of Bond Sale. Electronic bidding for the Bonds shall be made available to bidders solely as a courtesy by the City. The City shall assume no responsibility or liability for bids submitted through the electronic bidding service provider. Without limiting the generality of the foregoing disclaimers, the City does not assume responsibility for any communications or negotiations between bidders and the electronic bidding service provider, or for any failure of the provider to accurately or timely submit any electronic proposal. Any electronic proposal shall be deemed to incorporate all of the provisions of the applicable Official Bid Form and the Notice and Official Terms and Conditions of Bond Sale. Each bidder shall be solely responsible for making necessary arrangements to access the electronic bidding service provider for purposes of submitting such bidder's bid in a timely manner and in compliance with the requirements of the City. The City shall have no duty or obligation to provide or assure such access to any bidder. The City shall not be responsible for proper operation of, or have any liability for, any delays or interruptions of, or any damages caused by, the provider's service. The City shall use the provider's service solely as a communication mechanism, and not as the City's agent, to conduct the electronic bidding for the Bonds. If any provision in the Notice and Official Terms and Conditions of Bond Sale (herein approved) conflicts with information provided by the electronic bidding service provider, the Notice and Official Terms and Conditions of Bond Sale shall control.

In addition, in connection with the Series 2012C Bond sale, the City has caused to be prepared a Preliminary Official Statement (the "Preliminary Official Statement") setting forth relevant information concerning the issuance of the Series 2012C Bonds, including, *inter alia*, financial data relating to the City. The Preliminary Official Statement and the use thereof by the City in offering and selling the Series 2012C Bonds, with such modifications in accordance with the provisions and intent of this Ordinance as may be recommended by the Financial Advisor and approved by the Mayor, the City Clerk or the Finance Director of the City, is hereby expressly approved, the City, through certain of its officials and employees, having reviewed the Preliminary Official Statement and having found the factual statements and the data therein to be accurate. The Preliminary Official Statement shall be supplemented following sale of the Bonds, and the Mayor is authorized to approve and sign such supplemented or final Official Statement on behalf of the City, which is authorized for distribution in connection with the sale of the Series 2012C Bonds. The Preliminary Official Statement is in a form "deemed final" by the City for purposes of SEC Rule 15c2-12(b)(1) but, as aforesaid, is subject to supplementation and completion following sale of the Series 2012C Bonds. The Mayor, the City Clerk and the Finance Director of the City, and each of them, are also hereby authorized and directed, on the recommendation of the Financial Advisor, to cause the Notice and Official Terms and Conditions of Bond Sale (including the Official Bid Form) and the Preliminary Official Statement and/or the final Official Statement to be posted on the Internet and through one or more nationally recognized municipal market information service providers. The electronic or physical distribution of the Notice and Official Terms and Conditions of Bond Sale (including the Official Bid Form) and the Preliminary Official Statement as herein provided is hereby

ratified, authorized and approved. If any provision in the Notice and Official Terms and Conditions of Bond Sale, herein approved, conflicts with information provided by an electronic information service provider, the Notice and Official Terms and Conditions of Bond Sale as herein approved shall control.

The Mayor, the City Clerk and the Finance Director of the City, and each of them, together with the Financial Advisor, are further authorized to make such modifications to documents, including without limitation the provisions of this Ordinance that are not in conflict with other provisions hereof and are necessary or desirable in connection with any rescheduling of the date of sale of the Series 2012C Bonds as provided in the first paragraph of this Section 16, and to enter into and to execute on behalf of the City any and all certificates, opinions, instruments and documents as may be necessary or desirable to effectuate the sale and issuance of the Series 2012C Bonds.

Section 17. Tax Covenants and Representations. The City certifies, covenants and agrees that so long as any of the Series 2012C Bonds remain outstanding, moneys on deposit in any fund or account in connection with the Series 2012C Bonds, whether or not such moneys were derived from the proceeds of the sale of the Series 2012C Bonds or from any other sources, will not be invested or used in a manner which will cause the Series 2012C Bonds to be "arbitrage bonds" within the meaning of Sections 103(b)(2) and 148 of the United States Internal Revenue Code of 1986, as amended (the "Code"), and any lawful regulations promulgated or proposed thereunder, as the same presently exist, or may from time to time hereafter be amended, supplemented or revised. The Mayor, the City Clerk and the Finance Director of the City, as the officers of the City charged with the responsibility for issuing the Series 2012C Bonds, and each of them, are authorized and directed, for and on behalf of the City, to execute all papers, documents, certificates and other instruments that may be required for evidencing compliance with federal tax rules, and any representations and certifications contained in such papers, documents, certificates and other instruments so executed shall be deemed to constitute representations and certifications of the City.

The City further represents, warrants, agrees, covenants and certifies as follows:

- (A) Within the meaning of Section 141 of the Code, and the Income Tax Regulations issued thereunder, over the term of the Series 2012C Bonds (i) less than 10% of the proceeds of the Series 2012C Bonds, if any, will be applied for any private business use, and the payment of the principal of or interest on less than 10% of the amount of the Series 2012C Bonds, if any, will be secured directly or indirectly by any interest in property used for a private business use, or payments in respect of such property, or will be derived directly or indirectly from payment (whether or not to the City) in respect of such property; (ii) at least 90% of the proceeds of the Series 2012C Bonds will be applied for a governmental use of the City; (iii) any private business use of the facilities refinanced by the Series 2012C Bonds will be related to such governmental use of the City and will not be unrelated or disproportionate; and (iv) none of the proceeds of the Series 2012C Bonds will be used, directly or indirectly, to make or finance loans to private persons. It is reasonably expected that over the term of

the Series 2012C Bonds (a) the facilities refinanced by the Series 2012C Bonds will be available for general public use, in that it will be reasonably available for use by natural persons not engaged in a trade or business on the same basis as any other person or entity, (b) no nongovernmental person will have any special legal entitlement to use the facilities refinanced by the Series 2012C Bonds and (c) there will be no direct or indirect payment made with respect to the facilities refinanced by the Series 2012C Bonds or the security of the Series 2012C Bonds by any persons or entities other than payment by the general public as described in clause (A) above.

- (B) The City will take all action necessary to comply with the applicable arbitrage rebate requirements of Section 148(f) of the Code in respect of the Series 2012C Bonds.
- (C) The Series 2012C Bonds are not federally guaranteed within the meaning of Section 149(b) of the Code.
- (D) The City will comply with the information reporting requirements of Section 149(e) of the Code.
- (E) It is reasonably expected that, during the term of the Series 2012C Bonds, the facilities refinanced by the Series 2012C Bonds will not be disposed of; provided, however, should there be any disposition of any personal property constituting a part of the facilities refinanced by the Series 2012C Bonds because it is no longer suitable for its governmental purpose, it is reasonably expected that the fair market value of such personal property will not exceed 25% of its cost.
- (F) The weighted average maturity of the Series 2012C Bonds does not exceed 120% of the weighted average useful life of the facilities comprising the facilities refinanced by the Series 2012C Bonds.
- (G) The City will not use or permit the use of any of the funds provided by the Series 2012C Bonds in such a manner as to, or take or omit to take any action which would, impair the exclusion from gross income for federal income tax purposes of interest on the Series 2012C Bonds. The City shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the City on the Series 2012C Bonds shall, for the purposes of federal income taxation, be excludable from gross income.
- (H) Within the meaning of Section 265(b) of the Code, the Series 2012C Bonds are "qualified tax-exempt obligations" and are hereby so designated by the City for purposes of Section 265(b)(3) of the Code, and in this connection the City states that the reasonably anticipated amount of qualified tax-exempt obligations (excluding private activity bonds other

than qualified 501(c)(3) bonds) which will be issued by the City during calendar year 2012 does not exceed \$10,000,000.

- (I) There are no other obligations of the City which are sold or issued at substantially the same time as the Series 2012C Bonds are sold pursuant to a common plan of financing together with the Series 2012C Bonds, or are payable out of substantially the same source of funds (or will have substantially the same claim to be paid out of substantially the same source of funds) as the Series 2012C Bonds other than the City's General Obligation Bonds, Series 2012B.

Section 18. Defeasance. The City reserves the right at any time to cause the pledge of this Ordinance securing any Series 2012C Bonds to be defeased and released by paying an amount into an escrow fund sufficient, when invested (or sufficient without such investment, as the case may be) in direct obligations of the United States Government to assure the availability in such escrow fund of an adequate amount (a) to call for redemption and to redeem and retire all of such Series 2012C Bonds, both as to principal and interest, on the next or any optional redemption date, including all costs and expenses in connection therewith, and to pay all principal and interest falling due on such Series 2012C Bonds to and on said date, or (b) to pay all principal and interest requirements on such Series 2012C Bonds as the same mature, without redemption in advance of maturity, the determination of whether to defease under (a) or (b) or both to be made by the Board of Commissioners. Such United States Government obligations shall have maturities that will assure there will be sufficient funds for such purpose. If such defeasance is to be accomplished pursuant to (a), the City shall take all steps necessary to send notice of the redemption of such Series 2012C Bonds on the applicable redemption date. Upon the proper amount of United States Government obligations being placed in escrow and so pledged, the pledge of this Ordinance securing such Series 2012C Bonds shall be automatically fully defeased and released without any further action being necessary.

The immediately foregoing provisions are subject to the limitation that no such termination and release of the pledge of this Ordinance shall be accomplished through the use of any funds or investments which, in the opinion of the City's Bond Counsel, would adversely affect the exclusion of interest on any such Series 2012C Bonds from gross income for federal income tax purposes.

Section 19. Rebate Fund. The following terms when used hereinafter shall have the indicated meanings:

"Computation Period" means, with respect to the Series 2012C Bonds, the period of time over which Excess Earnings are required to be computed under Section 148(f) of the Code, and applicable regulations thereunder.

"Cumulative Excess Earnings" means the amount of all Excess Earnings earned from the date of original delivery of the Series 2012C Bonds through the end of the relevant computation date, less the amount of any Excess Earnings paid to the United States pursuant to this Section.

“Excess Earnings” means an amount equal to the sum of (i) plus (ii) where:

(i) is the excess of:

(a) the aggregate amount earned on all nonpurpose investments in which gross proceeds of the Series 2012C Bonds are invested (other than investments attributable to an excess described in this clause (i)), over

(b) the amount which would have been earned if such nonpurpose investments (other than amounts attributable to an excess described in this clause (i)) were invested at a rate equal to the yield on the Series 2012C Bonds; and

(ii) is any income attributable to the excess described in clause (i).

The sum of (i) plus (ii) shall be determined in accordance with Section 148(f) of the Code. As used herein, the terms “gross proceeds,” “nonpurpose investments” and “yield” have the meanings assigned to them for purposes of Section 148(f) of the Code.

The City of Pikeville, Kentucky, General Obligation Bonds, Series 2012C Rebate Fund (the “Rebate Fund”), is hereby created. Amounts from time to time held in the Rebate Fund, if any, shall be invested in Investment Obligations (to the extent practicable), shall not be subject to the pledge of this Ordinance, shall not constitute a part of the funds held for the benefit of the holders of the Series 2012C Bonds and shall be dedicated to the United States of America to the extent of any obligation on the part of the City to rebate to the United States Cumulative Excess Earnings.

Within ten (10) days after the end of each Computation Period and within ten (10) days after the payment in full of all outstanding Series 2012C Bonds, the City shall calculate the amount of Cumulative Excess Earnings as of the end of that Computation Period or the date of such payment, and shall also determine the amount then on deposit in the Rebate Fund. If the amount then on deposit in the Rebate Fund is in excess of the Cumulative Excess Earnings, the City shall forthwith deposit that excess amount in the Bond Fund. If the amount then on deposit in the Rebate Fund is less than the Cumulative Excess Earnings, the City shall within ten (10) days deposit in the Rebate Fund an amount sufficient to cause the Rebate Fund to contain an amount equal to the Cumulative Excess Earnings. Within thirty (30) days after the end of the fifth anniversary date of the issuance of the Series 2012C Bonds and every such fifth anniversary date thereafter, the City shall pay to the United States in accordance with Section 148(f) of the Code from the moneys then on deposit in the Rebate Fund an amount equal to 90% (or such greater percentage not in excess of 100% as the City may direct) of the Cumulative Excess Earnings as of the end of such fifth anniversary date. Within sixty (60) days after the payment in full of all outstanding Series 2012C Bonds, the City shall pay to the United States in accordance with Section 148(f) of the Code from the moneys then on deposit in the Rebate Fund an amount equal to 100% of the Cumulative Excess Earnings as of the date of such payment and any moneys remaining in the Rebate Fund following such payment shall be paid to the Bond Fund.

Section 20. Continuing Disclosure. Before the issuance of the Series 2012C Bonds, the City shall execute a Continuing Disclosure Certificate dated the date of issuance and delivery of the Series 2012C Bonds, which document, as originally executed and as it may be amended

from time to time in accordance with the terms thereof, is hereinafter referred to as the "Continuing Disclosure Certificate." The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Ordinance, failure of the City to comply with the Continuing Disclosure Certificate shall not be considered an event of default under this Ordinance; however, any holder of a Series 2012C Bond may take such action as may be necessary to obtain specific performance by court order to cause the City to comply with its obligations under this Section.

Section 21. Holidays. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Ordinance, is not a business day for the Paying Agent and Bond Registrar, such payment may be made or act performed or right exercised on the next succeeding business day with the same force and effect as if done on the nominal date provided in this Ordinance and no interest shall accrue for the period after such nominal date.

Section 22. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held to be invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

Section 23. Repeal of Inconsistent Provisions. All ordinances, resolutions and municipal orders, or parts thereof, in conflict with the provisions of this Ordinance are, to the extent of any such conflict, hereby repealed.

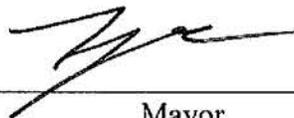

Section 24. Captions. The captions and headings appearing in this Ordinance, as well as the Table of Contents, are for convenience of reference only and in no way define, limit or describe the scope of any sections or provisions of this Ordinance.

Section 25. When Ordinance Effective; Approval of Summary. This Ordinance shall be in full force and effect from and after its adoption as provided by law. The summary of this Ordinance read at the meetings described below, prepared by a licensed attorney at law and including the title of this Ordinance, is hereby specifically approved and adopted for purposes of first and second readings and for the purpose of publication in summary form according to law.

* * *

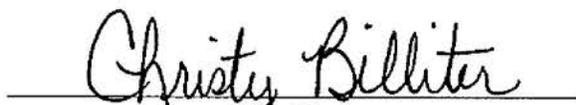

ADOPTED BY THE BOARD OF COMMISSIONERS OF THE CITY OF PIKEVILLE, KENTUCKY, upon second reading at a meeting held on May 14, 2012, following first reading on April 23, 2012; and following such adoption signed by the Mayor as evidence of his approval, ordered to be published in summary form according to law, and declared to be in full force and effect according to law.

APPROVED:

Mayor
City of Pikeville, Kentucky

Attest:

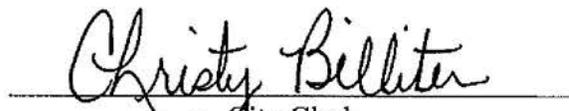

City Clerk

Certification

The undersigned, City Clerk of the City of Pikeville, Kentucky (the "City"), hereby certifies that the foregoing is a true, complete and correct copy of an Ordinance finally adopted upon second reading by the Board of Commissioners of the City at a properly convened meeting of the Board of Commissioners held on May 14, 2012, and signed by the Mayor and attested by me as City Clerk, all as shown by the official records in my custody and under my control. I further certify that (a) an authorized summary of the Ordinance was published on May 18, 2012, in the legal newspaper published in Pikeville, Kentucky, qualified under KRS Chapter 424 to publish legal documents on behalf of the City, and (b) the Ordinance is in full force and effect.

WITNESS my hand this May 30, 2012.

City Clerk
City of Pikeville, Kentucky

AN ORDINANCE OF THE CITY OF PIKEVILLE, KENTUCKY, PROVIDING FOR THE ACQUISITION, CONSTRUCTION AND INSTALLATION OF MAJOR WATER AND SEWER SERVICE ADDITIONS AND IMPROVEMENTS TO THE CITY'S COMBINED WATER AND SEWER SYSTEM; AUTHORIZING THE ISSUANCE OF THE CITY'S WATER AND SEWER REVENUE BONDS, SERIES 2016A, TO PAY A PORTION OF THE COSTS THEREOF, SUCH SERIES 2016A BONDS TO BE ISSUED IN ACKNOWLEDGMENT OF THE SECURITY RIGHTS OF THE HOLDER OF A CERTAIN PREVIOUSLY ISSUED AND OUTSTANDING OBLIGATION; CONFIRMING AND CONTINUING PROVISIONS FOR THE COLLECTION, SEGREGATION, DISTRIBUTION AND DISBURSEMENT OF THE REVENUES OF THE SYSTEM, AND FOR THE ALLOCATION THEREOF TO VARIOUS SPECIAL FUNDS PREVIOUSLY CREATED IN ORDER TO PROVIDE FOR THE ORDERLY PAYMENT OF THE PRINCIPAL OF AND INTEREST ON THE SERIES 2016A BONDS HEREIN AUTHORIZED; CONFIRMING AND CONTINUING CONDITIONS AND RESTRICTIONS UNDER WHICH ADDITIONAL BONDS MAY BE ISSUED IN THE FUTURE, PAYABLE FROM SUCH REVENUES AND RANKING ON A BASIS OF PARITY WITH THE SERIES 2016A BONDS HEREIN AUTHORIZED AND OTHER PARITY BONDS OUTSTANDING; PROVIDING FOR THE RIGHTS OF THE HOLDERS OF THE SERIES 2016A BONDS HEREIN AUTHORIZED AND THE ENFORCEMENT THEREOF; AND PROVIDING FOR AN ADVERTISED, PUBLIC, COMPETITIVE SALE OF THE SERIES 2016A BONDS HEREIN AUTHORIZED.

PREAMBLE

WHEREAS, all capitalized terms used but not otherwise defined in this preamble shall have the meanings set forth in Section 2.01 of this Series 2016A Bond Ordinance, unless the context or use clearly indicates another meaning or intent; and

WHEREAS, the City has long owned and operated the System and currently has outstanding and payable from the revenues of the System the following revenue bonds and obligations:

- (i) the 2006 KIA Loan, currently outstanding in an aggregate principal amount of \$407,669.50, the 2006 KIA Loan having been assumed by the City from the Mountain Water District pursuant to the 2008 Assumption Agreement; and
- (ii) the Series 2010S-1 Bonds, currently outstanding in an aggregate principal amount of \$1,426,000.00, the Series 2010S-1 Bonds having been authorized and issued by the City pursuant to the Series 2010S-1 Bond Ordinance; and

- (iii) the Series 2010S-2 Bonds, currently outstanding in an aggregate principal amount of \$1,746,000.00, the Series 2010S-2 Bonds having been authorized and issued by the City pursuant to the Series 2010S-2 Bond Ordinance; and

WHEREAS, the 2006 KIA Loan is payable from and is secured by a first pledge of the revenues of the System derived from the Mossy Bottom Sewer System acquired by the City from the Mountain Water District; and

WHEREAS, the Series 2010 Bonds are payable from and are secured by a pledge of the revenues of the System on a parity one with another, but in a manner subordinate to the 2006 KIA Loan to the extent such revenues are derived from the Mossy Bottom Sewer System; and

WHEREAS, in order to finance the costs of additions and improvements to the System, the City may issue additional bonds on a parity with the Second-Lien Bonds, but in express recognition of the priorities, pledges and rights created and existing for the security, source of payment and protection of the 2006 KIA Loan, pursuant to the parity bond provisions of the Second-Lien Bond Ordinances by obtaining the consent and waiver of USDA as the holder of the Series 2010 Bonds; and the necessary consent and waiver of USDA has been obtained so that the Series 2016A Bonds may be authorized and issued on a basis of parity with the Second-Lien Bonds; and

WHEREAS, plans and specifications have been prepared by the Engineers and approved by the City and all state and other supervisory authorities having jurisdiction thereof, for the acquisition, construction, and installation of the Project; and it is the opinion and determination of the Commission of the City that it is feasible to undertake the acquisition, construction, and installation of the Project at this time; and

WHEREAS, it has been determined upon the basis of public bids for construction duly solicited in the manner required by law, and upon the basis of other costs and estimates, that the amount of the costs of the Project will be \$5,880,994 and to provide such funds the City has received from the USDA an offer to make a loan to the City in the amount of \$3,166,000, to be represented by the Series 2016A Bonds, which together with (a) two USDA grants in an aggregate amount of \$1,334,000; and (b) an Coal Severance grant in the amount of \$1,380,994, will be sufficient to pay the estimated costs of constructing, acquiring, and installing the Project; and

WHEREAS, it is now appropriate for the City to authorize the aggregate borrowing of \$3,166,000 through the issuance and sale of the Series 2016A Bonds in the aggregate principal amount of \$3,166,000 pursuant to the authority of KRS Chapter 58; and the Series 2016A Bonds shall be payable as to both principal and interest solely from the income and revenues to be derived from the operation of the System, as extended and improved from time to time, on a parity with the Second-Lien Bonds and subordinate to the 2006 KIA Loan to the extent of revenues derived from the Mossy Bottom Sewer System and shall not constitute an indebtedness of the City within the meaning of debt limitation provisions of the Constitution of the Commonwealth;

NOW, THEREFORE, THE BOARD OF COMMISSIONERS OF THE CITY OF PIKEVILLE, KENTUCKY, DOES HEREBY RESOLVE AS FOLLOWS:

ARTICLE I
AFFIRMATION OF PREAMBLE

All references in this Series 2016A Bond Ordinance to designated “Articles,” “Sections” and other subdivisions are to the designated Articles, Sections and other subdivisions of this Series 2016A Bond Ordinance as originally executed. The words “herein,” “hereof” and “hereunder” and other words of similar import refer to this Series 2016A Bond Ordinance as a whole and not to any particular Article, Section or other subdivision unless the context indicates otherwise.

ARTICLE III
AUTHORIZATION OF THE PROJECT;
DECLARATION OF NECESSITY

The Commission hereby determines and declares it to be necessary and in the interests of the general welfare of the citizens and inhabitants of the City for the City undertake the construction and installation of the Project, all substantially according to the plans, specifications

and designs prepared for the City by the Engineers. The prior undertaking of the initial construction and installation of the Project by representatives of the City is hereby approved.

ARTICLE IV
PROJECT AND SYSTEM TO BE MUNICIPALLY
OWNED AND OPERATED

The City has undertaken the construction, acquisition, and installation of the Project for public purposes and the Project shall constitute and be a part of the System, and so long as any of the Second-Lien Bonds, the Series 2016A Bonds or Additional Parity Bonds shall remain outstanding and unpaid as to principal or interest, the City shall continue to municipally own, control, operate, and maintain the System for the security and source of payment of the Second-Lien Bonds, the Series 2016A Bonds, and such Additional Parity Bonds. The Project is to be acquired, constructed, installed and the System is to be operated pursuant to the provisions of KRS Chapter 58, now in full force and effect. The System, as expanded from time to time, and including the Project, is hereby declared to be a public project within the meaning and application of KRS 58.010 to 58.140, inclusive.

ARTICLE V
ACKNOWLEDGMENT OF OUTSTANDING PRIOR OBLIGATIONS
AND PRIOR SECURITIES THEREOF;

The City acknowledges that it has previously issued or incurred, and that there are outstanding at this time, the 2006 KIA Loan and the Series 2010 Bonds. The Series 2016A Bonds authorized herein shall be subordinate as to security and source of payment to the 2006 KIA Loan so long as the same is outstanding and unpaid. The Series 2016A Bonds will be secured on a parity as to security and source of payment with the Second-Lien Bonds. The City acknowledges and affirms that the 2006 KIA Loan possesses prior and superior rights and pledges with respect to the revenues of the System derived from the City's operating of the Mossy Bottom Sewer System, and nothing in this Series 2016A Bond Ordinance shall be construed as impairing, amending or in any way diminishing said security rights, pledges, and interests. The City hereby agrees and covenants that so long as the Series 2016A Bonds remain outstanding, it will not issue Additional Parity Bonds without the prior written consent of USDA.

ARTICLE VI
AUTHORIZATION OF SERIES 2016A BONDS

For the purpose of providing funds to defray the costs of the Project (to the extent not otherwise provided to be paid), including all necessary and proper appurtenances, and expenses incident thereto and incident to the issuance of the Series 2016A Bonds hereinafter authorized, there are hereby authorized to be issued the City's Water and Sewer System Revenue Bonds, Series 2016A, in the aggregate principal amount of \$3,166,000, with reservation of rights on the part of the City to issue Additional Parity Bonds in the future, payable from the income and

revenues of the System, subject to the conditions and restrictions hereinafter reaffirmed, readopted, and set forth.

ARTICLE VII
 CERTAIN TERMS AND DETAILS
OF THE SERIES 2016A BONDS

Section 7.01. Principal and Interest. The Series 2016A Bonds shall be dated as of the date of delivery to the original purchaser thereof; shall mature in installments on January 1 in each of the years 2018 to 2055, inclusive, as set forth in the schedule appearing below; and shall bear interest from its date until payment of principal, such interest to the principal maturity dates to be payable semiannually on January 1 and July 1 of each year, and such interest to be at such rate as may be established by an ordinance or municipal order of the City upon the basis of competitive sale of the Series 2016A Bonds as hereinafter provided. The installments of principal of the Series 2016A Bonds, in fully registered form as aforesaid, shall be as set forth in the following schedule:

Series 2016A Bonds:

<u>Year</u>	<u>Principal</u>	<u>Year</u>	<u>Principal</u>
2018	\$48,500	2037	\$81,000
2019	49,500	2038	83,000
2020	51,000	2039	85,500
2021	52,500	2040	87,500
2022	54,000	2041	90,000
2023	55,500	2042	92,500
2024	57,000	2043	95,000
2025	58,500	2044	98,000
2026	60,000	2045	100,500
2027	61,500	2046	103,000
2028	63,500	2047	106,000
2029	65,000	2048	109,000
2030	67,000	2049	112,000
2031	68,500	2050	115,000
2032	70,500	2051	118,000
2033	72,500	2052	121,500

2035	76,500	2054	128,000
2036	78,500	2055	131,000

provided, however, that installments of principal of the Series 2016A Bonds maturing on and after January 1, 2027, shall be subject to prepayment at the option of the City before maturity in whole or from time to time in part in inverse order of maturities (less than all of a single maturity to be selected by lot) on any interest payment date on and after January 1, 2026, upon terms of par plus accrued interest without any prepayment premium, upon thirty days' prior written notice

mailed to the registered holder or holders of the Series 2016A Bonds; provided, however, that so long as USDA is the owner of any of the Series 2016A Bonds the same may be prepaid in whole or in part at any time at par plus accrued interest, and without notice or prepayment premium. The City may prepay Series 2016A Bonds only in increments of \$500.

Section 7.02. Method of Payment. Both principal of and interest on the Series 2016A Bonds shall be payable, without deduction for exchange or collection charges, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of debts due the United States of America, to the registered holder at the address shown on the registration books of the City or, so long as USDA is the registered holder, at the office or address as may be designated by USDA from time to time.

Section 7.03. Changes in City Officials. If any City officer whose signature appears on any Series 2016A Bond shall cease to be such officer before delivery, such signature shall nevertheless be valid and binding for all purposes, the same as if such officer had continued in office until the time of delivery of such Series 2016A Bond.

Section 7.04. Series 2016A Bonds Payable From Sinking Fund. Principal of and interest on the Second-Lien Bonds, the Series 2016A Bonds, and any Additional Parity Bonds shall be payable only out of the Sinking Fund and shall be a valid claim of the holder thereof only against the Sinking Fund and the fixed portion or amount of the revenues of the System which the City has pledged to the Sinking Fund, subject to the priorities set out in ARTICLE V.

ARTICLE VIII
PROVISIONS RELATING TO THE SALE
OF THE SERIES 2016A BONDS

Section 8.01. Publication of Notice of Bond Sale. The City shall publically offer the Series 2016A Bonds authorized by this Series 2016A Bond Ordinance for sale according to a Notice of Bond Sale conforming to the requirements of KRS Chapter 424, which shall be published one time, not less than seven days nor more than twenty-one days before the date therein specified (by and at the discretion of the Mayor of the City) for the opening and consideration of purchase bids, in each of the following: (a) Appalachian News-Express, a legal newspaper published in Pikeville, Kentucky, which is qualified under KRS 424.120 to publish advertisements for the City; and (b) The Courier-Journal, Louisville, Kentucky, a legal newspaper having statewide circulation.

Section 8.02. Contents of Notice of Bond Sale. The Notice of Bond Sale shall state the name and amount of the Series 2016A Bonds to be sold, the time of the sale and other details concerning the Series 2016A Bonds and the sale and shall inform prospective bidders that a copy of the Official Notice of Bond Sale, setting out the maturities, security of the Series 2016A Bonds, provisions as to redemption before maturity, and related information, may be obtained from the City. Such Official Notice shall contain, *inter alia*, substantially the following bidding requirements:

(a) Bidder Qualifications. Bidders shall be limited to institutions or persons having knowledge and experience in financial and business matters who are capable of evaluating the merits and risks of the Series 2016A Bonds and who are not purchasing for more than one account and do not intend to redistribute the Series 2016A Bonds. The City will make available to any such qualified bidder, upon written request, any financial or other material information regarding the City and the System in the City's possession.

(b) Bid Price. Bidders must bid a cash price of not less than par value for the Series 2016A Bonds.

(c) Interest Rate. Bidders must bid a single interest rate for the Series 2016A Bonds in a multiple of 1/8 or 1/10 of one percent.

(d) No Partial Bids. The City will only consider bids to purchase all of the Series 2016A Bonds.

(e) Good Faith Deposit. The successful Bidder (except USDA) must deposit a good faith check by cashier's check or certified check in the minimum amount of 2.0% of the face amount of the Series 2016A Bonds for which the bid was submitted, which the City may apply either as a partial payment for the Series 2016A Bonds or as liquidated damages if the bidder fails to comply with the terms of its bid.

(f) Net Interest Cost. The City will give preference in award to the bid resulting in the lowest net interest cost to the City. The City will determine the lowest net interest cost by deducting the total amount of any premium bid from the aggregate amount of interest upon the Series 2016A Bonds bid for, computed from the first day of the month following the date of sale of the Series 2016A Bonds (even though the Series 2016A Bonds will bear interest only from the date of delivery) to the final maturity specified in the bid.

(g) Timing of Delivery. The City expects to deliver, and the successful bidder must be prepared to accept delivery of and pay for, the Series 2016A Bonds at the office of the City within forty-five days after notice is given of the award. If the Series 2016A Bonds are not ready for delivery and payment within forty-five days from the aforesaid date of sale, the successful bidder shall be relieved of any liability to accept delivery of the Series 2016A Bonds, except that Series 2016A Bonds purchased by any agency of the federal government will be delivered to it at a place and time designated by such agency in accordance with its established practices and procedures.

(h) Waiver or Rejection of Bids. The City reserves the right, in its discretion, to determine the best bid or bids, to waive any informality or irregularity and to reject any or all bids.

(i) Closing Deliveries. The City will furnish the successful bidder the Series 2016A Bonds and customary closing documents, including a no-litigation certificate.

(j) Bond Counsel Opinion. The City will provide the successful bidder the approving legal opinion of Stoll Keenon Ogden PLLC, Bond Counsel, Louisville, Kentucky, as

to the legality of and tax-exempt status of interest on the Series 2016A Bonds, without additional cost to the successful bidder.

(k) Right to Re-advertise Sale. The City may re-advertise the sale pursuant to this Series 2016A Bond Ordinance if it receives no bid for the Series 2016A Bonds, or rejects all bids received.

Section 8.03. Approval of Sale Documents. The Commission hereby approves the form of the Notice of Bond Sale and the Official Notice of Bond Sale, together with the Official Bid Form, previously provided by Bond Counsel to the City and hereby approves their use in connection with the sale of the Series 2016A Bonds.

ARTICLE IX
SERIES 2016A BONDS TO BE ISSUED IN
FULLY REGISTERED FORM;
BOND REGISTRAR

Section 9.01. Fully Registered Form. Upon the sale of the Series 2016A Bonds, the City shall issue a single fully registered Series 2016A Bond numbered R-1 for the Series 2016A Bonds. The Fully Registered Bond shall be in the aggregate principal amount of the Series 2016A Bonds, maturing as to principal in installments as set out in Section 7.01 hereof. The Fully Registered Bond shall be of type composition, on paper of sufficient weight and strength to prevent deterioration until the last day of maturity of any installment of principal as stated therein, and shall conform in size to standard practice. The Fully Registered Bond shall, upon execution on behalf of the City (which execution shall be by manual signatures of the Mayor and City Clerk, and actual impression of the corporate seal), constitute the Series 2016A Bond issue herein authorized and referred to, shall be non-negotiable, without interest coupons, registered as to principal and interest, payable as directed by the payee, and be in substantially the form set forth in ARTICLE X.

Section 9.02. Designation and Duties of Bond Registrar. The City hereby directs that books for the registration and for the transfer of the Fully Registered Bond shall be kept by the City Clerk, who is hereby appointed as Bond Registrar in connection with such Fully Registered Bond. The Fully Registered Bond shall be transferable only upon said Bond Registrar's books at the request of the registered holder thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the City Clerk duly executed by the registered holder or his duly authorized attorney. Upon such transfer of the Fully Registered Bond, the Bond Registrar shall complete (with the name of the transferee), date and execute the registration schedule appearing on such Fully Registered Bond and deliver the Fully Registered Bond to such transferee. The person in whose name a Fully Registered Bond shall be properly registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of either principal thereof or interest thereon shall be made only to or upon the order of the registered holder thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon a Fully Registered Bond to the extent of the sum or sums so paid. The face amount of the Fully Registered Bond, portions of which mature

on different dates, will be reduced upon the payment of each maturity, and the City Clerk shall keep appropriate records of all payments (both principal and interest) with respect to the Fully Registered Bond.

ARTICLE X
FORM OF SERIES 2016A BONDS

The Fully Registered Bond shall be in substantially the following form (with appropriate insertions):

This Bond is the Bond in fully registered form representing a total authorized series of Bonds in the principal amount of \$[_____] issued by the City pursuant to the Constitution and Statutes of the Commonwealth of Kentucky, including among others Chapter 58 of the Kentucky Revised Statutes, and pursuant to a duly adopted Ordinance of the City, for the purpose of paying the costs (to the extent not otherwise provided to be paid) of the acquisition, construction and installation of major water and sewer service improvements and additions to the City's combined

municipal water and sewer system (the "System"), together with appurtenant facilities, and incidental expenses.

This Bond and the series which it represents, together with the bonds ranking on a parity therewith that have previously been issued and are outstanding and such additional parity bonds that may subsequently be issued and outstanding from time to time in accordance with the conditions and restrictions set forth in the ordinance authorizing the issuance of this Bond, are payable from and secured by a subordinated pledge of a fixed portion of the income and revenues to be derived from the operation of the System, subject to the priorities hereinafter recited, which fixed portion shall be sufficient to pay the principal of and interest on this Bond and the issue which it represents, and any outstanding parity bonds, as and when the same shall become due and payable, and which shall be set aside as a special fund for that purpose and identified as the "Water and Sewer System Sinking Fund of 2007" (the "Sinking Fund"); provided, however, the City has outstanding a certain loan repayment obligation to the Kentucky Infrastructure Authority, which is secured by pledges of the income and revenues of the System which are prior and superior to the security rights created for this Bond and the issue which it represents; and so long as any of said prior obligation is outstanding and unpaid, the City will comply in all respects with the requirements of the ordinances authorizing said obligations and it is acknowledged that this Bond and the issue which it represents are subject to the prior pledges and rights related to System revenues securing said outstanding prior obligation so long as the same remains outstanding and unpaid.

This Bond does not in any manner constitute an indebtedness of the City within the meaning of the Statutes and Constitution of Kentucky, and the City is not and shall not be obligated to pay this Bond or the interest hereon except from said special fund. The City, acting by and through its Commission, covenants that it will fix, and if necessary adjust from time to time, such rates and charges for use of the services and facilities of the System and will collect and account for the income and revenues therefrom sufficient, after providing for the requirements of the ordinances and agreements authorizing said outstanding prior bonds and obligations, to pay promptly the interest on and principal of this issue of Bonds and all other bonds ranking on a parity therewith as may be issued and outstanding from time to time in accordance with the conditions and restrictions prescribed in that connection, as well as to pay the costs of operation and maintenance of the System.

This Bond shall be registered as to principal and interest in the name of the holder hereof, after which it shall be transferable only upon presentation to the City Clerk, as the Bond Registrar, with a written transfer duly acknowledged by the registered holder or his duly authorized attorney, which transfer shall be noted upon this Bond and upon the books of the City kept for that purpose.

The City, at its option, shall have the right to prepay, on any interest payment date on and after January 1, 2026, in the inverse chronological order of the installments due on this Bond, the entire principal amount of this Bond then remaining unpaid, or such lesser portion thereof in multiples of Five Hundred Dollars (\$500) as the City may determine, at a price in an amount equivalent to the principal amount to be prepaid plus accrued interest to the date of prepayment, without any prepayment premium. Notice of such prepayment shall be given by registered mail to the registered holder of this Bond at least thirty days before the date fixed for prepayment.

Provided, however, that so long as the United States of America, Department of Agriculture, is the registered holder of this Bond, this Bond may be prepaid at any time, in whole or in part, at par or face value and without notice or prepayment premium.

Upon default in the payment of any principal or interest payment on this Bond or upon failure by the City to comply with any other provisions of this Bond or with the provisions of the Ordinance authorizing the issuance of this Bond, the registered holder may, at his option, institute proceedings to enforce all rights and remedies provided by law or by said ordinance.

This Bond is exempt from *ad valorem* taxation in the Commonwealth of Kentucky.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law, and that the face amount of this Bond, being the total authorized amount of Bonds of the series which this Bond represents, together with all other obligations of the City, does not exceed any limit prescribed by the Constitution or Statutes of the Commonwealth of Kentucky.

IN WITNESS WHEREOF, the City of Pikeville, in the Commonwealth of Kentucky, has caused this Bond to be executed by its Mayor, attested by the City Clerk, and its corporate seal to be hereunto affixed, on the date of this Bond, which is _____.

ARTICLE XI
DESIGNATION OF DEPOSITORY BANK

The Treasurer of the City shall be the custodian of all funds belonging to and associated with the System, as expanded and improved from time to time, and such funds shall be deposited in the Depository Bank. All such moneys of the City deposited in the Depository Bank in excess of the amount insured by the FDIC shall be secured by the Depository Bank in accordance with 31 C.F.R 202.6. The Treasurer shall execute a fidelity bond in an amount and with a surety company approved by USDA so long as it is the holder of any of the Series 2016A Bonds; and USDA and the City shall be named co-obligees in such surety bond, and the amount thereof shall not be reduced without the written consent of USDA.

ARTICLE XII
DISPOSITION OF SERIES 2016A BOND PROCEEDS;
CONSTRUCTION FUND

Section 12.01. Establishment of Fund. The City hereby creates the Construction Fund for the purposes described below. Upon the issuance and delivery of the Series 2016A Bonds, the City shall deposit the entire proceeds thereof in the Construction Fund. The Series 2016A Bond proceeds shall constitute a part of the Construction Fund and shall be applied, to the extent necessary, in paying the costs incident to constructing, installing and acquiring the Project, including expenses incurred in the issuance of the Series 2016A Bonds and paying interim financing obligations (both principal and interest) incurred in connection with the Project as authorized by the separate interim financing municipal order of the Commission of the City previously adopted; provided, however, any Series 2016A Bond proceeds used to pay such interim financing obligations may be disbursed directly to the appropriate lending institution(s) without being deposited to the Construction Fund.

Section 12.02. Disbursements. The City shall make disbursements from the Construction Fund by checks signed by one or more officers of the City, and such disbursements shall be authorized and approved in writing by the Mayor and, if USDA is the purchaser of the Series 2016A Bonds, by USDA.

Section 12.03. Security of Deposit in Excess of FDIC Limits. Pending disbursement, the Series 2016A Bond proceeds shall be deposited, as aforesaid, in the Construction Fund, and to the extent that such deposit causes the aggregate deposits by the City in the Depository Bank to be in excess of the amount insured by FDIC, the same shall be secured by a surety bond or bonds furnished by a surety company or companies qualified to do business in the Commonwealth and approved by the Commission of the City, or by a valid pledge of direct obligations of the United States Government, or obligations as to which the payment of principal and interest are guaranteed by the United States Government, having a market value at least equivalent to such deposit.

Section 12.04. Investment. Where the moneys on deposit in the Construction Fund exceed the estimated disbursements on account of the Project for the next thirty days, the City shall direct the Depository Bank to invest such excess funds in direct obligations of, or obligations the principal of and interest on which are guaranteed by, the United States Government, which shall mature not later than six months after the date of such investment and which shall be subject to redemption at any time by the holder thereof. The earnings from any such investments shall be deposited in the Construction Fund by the City, unless otherwise authorized by USDA.

Section 12.05. Excess Proceeds. If any unexpected balance shall remain in the Construction Fund after completion of the Project and payment of all costs thereof, as certified by the Engineers, the remaining balance shall be transferred and deposited in the Sinking Fund and shall be used at the earliest practicable date for the retirement of Series 2016A Bonds by purchase thereof (or principal prepayment) in inverse maturity order.

Section 12.06. Payment of Interest Using Construction Proceeds. If any amount set aside from Series 2016A Bond proceeds to pay interest during the construction and development of the Project should be insufficient, the City may withdraw additional moneys from the Construction Fund to pay additional interest expense if USDA approves the use of the Series 2016A Bond proceeds for such purpose.

Section 12.07. Lien and Charge in Favor of Bondholders. Series 2016A Bond proceeds deposited to and held in the Construction Fund shall be subject to a first and paramount lien and charge in the favor of the holders of the Series 2016A Bonds then issued and outstanding until used to pay costs as permitted by Section 12.01.

ARTICLE XIII
OPERATION OF SYSTEM; FLOW OF FUNDS;
ACCUMULATION OF REVENUES

All proceedings preliminary to and in connection with the issuance of the Second-Lien Bonds, particularly the Second-Lien Bond Ordinances, whereby provision was made for the operation of the System on a revenue-producing basis, for the segregation, allocation and custody of revenues derived from the operation of the System, and for the enforcement and payment of the Second-Lien Bonds, are hereby ratified and confirmed and shall continue in full force and effect, the same as if such provisions and proceedings were herein set out in full, and

nothing herein shall be construed as altering, revising or amending said contractual relationships; and so long as the Second-Lien Bonds remain outstanding and unpaid, the City shall maintain all funds and accounts required to be maintained and created or continued by the terms of the Second-Lien Bond Ordinances.

Consistent with the foregoing, it is hereby resolved and provided that from and after issuance and delivery of the Series 2016A Bonds, and so long as any of the Second-Lien Bonds, the Series 2016A Bonds, or Additional Parity Bonds remain outstanding and unpaid, the System shall continue to be operated on a fiscal year basis, and on that basis the cash income and revenues of the System shall be collected, segregated, accounted for and distributed as follows:

(a) The City shall continue the Revenue Fund and maintain the Revenue Fund with the Depository Bank; and the City covenants and agrees that it will deposit therein, promptly as received from time to time, all cash income and revenues of the System. The moneys in the Revenue Fund from time to time shall be allocated to the respective funds and accounts and shall be used and applied by the City only for the purposes, and in the manner and order of priorities, specified in the Second-Lien Bond Ordinances and other prior revenue bond-authorizing ordinances of the City. After making from the Revenue Fund the separate account allocations and all disbursements and payments required to be made in fulfillment of the contractual commitments made in connection with the 2006 KIA Loan, the moneys in the Revenue Fund from time to time shall be used and disbursed and applied by the City, as permitted by applicable statutes, as follows:

(b) The City shall continue the Sinking Fund and maintain the Sinking Fund so long as any of the Second-Lien Bonds, the Series 2016A Bonds, or any Additional Parity Bonds are outstanding; and all moneys deposited therein from time to time shall be used and disbursed and applied, and are hereby irrevocably pledged, solely for the purpose of paying the principal of and interest on the Second-Lien Bonds, the Series 2016A Bonds, and any Additional Parity Bonds that may be issued and outstanding from time to time pursuant to the provisions of this Series 2016A Bond Ordinance.

Following delivery of and payment for the Series 2016A Bonds herein authorized, there shall be transferred on or before the 20th day of each month from the Revenue Fund (having due regard to the priorities in connection with the 2006 KIA Loan) to the Sinking Fund, in addition to the transfers prescribed by the Series 2010 Bond Ordinances for the account of the Series 2010 Bonds, not less than the following amounts:

- (i) beginning with and including the month in which interest shall last be payable from all Series 2016A Bond proceeds, a sum equal to one-sixth (1/6) of the next succeeding interest installment to become due on all Series 2016A Bonds then outstanding; provided that before the first interest payment date next succeeding the issuance of the Series 2016A Bonds an amount shall be paid into the Sinking Fund sufficient to make up any insufficiency therein in order to pay the interest due on such first interest payment date; and

- (ii) a sum equal to one-twelfth (1/12) of the principal of all Series 2016A Bonds maturing on the next succeeding January 1.

If Additional Parity Bonds are issued pursuant to the conditions and restrictions hereinafter prescribed, the monthly deposits to the Sinking Fund shall be increased to provide for payment of interest thereon and the principal thereof as the same respectively become due.

Moneys from time to time in the Sinking Fund may be held in cash, in which event the same shall be secured (to the extent not insured by FDIC) by a valid pledge of bonds, notes or certificates of indebtedness of the United States Government having at all times an equal market value; or the same may, upon order of the Commission, be invested and reinvested in interest-bearing obligations of, or obligations the principal of and interest on which are guaranteed by, the United States Government, maturing no later than five years from the date the investment is made, or the final maturity date of the Second-Lien Bonds, the Series 2016A Bonds, or any Additional Parity Bonds, whichever date is the earliest. Income from any such investments shall be accumulated in the Sinking Fund, and may be invested in the same manner.

* * * * *

The City has previously, by the Second-Lien Bond Ordinances, continued special funds for purposes of the Second-Lien Bonds and the System, identified as the City's "Water and Sewer Revenue Bond and Interest Redemption Fund" (including the Debt Service Reserve therein), the "Operation and Maintenance Fund," and the "Depreciation Fund." All provisions relating to those identified special funds are hereby ratified, readopted and affirmed; those funds shall continue to be maintained according to the ordinances establishing the same; and so long as the Series 2016A Bonds herein authorized are outstanding, the Revenue Fund, the Operation and Maintenance Fund and the Depreciation Fund shall continue in effect, with the City making such monthly transfers to the Operation and Maintenance Fund and the Depreciation Fund from the Revenue Fund as are required by the terms of the Second-Lien Bond Ordinances. The City shall also make monthly deposits of \$3,850 (\$46,200 annually) into a special, segregated account within the Depreciation Fund in respect of the Series 2016A Bonds to fund the costs of short-lived water system assets. Additionally, for the account of the Series 2016A Bonds, the City shall make monthly deposits of \$1,130 into a special, segregated account in the Depreciation Fund until the account reaches \$135,600, such deposits to be resumed when the account falls below \$135,600.

ARTICLE XIV
CITY OFFICIALS TO BE BONDED

The City will cause each municipal officer or other person having custody of any moneys administered under the provisions of this Series 2016A Bond Ordinance to be bonded at all times in an amount equal to the maximum amount of such moneys in his custody at any time. The City will segregate and earmark such funds, consistent with this Series 2016A Bond Ordinance, in such manner as to enable the City to obtain the benefit of the lowest possible surety premium rates on such surety bond or bonds. Each such bond shall have a surety given by a surety corporation qualified or authorized to do business in the Commonwealth, and approved by the

Commission of the City, and the premium of such surety bond shall constitute a proper expense of operating and maintaining the System, and may be paid from the moneys available in the Operation and Maintenance Fund.

ARTICLE XV
ADOPTION OF BUDGET OF CURRENT EXPENSES

The City covenants and agrees that before the delivery of the Series 2016A Bonds, the City will adopt a budget of current expenses for the operation of the System for the remainder of the current fiscal year, and thereafter, on or before the first day of January of each year before the year of final maturity of the Series 2016A Bonds or of any bonds ranking on a parity therewith, the City will adopt an annual budget of current expenses for the ensuing fiscal year, and will furnish a copy of such annual budget or amendments thereto, upon request, to any bondholder. Current expenses shall include all reasonable and necessary costs of operating, repairing, maintaining and insuring the System, but shall exclude payments into the Sinking Fund and the Depreciation Fund. The City further covenants that the current expenses incurred in any year shall not exceed the necessary and reasonable amounts required therefor, and that the City will not expend any amount or incur any obligations for operation, maintenance and repair in excess of the amounts provided for current expenses in the current annual budget, except on proper justification and resolution by the governing body of the City, that such expenditures are necessary to operate and maintain the System. The City further covenants that at the same time and in like manner, the City shall prepare an estimate of gross revenues to be derived from the operation of the System for said fiscal year and that sufficient gross revenues shall be provided, through the maintenance of proper rates and charges (and through the increase thereof if necessary), to satisfy the requirements of all of the provisions contained in this Series 2016A Bond Ordinance, including the accumulation and maintenance of all required reserves specified herein.

ARTICLE XVI
RATES AND CHARGES FOR SERVICES OF THE SYSTEM

While the Series 2016A Bonds authorized hereunder, or any of them, remain outstanding and unpaid, the rates for all services and facilities rendered by the System to the City and to its citizens, corporations, or others requiring the same, shall be reasonable and just, taking into account and consideration the cost and value of the System, the cost of maintaining and operating the same, the proper and necessary allowances for depreciation thereof, and the amounts necessary for the retirement of all bonds and the accruing interest on all such bonds as may be outstanding under the provisions of this Series 2016A Bond Ordinance, and there shall be charged such rates and amounts as shall be adequate to meet all requirements of the provisions of this Series 2016A Bond Ordinance. Particularly, without limiting the foregoing, such rates and charges shall be adequate at all times to produce net revenues, as defined in subsection (b) of Section 17.02 hereof, equal to at least 120% of the maximum annual debt service requirement for any fiscal year for the 2006 KIA Loan, the Second-Lien Bonds, the Series 2016A Bonds, and any Additional Parity Bonds then outstanding.

Compensation for service and facilities rendered to the City shall be paid for out of the corporate funds of the City by monthly payments into the Revenue Fund the same as other income and revenues of the System are paid, and shall then be apportioned as other income and revenues thereof are required by this Series 2016A Bond Ordinance to be apportioned among the various funds. Before the issuance of the Series 2016A Bonds a schedule of rates and charges for the services afforded by the System to all users adequate to meet all requirements of this Series 2016A Bond Ordinance has been established and adopted.

The City further covenants that it will not reduce the rates and charges for the services rendered by the System without first filing with the City Clerk a certification of an Independent Consulting Engineer to the effect that the annual net revenues (defined as gross revenues less essential operation and maintenance expenses) of the then existing System for the fiscal year preceding the year in which such reduction is proposed, as such annual revenues are adjusted, after taking into account the projected reduction in revenues anticipated to result from such proposed rate decrease, are equal to not less than 130% of the maximum debt service requirements in any fiscal year thereafter for principal of and interest on all of the then outstanding bonds and notes, if any, payable from the revenues of the System, calculated in the manner specified in Section 17.02 hereof.

ARTICLE XVII
INFERIOR BONDS; ADDITIONAL PARITY BONDS;
SURPLUS FACILITIES

Section 17.01. Inferior Bonds. Except as provided below in this Section 17.01, the City shall not so long as any of the Series 2016A Bonds authorized herein and any bonds ranking on a parity therewith are outstanding, issue any additional bonds payable from the revenues of the System or any part thereof unless the lien or pledge or the revenues or other security to secure such additional bonds is made inferior and subordinate in all respects to the security of the Series 2016A Bonds authorized herein.

The City expressly reserves the right at any time or times to issue bonds or other obligations payable from the revenues of the System and subordinate to the 2006 KIA Loan, the Second-Lien Bonds, and the Series 2016A Bonds, without any proof of previous earnings or net revenues, but only if such bonds or other obligations are issued to provide for extensions, additions, or improvements to the System, and such inferior bonds whenever issued may only be issued with express recognition of the priorities, liens, and rights created and existing for the security, source of payment, and protection of the 2006 KIA Loan, the Second-Lien Bonds, and the Series 2016A Bonds; provided, however, that nothing in this Section 17.01 is intended to restrict, or shall be construed as a restriction upon, the ordinary refunding of and of the Second-Lien Bonds, the Series 2016A Bonds, or any Additional Parity Bonds.

Section 17.02. Parity Bonds to Finance Future Extensions, Additions or Improvements; Conditions or Showings Required. The City further reserves the right to add new waterworks or sewer facilities, or related auxiliary facilities, or to finance future extensions, additions or improvements to the System by the issuance of one or more additional series of bonds to be

secured by a parity lien on and ratably payable from the revenues of the System pledged to the Second-Lien Bonds, and Series 2016A Bonds, provided that:

- (a) The facility or facilities to be constructed from the proceeds of the Additional Parity Bonds issued for that purpose is or are made a part of the System and its or their revenues are pledged as additional security for the Second-Lien Bonds, the Series 2016A Bonds, and any Additional Parity Bonds then outstanding.
- (b) There shall have been procured and filed with the City Clerk a statement by an Independent Accountant reciting the opinion based upon necessary investigation that the net revenues of the System for twelve consecutive months out of the preceding eighteen months (with adjustments as hereinafter provided) were equal to at least 1.20 times the average annual debt service requirement for both principal and interest on the 2006 KIA Loan, the Second-Lien Bonds, the Series 2016A Bonds, and any Additional Parity Bonds then outstanding and the bonds then proposed to be issued. "Net revenues" as herein used are defined as gross income and revenues of the System less operating expenses, which shall include salaries, wages, cost of maintenance and operation, cost of water purchased, if any, materials and supplies, pumping costs, insurance, and all other items that are normally and regularly so included under recognized accounting practices, together with debt service on obligations subordinate to the Series 2016A Bonds, but exclusive of allowances for depreciation. Gross income and revenues shall include income from investments, connection charges and disconnection charges.

Such "net revenues" may be adjusted for the purpose of the foregoing computations to reflect (i) any revisions in the schedule of rates or charges being imposed at the time of the issuance of any such Additional Parity Bonds, and also to reflect (ii) any increase in such net revenues projected by reason of the revenues anticipated to be derived from the extensions, additions or improvements to the System being financed (in whole or in part) by such Additional Parity Bonds; provided such latter adjustment shall be made only if contracts for the immediate acquisition or construction of such extensions, additions or improvements have been or will have been entered into (secured by 100% performance bond) before the issuance of such Additional Parity Bonds. All of such adjustments shall be based upon the written certification of an Independent Consulting Engineer.

Compliance with the foregoing subparagraphs of this subsection (b) shall not be necessary if the City obtains the written consent of USDA for the issuance of such Additional Parity Bonds.

The interest payment dates for all Additional Parity Bonds shall be semiannually on January 1 and July 1 of each year and the principal and interest maturities thereof shall be on January 1 of the year in which any such principal is scheduled to become due.

The Additional Parity Bonds, the issuance of which is restricted and conditioned by this Section 17.02, shall be understood to mean bonds payable from the income and revenues of the

System on a parity with the Second-Lien Bonds, the Series 2016A Bonds, and any bonds subsequently issued on a parity therewith and shall not be deemed to include nor to prohibit the issuance of any other obligations, the security and source of payment of which is subordinate and subject to the priority of the payments into the Sinking Fund for the 2006 KIA Loan, the Second-Lien Bonds, and the Series 2016A Bonds.

Section 17.03. Priority of Lien; Permissible Disposition of Surplus or Obsolete Facilities; Conditions. The City covenants and agrees that so long as any of the Series 2016A Bonds are outstanding, the City will not sell or otherwise dispose of any of the facilities of the System, or any part thereof, and, except as provided for above, it will not create or permit to be created any charge or lien on the revenues of the System ranking equal or superior to the charge or lien of the Series 2016A Bonds. Notwithstanding the foregoing, the City may at any time permanently abandon the use of, or sell at the fair market value, any part of the facilities of the System, provided that:

- (a) It is in compliance with all covenants and undertakings in connection with all of the bonds and the obligations then outstanding and payable from the revenues of the System, and the Debt Service Reserve for such bonds has been fully established and is being maintained at the stipulated level;
- (b) It will, in the event of any such sale, apply the proceeds to either (i) redemption of outstanding bonds in accordance with the provisions governing prepayment of bonds in advance of maturity or purchase of bonds in the open market at not exceeding the next applicable redemption price, or (ii) replacement of the facility so disposed of by another facility, the revenues of which shall be incorporated into the System as hereinbefore provided;
- (c) It certifies, in good faith, before any abandonment of use, that the facility or facilities to be abandoned are no longer economically feasible of producing net revenues; and
- (d) It certifies, in good faith, that the estimated net revenues of the remaining facilities of the System for the then next succeeding fiscal year, plus the estimated net revenues of the facility or facilities, if any, to be added to the System, comply with the earnings requirements hereinbefore provided in the provisions and conditions governing the issuance of Additional Parity Bonds.

Section 17.04. Redemption Provisions Applicable to Additional Parity Bonds. If, in connection with any subsequently issued Additional Parity Bonds, it is provided that excess revenues in the Revenue Fund shall be used to redeem bonds in advance of scheduled maturity, or if the City at its option undertakes to redeem outstanding bonds in advance of scheduled maturity, it is agreed and understood:

- (a) That calls of bonds will be applied to each series of parity bonds on an equal pro-rata basis (reflecting the proportion of the original amount of each series of bonds outstanding at the time of such call); and
- (b) That calls of bonds for each series of bonds will be in accordance with the call provisions of the respective series of bonds.

ARTICLE XVIII
ALL BONDS ARE EQUAL

Subject to the requirements and conditions of ARTICLE XVII, the Series 2010 Bonds, the Series 2016A Bonds and any Additional Parity Bonds shall not be entitled to priority one over the other in the application of the income and revenues of the System regardless of the time or times of their issuance, it being the intention that there shall be no priority among the Second-Lien Bonds, the Series 2016A Bonds, and any such Additional Parity Bonds under the provisions of this Series 2016A Bond Ordinance, despite that such bonds or obligations may be issued and delivered at different times.

ARTICLE XIX
INSURANCE

Section 19.01. Fire and Extended Coverage. If and to the extent that the System includes structures above ground level, the City shall, if such insurance is not already in force, procure fire and extended coverage insurance on the insurable portions of the System; and the City shall, if such insurance is not already in force, procure fire and extended coverage insurance on the insurable portion of all of the System facilities, the revenues of which are pledged to the security of the Series 2016A Bonds. The foregoing fire and extended coverage insurance shall be maintained so long as any of the Second-Lien Bonds, the Series 2016A Bonds, and any Additional Parity Bonds are outstanding and shall be in amounts sufficient to provide for not less than full recovery whenever a loss from perils insured against does not exceed eighty percent of the full insurable value of the damaged facility. In the event of any damage to or destruction of any part of the System the City shall promptly arrange for the application of the insurance proceeds for the repair or reconstruction of the damaged or destroyed portion thereof.

Section 19.02. Liability Insurance on Facilities. The City shall, if such insurance is not already in force, procure and maintain, so long as any of the Series 2016A Bonds and Additional Parity Bonds are outstanding, public liability insurance relating to the operation of the facilities of the System, with limits of not less than \$200,000 for one person and \$500,000 for more than one person involved in one accident, to protect the City from claims for bodily injury or death; and not less than \$100,000 from claims for damage to property of others which may arise from the City's operations of the System and any other facilities constituting a portion of the System of which the revenues are pledged as security for the Series 2016A Bonds.

Section 19.03. Vehicle Liability Insurance. If and to the extent that the City owns or operates vehicles in the operation of the System, the City shall, if such insurance is not already in

force, procure and maintain, so long as any of the Series 2016A Bonds and Additional Parity Bonds are outstanding, vehicular public liability insurance with limits of not less than \$200,000 for one person and \$500,000 for more than one person involved in one accident, to protect the City from claims for bodily injury or death, and not less than \$100,000 against claims for damage to property of others which may arise from the operation of such vehicles by the City.

Section 19.04. Workers' Compensation Insurance. The City will carry suitable Workers' Compensation Insurance in accordance with law.

ARTICLE XX RECORDS, AUDITS AND REPORTS

Insofar as consistent with the laws of the Commonwealth, the City agrees that so long as any of the Series 2016A Bonds remain outstanding, it will keep proper books of records and accounts, separate from all other records and accounts of the System, showing complete and correct entry of all transactions relating to the System in accordance with generally accepted accounting principles (for facilities of like type and size), in which complete and correct entries shall be made of all pertinent transactions. All such records and books of account shall at all times during normal business hours be subject to the inspection by the holders of 10% or more of the principal amount of the Series 2016A Bonds then outstanding, or by their duly authorized representatives.

The City further covenants that as soon as may be feasible after the close of each fiscal year, and in any event not later than one-hundred eighty days thereafter, the City will cause an audit of the financial affairs of the System to be prepared by an independent public accountant or by a state auditing official, covering the operation of the System for the preceding fiscal year, and that on or before two-hundred ten days after the close of each fiscal year, the City will furnish to any holder of the Series 2016A Bonds who shall request same in writing, copies of such annual audit reports. A copy of said audit report shall be kept on file in the office of the City Clerk, where it will be subject to inspection at any reasonable time by or on behalf of any holder of outstanding Series 2016A Bonds. A condensation of the important facts shown by such report will be mailed to any such bondholder upon request.

ARTICLE XXI GENERAL COVENANTS

The City covenants that so long as any of the Series 2016A Bonds, including any Additional Parity Bonds, are outstanding, as follows:

- (a) It will at all times operate the System on a revenue-producing basis, and will permit no services to be rendered free of charge or without full compensation.
- (b) It will at all times maintain the System in good condition through application of revenues accumulated and set aside for operation and maintenance as herein provided, and will make renewals and

replacements, as the same may be required, through application of revenues accumulated and set aside into the Depreciation Fund.

- (c) It will not permit any competing water or sewer system, public or private, to sell or serve water or sewer service to customers within the City limits and its outside service area, to the extent that the City is legally able to prevent same.
- (d) That pursuant to KRS 96.934 and other applicable legal provisions, the City will cause rates and charges for water and sewer services provided by the System to be billed simultaneously to the same customers, and will provide that water service will be discontinued to any premises where there is a failure to pay any part of the aggregate charges so billed, including such penalties and fees for disconnection and/or reconnection as may be prescribed from time to time.
- (e) So long as USDA is the holder of any bonds of the City, the City shall not issue any bonds or other obligations for the purpose of defeasing or otherwise terminating the lien of such bonds held by USDA without immediately prepaying all of such bonds held by USDA.

ARTICLE XXII
CONTRACTUAL NATURE OF ORDINANCE

The provisions of this Series 2016A Bond Ordinance shall constitute a contract between the City and the holders of the Second-Lien Bonds, the Series 2016A Bonds, and any Additional Parity Bonds; and after the issuance of any of the Series 2016A Bonds, no change, variation, or alteration of any kind in the provisions of this Series 2016A Bond Ordinance shall be made in any manner except as herein provided until such time as all of the Second-Lien Bonds, the Series 2016A Bonds, and any Additional Parity Bonds and the interest thereon have been paid in full; provided (a) that the governing body of the City may adopt an ordinance to evidence the succession of another bank(s) as payee bank, depository, depositories, alternate paying agent or bond registrar and may enact any other ordinance for any other purpose not inconsistent with the terms of this Series 2016A Bond Ordinance, and which shall not impair the security of the holders of the Second-Lien Bonds, the Series 2016A Bonds, and any Additional Parity Bonds or for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provisions contained herein or in any ordinance or other proceedings pertaining hereto; and (b) provided further, that the holders of eighty percent in principal amount of the Series 2016A Bonds shall have the right to consent to, and approve the adoption of ordinances, resolutions or other proceedings, modifying, or amending any of the terms or provisions contained in this Series 2016A Bond Ordinance, subject to the condition that this Series 2016A Bond Ordinance shall not be so modified in any manner that may adversely affect the rights of any certain holders without similarly affecting the rights of all holders of the Second-Lien Bonds, the Series 2016A Bonds, and any Additional Parity Bonds or to reduce the percentage of the number of holders whose consent is required to effect a further modification.

ARTICLE XXIII
EVENTS OF DEFAULT; BONDHOLDERS' REMEDIES

Each of the following items shall constitute an "Event of Default" on the part of the City:

- (a) The failure to pay principal of any Second-Lien Bonds, Series 2016A Bonds, or any Additional Parity Bonds when due and payable, either at maturity or by proceedings for redemption.
- (b) The failure to pay any installment of interest on any Second-Lien Bonds, Series 2016A Bonds, or any Additional Parity Bonds when the same shall become due and payable or within 30 days thereafter.
- (c) The failure of the City to fulfill its obligations pursuant to this Series 2016A Bond Ordinance.
- (d) The failure to promptly repair, replace or reconstruct facilities of the System that have been damaged or destroyed.
- (e) The entering of an order or decree with the consent or acquiescence of the City appointing a receiver of all or any part of the System or any revenues thereof; or if such order or decree having been entered without the acquiescence or consent of the City, its failure in not having the order vacated, discharged or stayed on appeal within sixty days after entry.
- (f) The default by the City in the due or punctual performance of any other of the covenants, conditions, agreements or provisions contained in the Series 2016A Bonds or in this Series 2016A Bond Ordinance.

Any holder of Series 2016A Bonds may either at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel performance by the City and its officers and agents of all duties imposed or required by law or by this Series 2016A Bond Ordinance in connection with the operation of the System, including the making and collection of sufficient rates, the segregation of the income and revenues and the application thereof in accordance with the provisions of this Series 2016A Bond Ordinance.

Upon the occurrence of an Event of Default, then upon the filing of suit by any holder of Series 2016A Bonds, any court having jurisdiction of the action may appoint a receiver to administer the System on behalf of the City, with power to charge and collect rates and charges for the services and facilities provided by the System sufficient to provide for the payment of any bonds or obligations outstanding, and the interest thereon, and the expenses of operation and maintenance, and to apply the income and revenues in accordance with the provisions of this Series 2016A Bond Ordinance, and of the applicable statutes of the Commonwealth, and to take such other appropriate legal action as may be appropriate for the protection of any such holder.

The City hereby agrees to transfer to any bona fide receiver or other subsequent operator of the System, pursuant to any valid court order in a proceeding brought to enforce collection or

payment of the City's obligations, all contracts and other rights of the City, conditionally, for such time only as such receiver or operator shall operate by authority of the Court. In the Event of Default, the holder of any of the Series 2016A Bonds may require the governing body of the City by injunction to raise the rates a reasonable amount.

ARTICLE XXIV
ORDINANCE REQUIRING SEWER CONNECTIONS IS CONTRACTUAL

It is hereby represented that the Commission of the City has heretofore enacted an ordinance requiring that all sources of flowable sewage be connected to the municipal sewer system portion of the System if and when connection is available, declaring that all unconnected sources of flowable sewage, where sewers are or may hereafter be made available, shall constitute a public nuisance which shall be abated, and establishing penalties and effective dates; and it is hereby covenanted that no changes which may adversely affect the rights of bondholders shall be made in the requirements specified in said ordinance so long as any of the bonds authorized or permitted to be issued under the provisions of this Series 2016A Bond Ordinance are outstanding.

ARTICLE XXV
TAX COVENANTS

Section 25.01. General. The City will not use or permit the use of any of the funds provided by the Series 2016A Bonds in such manner as to, or take or omit to take any action which would, impair the exclusion from gross income for federal income tax purposes of interest on the Series 2016A Bonds. The City shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the City on the Series 2016A Bonds shall, for the purposes of federal income taxation, be excludable from gross income.

Section 25.02. Maintenance of Tax Exemption. The City covenants and agrees that so long as any of the Series 2016A Bonds remain outstanding, moneys on deposit in any fund or account in connection with the Series 2016A Bonds, whether or not such moneys were derived from the proceeds of the sale of the Series 2016A Bonds or from any other sources, will not be invested or used in a manner which will cause the Series 2016A Bonds to be "arbitrage bonds" within the meaning of Code Sections 103(b)(2) and 148 and any lawful regulations promulgated or proposed thereunder, as the same presently exist or may from time to time hereafter be amended, supplemented or revised.

Section 25.03. Execution of Documents. The Mayor or City Clerk, as the officers of the City charged with the responsibility for issuing the Series 2016A Bonds, are authorized and directed, for and on behalf of the City, to execute all papers, documents, certificates and other instruments that may be required for evidencing compliance with federal "arbitrage bond" regulations, and any representations and certifications contained in such papers, documents, certificates and other instruments so executed shall be deemed to constitute representations and certifications of the City.

Section 25.04. Private Business Use Tests. The City covenants and agrees that over the term of the Series 2016A Bonds:

- (a) less than 10% of the proceeds of the Series 2016A Bonds, if any, will be applied for any private business use, and the payment of principal of or interest on less than 10% of the amount of the Series 2016A Bonds, if any, will be secured directly or indirectly by any interest in property used for a private business use, or payments in respect of such property, or will be derived directly or indirectly from payments (whether or not to the City) in respect of such property;
- (b) at least 90% of the proceeds of the Series 2016A Bonds will be applied for a governmental use of the City;
- (c) any private business use of the Project will be related to such governmental use of the City and will not be unrelated or disproportionate; and
- (d) none of the proceeds of the Series 2016A Bonds will be used, directly or indirectly, to make or finance loans to private persons.

Section 25.05. Public Use; No Special Legal Entitlements. The City covenants and agrees that it is reasonably expected that over the term of the Series 2016A Bonds:

- (a) the Project will be available for general public use, in that it will be reasonably available for use by natural persons not engaged in a trade or business on the same basis as any other person or entity;
- (b) no nongovernmental person will have any special legal entitlement to use the Project; and
- (c) there will be no direct or indirect payments made with respect to the Project or the security of the Series 2016A Bonds by any persons or entities other than payments by the general public as described in subsection (a) above.

Section 25.06. Prompt Completion of Project. The City covenants and agrees that the Project will be constructed expeditiously and the expenditure of the portion of the proceeds of the Series 2016A Bonds deposited in the Construction Fund for the payment of the costs of the Project will be made promptly in order that the Project will be completed and in operation at the earliest possible date.

Section 25.07. Spend-Down Expectations. The City covenants and agrees that it is reasonably expected that:

- (a) at least 75% of the net proceeds (including investment proceeds) of the Series 2016A Bonds will be used for construction expenditures with respect to property which is owned by a governmental unit;

- (b) at least 10% of such proceeds will be spent for the governmental purposes of the issue within six months from the date the Series 2016A Bonds are issued;
- (c) at least 45% of such proceeds will be spent for such purposes within one year from such date;
- (d) at least 75% of such proceeds will be spent for such purposes within eighteen months from such date; and
- (e) at least 100% of such proceeds will be spent within two years from such date.

It is also reasonably expected that at least 50% of all proceeds (including investment proceeds) of the Series 2016A Bonds will be used for expenditures on the Project within six months, at least 60% will be so used within twelve months and 100% will be so used within eighteen months from the date of issuance of the Series 2016A Bonds.

Section 25.08. Retention of Title to Project. The City covenants and agrees that it is reasonably expected that over the term of the Series 2016A Bonds that the City will not dispose of the Project, or any material portion thereof, provided, however, should there be any disposition of any personal property constituting a part of the Project because it is no longer suitable for its governmental purpose, it is reasonably expected that the fair market value of such personal property will not exceed 25% of its cost.

Section 25.09. Reimbursement. This Series 2016A Bond Ordinance constitutes, in part, a declaration of official intent under Section 1.150-2 of the regulations promulgated under the Code. The City has not heretofore expended any sums on the Project which are to be reimbursed from the proceeds of the Series 2016A Bonds, other than (a) certain preliminary expenditures such as engineering and planning costs not exceeding 20% of the Series 2016A Bond proceeds and (b) expenditures made within sixty days before the date of adoption of this Series 2016A Bond Ordinance.

Section 25.10. Series 2016A Bonds Constitute Entire Issue. There are no other obligations of the City that will be sold or issued at substantially the same time as the Series 2016A Bonds pursuant to a common plan of financing, or will be payable out of substantially the same source of funds (or will have substantially the same claim to be paid out of substantially the same source of funds) as the Series 2016A Bonds.

Section 25.11. No Federal Guarantee. The Series 2016A Bonds are not federally guaranteed within the meaning of Code Section 149(b).

Section 25.12. Information Reporting Requirements. The City will comply with the information reporting requirements of Code Section 149(e).

ARTICLE XXVI
REBATE FUND

Section 26.01. Establishment. The City hereby establishes the Rebate Fund for the benefit of the Series 2016A Bonds and the maintenance of the exclusion of the interest thereon from taxation under the laws of the United States of America.

Section 26.02. Investment. Moneys held in the Rebate Fund from time to time shall be invested in Investment Obligations to the extent practicable.

Section 26.03. No Pledge of Moneys for Series 2016A Bonds. Moneys held in the Rebate Fund from time to time shall not be subject to the pledge of this Series 2016A Bond Ordinance, shall not constitute a part of the funds held or pledged by the City for the benefit of the holders of the Series 2016A Bonds and shall be dedicated to the United States of America to the extent of any obligation on the part of the City to rebate Cumulative Excess Earnings to the United States of America as described by Section 26.04.

Section 26.04. Rebate Calculation and Payment. Within five days after the end of each Computation Period and within five days after the payment in full of all outstanding Series 2016A Bonds, the City shall calculate the amount of Cumulative Excess Earnings as of the end of such Computation Period or the date of such payment, and shall also determine the amount then on deposit in the Rebate Fund. If the amount then on deposit in the Rebate Fund is in excess of the Cumulative Excess Earnings, the City shall forthwith deposit the excess amount in the Sinking Fund. If the amount then on deposit in the Rebate Fund is less than the Cumulative Excess Earnings, the City shall within five days deposit in the Rebate Fund an amount sufficient to cause the Rebate Fund to contain an amount equal to the Cumulative Excess Earnings. Within thirty days after the end of the fifth anniversary date of the issuance of the Series 2016A Bonds and every such fifth anniversary date thereafter, the City shall pay to the United States of America in accordance with Code Section 148(f) from the moneys then on deposit in the Rebate Fund an amount equal to 90% (or such greater percentage not in excess of 100% as the City may direct) of the Cumulative Excess Earnings as of the end of such fifth anniversary date. Within sixty days after the payment in full of all outstanding Series 2016A Bonds, the City shall pay to the United States in accordance with Code Section 148(f) from the moneys then on deposit in the Rebate Fund an amount equal to 100% of the Cumulative Excess Earnings as of the date of such payment and any moneys remaining in the Rebate Fund following such payment shall be transferred to the Sinking Fund.

ARTICLE XXVII
SEVERABILITY CLAUSE

If any section, paragraph, clause or provision of this Series 2016A Bond Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Series 2016A Bond Ordinance.

ARTICLE XXVIII
REPEAL OF INCONSISTENT PROVISIONS

All ordinances or parts thereof in conflict with the provisions of this Series 2016A Bond Ordinance are, to the extent of such conflict, hereby repealed, but it is specifically acknowledged that nothing in this Series 2016A Bond Ordinance shall be construed to impair in any way the vested rights and priorities in favor of the outstanding Series 2010 Bonds or the 2006 KIA Loan.

ARTICLE XXIX
WHEN ORDINANCE EFFECTIVE

This Series 2016A Bond Ordinance shall be in full force and effect from and after its adoption, approval, attestation and publication in summary form as provided by law. The summary of this Series 2016A Bond Ordinance read at the meetings described below, prepared by a licensed attorney at law and including the title of this Series 2016A Bond Ordinance, is hereby specifically approved and adopted for purposes of first and second readings and for the purpose of publication in summary form according to law.

ARTICLE XXX
HOLIDAYS

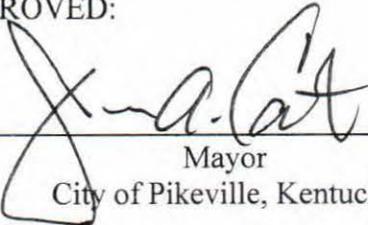

If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Series 2016A Bond Ordinance, is not a business day for the City, such payment may be made or act performed or right exercised on the next succeeding business day with the same force and effect as if done on the nominal date provided in this Series 2016A Bond Ordinance and no interest shall accrue for the period after such nominal date.

RECITALS

WHEREAS, all capitalized terms used but not otherwise defined in this preamble shall have the meanings set forth in **Exhibit A** attached to this Ordinance, unless the context or use clearly indicates another meaning or intent; and

WHEREAS, the City of Pikeville, Kentucky has determined and hereby declares it is necessary, desirable, and in the public interest for the City to incur an indebtedness as herein described by the sale and issuance of its General Obligation Bonds, Series 2017, for the payment of principal of and interest on which the full faith, credit, and taxing power of the City are pledged, the purposes of the Series 2017 GO Bonds being to provide funds (i) to pay the costs of renovation of certain facilities within the City's Hambley Athletic Complex; (ii) to pay the costs of the acquisition and installation of a new electronic wireless metering system for the City's municipal water system; (iii) to pay the costs of the acquisition, construction, installation, and equipping of certain improvements to the City's municipal sewage treatment facilities; and (iv) to pay the costs of issuance of the Series 2017 GO Bonds; and

WHEREAS, the City has determined and hereby determines and certifies that the Project constitutes a public project within the meanings of Section 66.011 of the Kentucky Revised Statutes, undertaken for public purposes; and

WHEREAS, the City, upon the advice of its financial advisor, Compass Municipal Advisors, LLC, Lexington, Kentucky, has determined and hereby declares that it is necessary, desirable, and in the public interest for the City to incur an indebtedness as herein described by the sale and issuance of its General Obligation Bonds, Series 2017 in a principal amount of \$3,770,000 (subject to adjustment as provided herein), for the payment of principal of and interest on which the full faith, credit, and taxing power of the City are pledged, for the purposes of providing funds to pay costs of the Project and pay issuance costs of the Series 2017 GO Bonds; and

WHEREAS, the reasonably estimated useful life of the Project extends beyond the expected final maturity date of the Series 2017 GO Bonds, being November 1, 2037; and

WHEREAS, the City has a population of less than 15,000 but more than 3,000 inhabitants; and upon issuance of the Series 2017 GO Bonds the total indebtedness of the City within the meaning of Section 158 of the Constitution of the Commonwealth, as amended, and the total net indebtedness of the City within the meaning of KRS 66.031, will not exceed 5% of the total value of taxable property within the City, as determined by the last certified assessment with respect to such property; and

WHEREAS, it is now appropriate for the City to cause the sale and issuance of the Series 2017 GO Bonds according to the authority of Sections 158 and 159 of the Constitution of the Commonwealth, as amended, and the Kentucky Revised Statutes, as amended, including KRS 66.011 through 66.171; and

WHEREAS, it is the desire and intent of the City at this time to adopt this Series 2017 Ordinance which, among other things, authorizes and provides for the issuance of the Series 2017 GO Bonds for the purposes aforesaid and sets forth the restrictions and conditions on which the Series 2017 GO Bonds are to be issued and outstanding;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF PIKEVILLE, KENTUCKY, ACTING BY AND THROUGH ITS BOARD OF COMMISSIONERS, AS FOLLOWS:

**ARTICLE I
AFFIRMATION OF PREAMBLE RECITALS**

It is hereby found, determined, and declared that the facts and recitals set forth in the preamble of this Ordinance are true and correct and are hereby affirmed, and all acts described in the preamble are hereby ratified. Such facts and recitals are adopted and incorporated as a part of this Ordinance.

**ARTICLE II
DEFINITIONS**

In addition to the words and terms elsewhere defined in this Ordinance, the following words and terms as used in this Ordinance shall have the meanings provided in **Exhibit A** attached hereto unless the context or use indicates another or different meaning or intent.

ARTICLE III
AUTHORIZATION AND TERMS OF SERIES 2017 GO BONDS

Section 3.01. Authorization, Maturities, And Payment Dates. For the purposes set out in the preamble of this Ordinance, and pursuant to the Constitution and laws, as amended, of the Commonwealth, particularly Sections 158 and 159 of the Constitution and KRS 66.011 through 66.171, there are hereby authorized to be issued \$3,770,000 aggregate principal amount of Series 2017 GO Bonds according to the following provisions of this Ordinance, for the payment of which Series 2017 GO Bonds, both principal and interest when due, the full faith, credit, and taxing power of the City are hereby irrevocably pledged. The Series 2017 GO Bonds shall be styled "City of Pikeville, General Obligation Bonds, Series 2017," shall be dated their date of issuance, and shall bear interest from that date payable on May 1, 2018, and on each November 1st and May 1st thereafter to maturity or redemption and payment of the Series 2017 GO Bonds. The Series 2017 GO Bonds shall mature and be payable as to principal as follows:

Maturity Date	Principal Amount*
November 1, 2018	\$130,000
November 1, 2019	135,000

November 1, 2036	100,000
November 1, 2037	110,000

*Annual maturities are subject to adjustment as provided in ARTICLE XVI hereof.

provided, however, certain Series 2017 GO Bonds may become Term Bonds subject to mandatory sinking fund redemption as described in Section 5.01 and ARTICLE XVI hereof.

Section 3.02. Additional Terms. Interest on each Series 2017 GO Bond not registered in Book-Entry Form to a Securities Depository (as described in ARTICLE IV hereof) shall be paid by check or draft drawn upon the Paying Agent and Bond Registrar, hereinafter designated, and mailed to each Registered Holder at the address of such Registered Holder as it appears on the registration books of the Paying Agent and Bond Registrar. Community Trust Bank, Inc., Pikeville, Kentucky is hereby designated and appointed as the Paying Agent and Bond Registrar. The principal of the Series 2017 GO Bonds not registered in Book-Entry Form to a Securities Depository (as described in ARTICLE IV hereof) shall be payable to the respective Registered Holders without exchange or collection charges, in lawful money of the United States of America, upon their presentation and surrender as they respectively become due and payable, whether at maturity or by prior redemption, at the corporate trust office of the Paying Agent and Bond Registrar in Pikeville, Kentucky. The Series 2017 GO Bonds shall be issued and reissued by the Paying Agent and Bond Registrar from time to time only as fully registered bonds without coupons in the denominations of \$5,000 and any integral multiple thereof, as hereinafter provided. Unless the City shall otherwise direct, the Series 2017 GO Bonds shall be numbered separately from 1 upward.

Principal of and interest on Series 2017 GO Bonds registered in Book-Entry Form in the name of the Securities Depository or the Securities Depository Nominee (all as described in ARTICLE IV hereof) shall be payable by wire transfer from the Paying Agent and Bond Registrar to the Securities Depository or its nominee.

The Series 2017 GO Bonds shall bear interest at a rate or rates to be established by official action of the Mayor, the City Manager, or the Finance Director, or by resolution or municipal order of the Board of Commissioners of the City, on the basis of competition after the Series 2017 GO Bonds are offered for sale at an advertised, public, competitive sale as hereinafter provided. The Record Date shall be the record date for the Series 2017 GO Bonds for the purpose of determining the Registered Holder to whom interest shall be payable on the next succeeding interest payment date, and the Paying Agent and Bond Registrar may treat for such purpose the person in whose name any Series 2017 GO Bond is registered on the Record Date as the Registered Holder thereof. Interest shall be computed on the basis of a year of 360 days consisting of twelve 30-day months.

All of the Series 2017 GO Bonds, together with interest thereon, shall be payable out of the Bond Fund, as hereinafter more specifically provided, and shall be a valid claim of the Registered Holders thereof against the Bond Fund.

ARTICLE IV SERIES 2017 BONDS ISSUED IN BOOK-ENTRY FORM

The Series 2017 GO Bonds shall initially be issued in Book-Entry Form and registered in the name of the Securities Depository or the Securities Depository Nominee as provided in this ARTICLE IV. Except when the Series 2017 GO Bonds are no longer issued in Book-Entry Form as provided below in this ARTICLE IV, the Series 2017 GO Bonds shall be registered in the name of the Securities Depository or the Securities Depository Nominee, and ownership thereof

shall be maintained in Book-Entry Form by the Securities Depository for the account of the Participants thereof. Initially, the Series 2017 GO Bonds shall be registered in the name of Cede & Co., as the nominee of The Depository Trust Company, which shall be the initial Securities Depository. Either of the Mayor or the City Clerk is authorized to approve and execute on behalf of the City a letter of representations or other appropriate instrument with The Depository Trust Company (to which the Paying Agent and Bond Registrar may also be a party) relating to the issuance and administration of the Series 2017 GO Bonds in Book-Entry Form.

Except when the Series 2017 GO Bonds are no longer issued in Book-Entry Form as provided below in this ARTICLE IV, the Series 2017 GO Bonds may be transferred, in whole but not in part, only to the Securities Depository or the Securities Depository Nominee, or to a successor Securities Depository selected or approved by the City or to a nominee of such successor Securities Depository.

As to any Series 2017 GO Bond, the person in whose name the Series 2017 GO Bond shall be registered shall be the Registered Holder and the absolute owner thereof for all purposes, and payment of or on account of the principal of and interest on any such Series 2017 GO Bond shall be made only to or on the order of the Registered Holder thereof or his legal representative.

Neither the City nor the Paying Agent and Bond Registrar shall have any responsibility or obligation with respect to:

- (i) the accuracy of the records of the Securities Depository or any Participant with respect to any beneficial ownership interest in the Series 2017 GO Bonds;
- (ii) the delivery to any Participant, any beneficial owner of the Series 2017 GO Bonds or any other person, other than the Securities Depository, of any notice with respect to the Series 2017 GO Bonds; or
- (iii) the payment to any Participant, any beneficial owner of the Series 2017 GO Bonds or any other person, other than the Securities Depository, of any amount with respect to the principal, premium, if any, or interest on the Series 2017 GO Bonds.

So long as any Series 2017 GO Bonds are registered in Book-Entry Form, the City and the Paying Agent and Bond Registrar may treat the Securities Depository as, and deem the Securities Depository to be, the absolute owner and the Registered Holder of such Series 2017 GO Bonds for all purposes whatsoever, including without limitation:

- (i) the payment of principal of and interest on the Series 2017 GO Bonds;
- (ii) giving notices of redemption and other matters with respect to the Series 2017 GO Bonds;

- (iii) registering transfers with respect to the Series 2017 GO Bonds;
- (iv) selection of Series 2017 GO Bonds for redemption; and
- (v) for purposes of obtaining any consents under this Ordinance.

If at any time the Securities Depository notifies the City that it is unwilling or unable to continue as Securities Depository with respect to the Series 2017 GO Bonds, or if at any time the Securities Depository shall no longer be registered or in good standing under the Securities Exchange Act of 1934, amended, or other applicable statute or regulation and a successor Securities Depository is not appointed by the City within ninety days after the City receives notice or becomes aware of such condition, as the case may be, then this ARTICLE IV shall no longer be applicable and the City shall execute and the Paying Agent and Bond Registrar shall authenticate and deliver certificates representing the Series 2017 GO Bonds to the Registered Holders.

Payment of principal of and interest on any Series 2017 GO Bonds not registered in Book-Entry Form shall be made as provided in Section 3.02 hereof.

ARTICLE V REDEMPTION OF SERIES 2017 BONDS

Section 5.01. Mandatory Sinking Fund Redemption. If the successful bidder and original purchaser of Series 2017 GO Bonds so elects in accordance with the provisions of ARTICLE XVI hereof and as may be provided in the official action of the Mayor, the City Manager, or the Finance Director or in the resolution or municipal order of the Board of Commissioners of the City awarding the Series 2017 GO Bonds to their original purchaser, the Series 2017 GO Bonds stated to mature on the maturity dates set out in the successful bid of such original purchaser shall be combined to comprise the maturities of Term Bonds as set out in said successful bid and in said municipal order or official action; and such Term Bonds shall be subject to mandatory redemption in part, at the selection of the Paying Agent and Bond Registrar by lot in such manner as the Paying Agent and Bond Registrar may determine, from moneys in the Bond Fund on each applicable November 1st at par plus accrued interest to the redemption date, according to the mandatory sinking fund redemption schedule or schedules established by official action of the Mayor, the City Manager, or the Finance Director, or by resolution or municipal order of the Board of Commissioners, and in principal amounts corresponding to the maturity schedule for such series set out in Section 3.01 hereof (subject to adjustment as herein provided).

Section 5.02. Optional Redemption. The Series 2017 GO Bonds maturing on and after November 1, 2028, are subject to redemption by the City, at its option, before maturity on November 1, 2027, and on any date thereafter in whole or from time to time in part in any order of maturity (less than all of a single maturity to be selected by lot in such manner as the Paying Agent and Bond Registrar may determine) at the principal amount thereof plus accrued interest to the redemption date.

Section 5.03. Other Redemption Provisions. Series 2017 GO Bonds shall be called for redemption by the Paying Agent and Bond Registrar as herein provided upon receipt by the Paying Agent and Bond Registrar at least thirty-five days before the redemption date of a certificate of the City specifying the principal amount so to be called for redemption and the applicable redemption price or prices.

The Paying Agent and Bond Registrar shall cause notice of the call for any redemption, identifying the Series 2017 GO Bonds or portions thereof (\$5,000 or any integral multiple thereof) to be redeemed, to be sent by first-class mail not less than thirty days nor more than sixty days before the date fixed for redemption to the Registered Holder of each Series 2017 GO Bond to be redeemed at the address shown on the registration books. Failure to give such notice by mailing or any defect therein in respect of any Series 2017 GO Bond shall not affect the validity of any proceedings for the redemption of any other Series 2017 GO Bond. Any notice mailed as provided in this Section 5.03 shall be conclusively presumed to have been duly given, irrespective of whether the Registered Holder receives the notice.

Before the date fixed for redemption of Series 2017 GO Bonds, funds shall be deposited by the City with the Paying Agent and Bond Registrar to pay, and the Paying Agent and Bond Registrar is hereby authorized and directed to deposit such funds into the Bond Fund hereinafter identified and to apply such funds to the payment of, the Series 2017 GO Bonds or portions thereof called for redemption, together with accrued interest thereon to the redemption date and any required premium. Upon the giving of notice and the deposit of adequate funds in the Bond Fund for redemption of Series 2017 GO Bonds, interest on the Series 2017 GO Bonds or portions thereof so called for redemption shall cease to accrue after the date fixed for redemption. No payment of principal, premium or interest shall be made by the Paying Agent and Bond Registrar upon any Series 2017 GO Bond or portion thereof called for redemption until such Series 2017 GO Bond or portion thereof shall have been delivered to the Paying Agent and Bond Registrar for payment or cancellation, or the Paying Agent and Bond Registrar shall have received the items required by ARTICLE VIII hereof with respect to any mutilated, lost, stolen or destroyed Series 2017 GO Bond.

A portion of any Series 2017 GO Bond subject to redemption may be redeemed, but Series 2017 GO Bonds shall be redeemed only in the principal amount of \$5,000 each or any integral multiple thereof. Upon surrender of any Series 2017 GO Bond for redemption in part only, the City shall execute and the Paying Agent and Bond Registrar shall register, authenticate, and deliver to the holder thereof, within a period of three days from surrender of such Series 2017 GO Bond to the Paying Agent and Bond Registrar, at the City's expense, a new Series 2017 GO Bond or Series 2017 GO Bonds of the same maturity, of authorized denominations, and in aggregate principal amount equal to the unredeemed portion of the Series 2017 GO Bond surrendered.

**ARTICLE VI
EXECUTION OF SERIES 2017 BONDS**

The Series 2017 GO Bonds shall be executed on the City's behalf by the manual or reproduced facsimile signature of the Mayor and shall have impressed or imprinted thereon either a true impression or a reproduced facsimile of the City's official seal and shall be attested with the manual or reproduced facsimile signature of the City Clerk. An authorized facsimile signature shall have the same force and effect as a manual signature. In case any officer of the City whose signature or a facsimile of whose signature shall appear on the Series 2017 GO Bonds shall cease to be such officer before the delivery of such Series 2017 GO Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he or she had remained in office until delivery.

**ARTICLE VII
FORM OF SERIES 2017 BONDS**

The Series 2017 GO Bonds shall be issued only in the form of bonds registered as to payment of both principal and interest in substantially the form attached as **Exhibit B** hereto, with necessary and appropriate variations, omissions, and insertions as permitted or required by this Ordinance.

**ARTICLE VIII
MUTILATED, LOST, STOLEN, OR DESTROYED SERIES 2017 BONDS**

If any Series 2017 GO Bond is mutilated, lost, stolen, or destroyed, the City may execute and the Paying Agent and Bond Registrar may authenticate and deliver a new Series 2017 GO Bond of like series, date, maturity, and denomination as that mutilated, lost, stolen, or destroyed; provided that, in the case of any mutilated Series 2017 GO Bond, such Series 2017 GO Bond shall first be surrendered to the Paying Agent and Bond Registrar, and in the case of any lost, stolen, or destroyed Series 2017 GO Bond, there shall be first furnished to the City and the Paying Agent and Bond Registrar evidence of such loss, theft, or destruction satisfactory to them and such indemnity as the City and the Paying Agent and Bond Registrar may require. If any such Series 2017 GO Bond shall have matured, in lieu of issuing a duplicate Series 2017 GO Bond, the City may pay the same without surrender thereof. The City and the Paying Agent and Bond Registrar may charge the holder or owner of such Series 2017 GO Bond their reasonable fees and expenses in this connection.

**ARTICLE IX
REGISTRATION, AUTHENTICATION, TRANSFER,
AND EXCHANGE OF SERIES 2017 BONDS**

So long as any Series 2017 GO Bonds remain outstanding, the Paying Agent and Bond Registrar shall keep and maintain at its corporate trust office in Lexington, Kentucky, complete registration books for the Series 2017 GO Bonds and shall provide for the registration and transfer of Series 2017 GO Bonds in accordance with the terms of this Ordinance. Each Series

2017 GO Bond shall be authenticated by the Paying Agent and Bond Registrar. Except as may be otherwise provided in ARTICLE IV hereof for Series 2017 GO Bonds registered in Book-Entry Form in the name of the Securities Depository or Securities Depository Nominee, each Series 2017 GO Bond shall be transferable only upon the presentation and surrender thereof at the principal office of the Paying Agent and Bond Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Holder or his authorized representative. Upon receipt of any such Series 2017 GO Bond, duly endorsed for transfer or accompanied by any assignment for transfer, the Paying Agent and Bond Registrar shall transfer such Series 2017 GO Bond within a period of three days by reissuing such Series 2017 GO Bond, duly executed by the City and authenticated by the Paying Agent and Bond Registrar, and delivering the same to the new Registered Holder thereof forthwith.

The Paying Agent and Bond Registrar shall not be required to transfer or exchange any Series 2017 GO Bond (a) during any period beginning five days before the selection by the Paying Agent and Bond Registrar of Series 2017 GO Bonds to be redeemed before maturity and ending on the date of mailing of notice of any such redemption or (b) if such Series 2017 GO Bond has been selected or called for redemption in whole or in part.

Except as may be otherwise provided in ARTICLE IV hereof for Series 2017 GO Bonds registered in Book-Entry Form in the name of the Securities Depository or Securities Depository Nominee, each Series 2017 GO Bond shall be exchangeable upon the presentation and surrender thereof at the principal corporate trust office of the Paying Agent and Bond Registrar for a Series 2017 GO Bond or Series 2017 GO Bonds of the same maturity, in the denomination of \$5,000 or an integral multiple thereof, in an aggregate principal amount or amounts equal to the unpaid principal amount of the Series 2017 GO Bond or Series 2017 GO Bonds presented for exchange. The Paying Agent and Bond Registrar shall and is hereby authorized to authenticate and deliver Series 2017 GO Bonds delivered in exchange in accordance herewith. Each Series 2017 GO Bond delivered in exchange for a surrendered Series 2017 GO Bond shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Series 2017 Ordinance to the same extent as the Series 2017 GO Bond or Series 2017 GO Bonds in lieu of which any Series 2017 GO Bond is delivered in exchange. Any Series 2017 GO Bonds surrendered for exchange shall be canceled by the Paying Agent and Bond Registrar and the Paying Agent and Bond Registrar shall maintain a complete record of all exchanges, transfers and cancellations of Series 2017 GO Bonds and shall make a report thereof to the City on not less than an annual basis.

Except as may be otherwise provided in ARTICLE IV hereof for Series 2017 GO Bonds registered in Book-Entry Form in the name of the Securities Depository or Securities Depository Nominee, no service charge or other transfer fee shall be charged to any Bondholder in connection with any transfer or exchange of a Series 2017 GO Bond. However, the Registered Holder of any Series 2017 GO Bond may be required to pay an amount equal to any tax or other governmental charge, if any, that may be imposed in connection with the transfer or exchange of any Series 2017 GO Bond.

**ARTICLE X
DESTRUCTION OF SERIES 2017 BONDS**

Whenever any outstanding Series 2017 GO Bond shall be delivered to the Paying Agent and Bond Registrar for cancellation thereof pursuant to this Ordinance, upon payment of the principal amount or interest represented thereby or for replacement or exchange, such Series 2017 GO Bond, following such replacement or exchange, shall be promptly canceled and destroyed by the Paying Agent and Bond Registrar and counterparts of a certificate of destruction evidencing such destruction shall be furnished by the Paying Agent and Bond Registrar to the City.

All Series 2017 GO Bonds which have been redeemed shall not be reissued but shall be canceled and destroyed by the Paying Agent and Bond Registrar in accordance with this ARTICLE X.

**ARTICLE XI
APPOINTMENT AND DUTIES OF
PAYING AGENT AND BOND REGISTRAR**

The City hereby appoints Community Trust Bank, Inc., Pikeville, Kentucky, or its successor as Paying Agent and Bond Registrar in respect of the Series 2017 GO Bonds. The Paying Agent and Bond Registrar shall maintain a complete and current record of each Series 2017 GO Bond issued, the name and address of each Registered Holder of any Series 2017 GO Bonds, and such additional information as may be required for compliance with applicable laws and regulations. The Paying Agent and Bond Registrar will also make all payments of interest on the Series 2017 GO Bonds and pay principal of the Series 2017 GO Bonds as herein provided.

The recitals of fact herein and in the Series 2017 GO Bonds contained shall be taken as the statements of the City and the Paying Agent and Bond Registrar assumes no responsibility for the correctness of the same. The Paying Agent and Bond Registrar makes no representations as to the validity or sufficiency of this Ordinance or of any Series 2017 GO Bonds issued thereunder or in respect of the security afforded by this Ordinance, and the Paying Agent and Bond Registrar shall not incur any responsibility in respect thereof. The City shall, however, be responsible for its representations contained in the Series 2017 GO Bonds. The Paying Agent and Bond Registrar shall not be under any responsibility or duty with respect to the issuance of the Series 2017 GO Bonds for value or the application of the proceeds thereof or the application of any moneys paid to the City. The Paying Agent and Bond Registrar shall be under no obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. The Paying Agent and Bond Registrar shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. The Paying Agent and Bond Registrar may consult with counsel, who may or may not be of counsel to the City, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good

faith and in accordance therewith. Whenever the Paying Agent and Bond Registrar shall deem it necessary or desirable that a matter be proved or established before taking or suffering any action hereunder, including payment of moneys out of any fund, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by an authorized officer of the City and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Ordinance upon the faith thereof, but in its discretion the Paying Agent and Bond Registrar may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidences as to it may seem reasonable. Except as otherwise expressly provided herein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Paying Agent and Bond Registrar shall be sufficiently executed if executed in the name of the City by its Mayor, City Manager, or Finance Director.

The City shall pay to the Paying Agent and Bond Registrar from time to time reasonable compensation for all services rendered under this Ordinance, and also all reasonable expenses, charges, counsel fees, and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Ordinance. The City further agrees to indemnify and hold the Paying Agent and Bond Registrar harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, and which are not due to its negligence or default. The Paying Agent and Bond Registrar hereby indemnifies and will hold the City harmless against any liabilities which the City may incur as a result of the negligence or default of the Paying Agent and Bond Registrar.

The Paying Agent and Bond Registrar may become the owner of any Series 2017 GO Bonds, with the same rights it would have if it were not the Paying Agent and Bond Registrar. The Paying Agent and Bond Registrar and any other fiduciary may act as depository for, or permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Series 2017 GO Bonds or this Ordinance, whether or not any such committee shall represent the holders of a majority in principal amount of the Series 2017 GO Bonds then outstanding.

Any entity into which the Paying Agent and Bond Registrar may be merged or converted or with which it may be consolidated or any entity resulting from any merger, conversion, or consolidation to which it shall be a party or any entity to which the Paying Agent and Bond Registrar may sell or transfer all or substantially all of its banking and corporate trust business, provided such entity shall be authorized by law to perform all the duties imposed upon it by this Ordinance, shall be the successor to the Paying Agent and Bond Registrar without the execution or filing of any paper or the performance of any further act, anything herein to the contrary notwithstanding.

ARTICLE XII
DISPOSITION OF SERIES 2017 BOND PROCEEDS; CONSTRUCTION FUND

Section 12.01. Application of Series 2017 GO Bond Proceeds. All sums received from the sale of the Series 2017 GO Bonds shall be deposited in the Bond Fund identified in ARTICLE XIII hereof and shall be applied, by or on the order of the Mayor, the City Manager, or the Finance Director, as follows:

(a) There shall first be paid from the Series 2017 GO Bond proceeds, by or on the written order of the Mayor, the City Manager, or the Finance Director, the contractual fee of the City's financial advisor, the fee and any expenses of the Bond Registrar and Paying Agent, all counsel fees and expenses, rating service fees, printing and publication charges, and any other necessary or desirable fees and expenses with respect to the issuance of the Series 2017 GO Bonds. For this purpose, the City may cause the establishment of a special account to be applied by or at the written directions of the Mayor, the City Manager, or the Finance Director for payment of such expenses within sixty days from the date of issuance of the Series 2017 GO Bonds; provided any balance in the special account not needed to pay expenses shall be transferred to the Bond Fund and used to pay the first installment of accrued interest due on the Series 2017 GO Bonds on May 1, 2018.

(b) Upon written direction of the Mayor, the City Manager, or the Finance Director, the remaining Series 2017 GO Bond proceeds shall be deposited in the Construction Fund to pay costs (or to reimburse the City for prior payment of costs) of the Project. The amount deposited in the Construction Fund shall, to the extent that it may cause the aggregate deposits of the City in any Depository Bank to be in excess of the amount insured by the FDIC or one of its agencies, be collaterally secured by investments of the types described in subsections (i), (ii), and (iii) of the definition of Investment Obligations herein having a market value equivalent to such deposit, or the Depository Bank shall invest for the credit of the Construction Fund whatever portion of the Construction Fund is designated by the Mayor, the City Manager, or the Finance Director in Investment Obligations having maturity dates, or being subject to retirement at the option of the holder, corresponding to the need for cash to pay costs of the Project as they come due. All such investments, as well as all income therefrom, shall be carried to the credit of the Construction Fund.

Section 12.02. Construction Fund Requirements.

(a) The City hereby establishes the Construction Fund as a separate account of the City, to be held by the City separate and apart from all its other funds and accounts. Payments from the Construction Fund for Project costs shall be made only upon vouchers signed by the Mayor, the City Manager, or the Finance Director certifying in each instance that the voucher represents a sum actually due to the proposed payee under a contract with the City for work performed or property, equipment, or materials furnished in connection with the Project and all checks drawn against the Construction Fund shall be signed by the Mayor, the City Manager, the Finance Director, or other City official as duly authorized by the Board of Commissioners. No expenditure shall be made from the Construction Fund except for proper

and authorized expenses relating to the Project in accordance with plans approved by the City, for which contracts have been entered into or work has been authorized by the City, including architectural, engineering, construction management, title, appraisal, legal, and other professional and related services and interest costs during the construction period, or to pay any unpaid costs of issuance of the Series 2017 GO Bonds. Pending disbursement for the authorized purposes, the Construction Fund shall be subject to a first and paramount lien, charge, and security interest in favor of the Registered Holders of the Series 2017 GO Bonds.

(b) After completion of the construction of the Project, as certified by the Mayor, the City Manager, or the Finance Director, any balance then remaining on deposit in the Construction Fund shall, subject to any and all applicable legal requirements and compliance with applicable federal statutes and regulations necessary to assure the exclusion of interest on the Series 2017 GO Bonds from gross income for federal income tax purposes, upon order of the Mayor, the City Manager, or the Finance Director be expended to pay costs of such municipal facilities as the Board of Commissioners may determine and such balance shall not be invested at an arbitrage yield exceeding the arbitrage yield on the Series 2017 GO Bonds.

**ARTICLE XIII
TAX LEVY AND PLEDGE; BOND FUND;
CERTAIN UTILITIES REVENUE TRANSFERS**

Section 13.01. Tax Levy and Pledge; Bond Fund. For the purpose of providing funds required to pay the interest on the Series 2017 GO Bonds as and when the interest becomes due and in order to create a sinking fund to pay and discharge the principal thereof as the Series 2017 GO Bonds become due, there shall be and there is hereby levied upon all of the taxable property within the City, beginning in 2018 and continuing in each year as long as any of the Series 2017 GO Bonds are outstanding, a direct annual tax sufficient, to the extent any other lawfully available moneys of the City are not provided, for that purpose as mandatorily required by Section 159 of the Constitution of Kentucky, and such tax shall be unlimited as to rate or amount. The proceeds derived from said special annual tax levied from time to time, together with other lawfully available moneys of the City provided for such purpose, shall be deposited and carried in the Bond Fund, which shall constitute a special and separate account in the name of the City and held apart from all other funds of the City and any and all funds contained therein shall be applied only for the purpose of paying the principal of and interest on the Series 2017 GO Bonds. The proceeds of said special annual tax and any other funds accumulated from time to time in the Bond Fund are hereby irrevocably pledged for the purpose of paying the interest on and principal of the Series 2017 GO Bonds and shall never be used for any other purpose. The City hereby covenants with the holders of the Series 2017 GO Bonds that it will levy said special annual tax in each year at whatever rates may be necessary from time to time in order to produce the amounts required in each year, to the extent funds are not otherwise provided, to pay the Series 2017 GO Bonds and interest when and as they mature or become due.

If principal or interest should fall due in any year at a time when there are insufficient funds on hand collected by reason of the foregoing special tax levy, such principal and interest shall be paid from other available funds of the City and reimbursement therefor shall be made out of the special tax hereby provided, when the same shall have been collected.

All moneys held in the Bond Fund, which shall be depleted as of November 2nd of each year except for a carryover amount not exceeding the greater of the earnings on the Bond Fund or one-twelfth of the principal and interest payments on the Series 2017 GO Bonds for the preceding year ending November 1st, to the extent not invested as hereinafter provided, shall be deposited in a bank or banks which are members of the FDIC and all such deposits which cause the aggregate deposits of the City in any one bank to be in excess of the amount insured by FDIC shall be continuously secured by a valid pledge of direct obligations of the United States of America having an equivalent market value. All or any part of the Bond Fund may be invested in Investment Obligations maturing or being subject to retirement at the option of the holder on such dates as the same may be needed for meeting interest or principal payments, and all such investments shall be carried to the credit of the Bond Fund.

Section 13.02. Certain Utilities Revenues Transfers. The following obligations of the City will be outstanding immediately after the issuance of the Series 2017 GO Bonds:

- (i) the 2006 KIA Loan, currently outstanding in an aggregate principal amount of approximately \$287,251.21, the 2006 KIA Loan having been assumed by the City from the Mountain Water District pursuant to the 2008 Assumption Agreement;
- (ii) the Series 2010S-1 W&S Bond, currently outstanding in an aggregate principal amount of \$1,373,500, the Series 2010S-1 W&S Bond having been authorized and issued by the City pursuant to the Series 2010S-1 W&S Bond Ordinance;
- (iii) the Series 2010S-2 W&S Bond, currently outstanding in an aggregate principal amount of \$1,681,500, the Series 2010S-2 W&S Bond having been authorized and issued by the City pursuant to the Series 2010S-2 W&S Bond Ordinance; and
- (iv) the Series 2016A W&S Bond, currently outstanding in an aggregate principal amount of \$3,166,000, the Series 2016A W&S Bond having been authorized and issued by the City pursuant to the Series 2016A W&S Bond Ordinance; and

The 2006 KIA Loan is secured by a pledge of the revenues of the former Mossy Bottom Sewer System and such pledge is subordinate to the pledge securing the Existing Water and Sewer Bonds and any parity bonds issued pursuant to the requirements of the Existing Water and Sewer Bond Ordinances.

The Existing Water and Sewer Bond Ordinances provide that (i) the Existing Water and Sewer Bonds are secured by a pledge of the revenues of the System and the City may issue additional bonds ranking on a basis of parity and equality with the Existing Water and Sewer Bonds for the purpose of paying the costs of extensions, additions, and improvements to the System upon a showing of compliance with the parity bond coverage test set forth in the Existing Water and Sewer Bond Ordinances. The Existing Water and Sewer Bond Ordinances provide that the City may incur obligations the security and source of payment of which are subordinate and subject to the priorities of the Existing Water and Sewer Bonds and any additional parity bonds and may apply any excess revenues of the System to the payment of subordinate obligations payable from System revenues and for any lawful purpose related solely to the System.

The City has previously authorized the future issuance and delivery of its Series 2017A W&S Bonds and its Series 2017B W&S Bonds in an aggregate principal amount of \$10,500,000. The Series 2017AB W&S Bond Ordinance provides that, once issued, (i) the Series 2017A W&S Bonds and the Series 2017B W&S Bonds will be secured by a pledge of the revenues of the System on a basis of parity with the Existing Water and Sewer Bonds; (ii) the City may issue additional bonds ranking on a basis of parity and equality with the Series 2017A W&S Bonds, the Series 2017B W&S Bonds, and the Existing Water and Sewer Bonds for the purpose of paying the costs of extensions, additions, and improvements to the System upon a showing of compliance with the parity bond coverage test set forth in the Series 2017AB W&S Bond Ordinance and the Existing Water and Sewer Bond Ordinances. The Series 2017AB W&S Bond Ordinance provides that the City may incur obligations the security and source of payment of which are subordinate and subject to the priorities of the Series 2017A W&S Bonds and the Series 2017B W&S Bonds and any additional parity bonds and may apply any excess revenues of the System to the payment of subordinate obligations payable from System revenues and for any lawful purpose related solely to the System.

The City has elected to, and does hereby, order the transfer of excess System revenues to the City's General Fund on a timely basis in amounts sufficient to reimburse the General Fund for the payment of the portion of the semiannual debt service on the Series 2017 GO Bonds attributable to the costs of financing (a) the new electronic wireless metering system; and (b) the improvements to the City's municipal sewage treatment facilities financed with the proceeds of the Series 2017 GO Bonds (but not the portion attributable to the costs of the renovation of certain facilities within the City's Hambley Athletic Complex), which order to make transfers is and shall be (i) on a basis subordinate and subject to in all respects the contractual rights and priorities existing in favor of the holders of the 2006 KIA Loan, the Existing Water and Sewer Bonds, and any future parity bonds issued under the Existing Water and Sewer Bond Ordinances (including the Series 2017A W&S Bonds and the Series 2017B W&S Bonds), and (ii) for the sole benefit of the City's General Fund and not in any respect for the benefit or security of the holders of the Series 2017 GO Bonds.

The City also has outstanding its Existing General Obligation Bonds authorized by the Existing General Obligation Bond Ordinances. The Existing General Obligation Bond

Ordinances directs that the City's payment of debt service on the Existing General Obligation Bonds also be paid using the transfer of excess System revenues to the City's General Fund (i) on a basis subordinate and subject to in all respects the contractual rights and priorities existing in favor of the holders of the 2006 KIA Loan and the Existing Water and Sewer Bonds and any future parity bonds issued under the Existing Water and Sewer Bond Ordinances; and (ii) for the sole benefit of the City's General Fund and not in any respect for the benefit or security of the holders of the Existing General Obligation Bonds.

**ARTICLE XIV
CONTRACTUAL NATURE OF ORDINANCE**

The provisions of this Ordinance shall constitute a contract between the City and the holders of the Series 2017 GO Bonds; and after the issuance of the Series 2017 GO Bonds, no change or alteration of any kind in the provisions of this Series 2017 GO Bond Ordinance shall be made except as herein provided until such time as all of the Series 2017 GO Bonds and the interest thereon have been paid or defeased; provided (i) that the Board of Commissioners may adopt an ordinance, resolution, or municipal order to evidence the succession of another bank or trust company as Paying Agent and Bond Registrar or for any other purpose not inconsistent with the terms of this Ordinance which shall not impair the security of the holders of the Series 2017 GO Bonds, or for the purpose of curing any ambiguity or of curing, correcting, or supplementing any defective or inconsistent provisions contained herein; and (ii) provided further, that the holders of 80% in principal amount of the Series 2017 GO Bonds shall have the right to consent to and approve the adoption of ordinances or other proceedings modifying or amending any of the terms or provisions contained in this Ordinance, subject to the condition that this Ordinance shall not be so modified in any manner that may adversely affect the rights of any holders without similarly affecting the rights of all holders of the Series 2017 GO Bonds or to reduce the percentage of the number of holders whose consent is required to effect a further modification.

**ARTICLE XV
EVENTS OF DEFAULT; BONDHOLDERS' REMEDIES**

Each of the following items shall constitute an "event of default" on the part of the City:

- (i) The failure to pay principal of any Series 2017 GO Bonds when due and payable, either at maturity or by proceedings for redemption;
- (ii) The failure to pay any installment of interest on Series 2017 GO Bonds when the same shall become due and payable or within thirty days thereafter; and
- (iii) The default by the City in the due or punctual performance of any other of the covenants, conditions, agreements, or provisions contained in the Series 2017 GO Bonds or in this Ordinance.

Upon the occurrence of an event of default as defined above, any Bondholder may either at law or in equity, by suit, action, mandamus, or other proceedings, enforce, and compel performance by the City and its officers and agents of all duties imposed or required by law or by this Ordinance, including the levying and collection of sufficient taxes and the application thereof in accordance with the provisions of this Ordinance.

ARTICLE XVI SALE OF SERIES 2017 BONDS

It is hereby ordered that a Notice of Bond Sale be published in the newspapers required by law soliciting sealed, competitive bids for the purchase of the Series 2017 GO Bonds, the same to be received by a designated official of the City at his or her office in Pikeville, Kentucky, until a specified hour and day, as determined by the City's Mayor, the City Manager, or the Finance Director (which time for receipt of bids the Mayor, the City Manager, or the Finance Director may be rescheduled upon the advice of the Financial Advisor to any date before June 30, 2018). The bids theretofore received shall be publicly opened and then considered by the Financial Advisor on behalf of the City, and the best bid or bids, as the case may be, shall be determined by the Financial Advisor, with the approval of the Mayor, the City Manager, or the Finance Director, on the City's behalf. The City reserves the right to increase by an amount not exceeding \$375,000 (in \$5,000 denominations) or decrease by any amount the total amount of Series 2017 GO Bonds sold to the best bidder by increasing or decreasing any of the stipulated principal maturities, and the right to adjust principal maturities without changing the total amount of Series 2017 GO Bonds sold. Upon any such adjustment, no rebidding or recalculating of the bids submitted will be required or permitted. The price at which such adjusted amount of Series 2017 GO Bonds will be sold will be at the same price per \$1,000 of Series 2017 GO Bonds as the price bid per \$1,000 for the aggregate principal amount of Series 2017 GO Bonds stipulated in the successful bid.

Bidders shall have the option of specifying that all of the principal amount of Series 2017 GO Bonds maturing on any two or more consecutive dates set out in the schedule in Section 3.01 hereof may, in lieu of maturing on each of such dates, be combined to comprise one maturity of Series 2017 GO Bonds ("**Term Bonds**") scheduled to mature on the latest of such dates and be subject to mandatory sinking fund redemption at par in the manner described in Section 5.01 hereof on each of the dates and in the principal amounts as set out in said schedule (subject to adjustment as herein provided), except for the principal amount of Series 2017 GO Bonds scheduled to mature on the date of maturity of the Term Bonds, which shall mature on such date. Bidders may specify one or more of such Term Bonds.

The Notice of Bond Sale shall be published as required by law, not less than seven days and not more than twenty-one days in advance of the date stated therein for the opening and consideration of purchase bids, making reference to the Official Terms and Conditions of Bond Sale and the Preliminary Official Statement hereinafter described. In the Official Terms and Conditions of Bond Sale hereinafter described, bidders shall be instructed, among other things, to offer a specified price in dollars and cents for the Series 2017 GO Bonds, to specify one or

more interest rates of their own choosing in multiples of 1/8 or 1/20 of 1% and not more than one rate to be stipulated for a single maturity, to offer a price in dollars and cents for the entire issue of Series 2017 GO Bonds and not to offer less than 98.0% of par value.

Bidders may submit a bid or bids for all of the Series 2017 GO Bonds, as set out in the Official Terms and Conditions of Bond Sale hereinafter described.

The Financial Advisor, which will not submit a bid or bids for the Series 2017 GO Bonds at the public sale thereof, is acting as financial advisor to the City in connection with the issuance of the Series 2017 GO Bonds and will receive a fee, payable from Series 2017 GO Bond proceeds, for its services as Financial Advisor.

Upon the occasion of the receipt of bids, and after examination and analysis by the Financial Advisor, the Financial Advisor, on the City's behalf, is hereby authorized to and shall determine and recommend the best bid for the Series 2017 GO Bonds (on a true interest cost basis), all in accordance with the Official Terms and Conditions of Bond Sale hereinafter described, and shall recommend the rates of interest on and the total amount and principal maturities and mandatory sinking fund installments, if any, of the Series 2017 GO Bonds, all of which shall be accepted and approved on behalf of the City by official action of the Mayor, the City Manager, or the Finance Director or by resolution or municipal order of the Board of Commissioners, provided that the net average interest rate on the Series 2017 GO Bonds shall not exceed 5.0% per annum.

A Notice of Bond Sale having been prepared in advance by Stoll Keenon Ogden PLLC, Bond Counsel, and having been examined and found to conform to the statutory requirements, said document is hereby approved and shall be signed by the Mayor, the City Manager, or the Finance Director and its use in advertising the sale of the Series 2017 GO Bonds is approved and authorized.

An Official Terms and Conditions of Bond Sale having also been prepared in advance, in order to give a more complete description of the Series 2017 GO Bonds and specific instructions (including conditions not recited herein) calculated to bring about uniformity in the bidding, and containing the Official Bid Form, and the document having been examined by the Board of Commissioners, is hereby approved and authorized, subject to such modifications in accordance with the provisions and intent of this Ordinance as may be determined by the Financial Advisor and approved by the officer of the City executing the document, and shall be executed by the Mayor, the City Manager, or the Finance Director and furnished to interested bidders who may request it.

In addition to the foregoing, on the recommendation of the Financial Advisor bids may be taken or submitted electronically (provided all electronic proposals shall be deemed to incorporate in substance the provisions of the Official Bid Form). Any bid transmitted electronically shall be submitted through BIDCOMP/PARITY® and no other provider of electronic bidding services will be accepted. Bidders submitting an electronic proposal must fulfill any requirements of the bidding service provider over and above the requirements of the

City set forth in the Official Terms and Conditions of Bond Sale. Electronic bidding for the Series 2017 GO Bonds shall be made available to bidders solely as a courtesy by the City. The City shall assume no responsibility or liability for bids submitted through the electronic bidding service provider. Without limiting the generality of the foregoing disclaimers, the City does not assume responsibility for any communications or negotiations between bidders and the electronic bidding service provider, or for any failure of the provider to accurately or timely submit any electronic proposal. Any electronic proposal shall be deemed to incorporate all of the provisions of the Official Bid Form and the Official Terms and Conditions of Bond Sale. Each bidder shall be solely responsible for making necessary arrangements to access the electronic bidding service provider for purposes of submitting such bidder's bid in a timely manner and in compliance with the requirements of the City. The City shall have no duty or obligation to provide or assure such access to any bidder. The City shall not be responsible for proper operation of, or have any liability for, any delays or interruptions of, or any damages caused by, the provider's service. The City shall use the provider's service solely as a communication mechanism, and not as the City's agent, to conduct the electronic bidding for the Series 2017 GO Bonds. If any provision in the Official Terms and Conditions of Bond Sale (herein approved) conflicts with information provided by the electronic bidding service provider, the Official Terms and Conditions of Bond Sale shall control.

In addition, in connection with the sale of the Series 2017 GO Bonds the City has caused to be prepared its Preliminary Official Statement setting forth relevant information concerning the issuance of the Series 2017 GO Bonds, including, among other things, financial data relating to the City. The Preliminary Official Statement and the use thereof by the City in offering and selling the Series 2017 GO Bonds, with such modifications in accordance with the provisions and intent of this Series 2017 Ordinance as may be recommended by the Financial Advisor and approved by an officer of the City, is hereby expressly approved, the City, through certain of its officials and employees, having reviewed the Preliminary Official Statement and having found the factual statements and the data therein to be accurate. The Preliminary Official Statement shall be supplemented following sale of the Series 2017 GO Bonds, and the Mayor is authorized to approve and sign such supplemented or final Official Statement on the City's behalf, which is authorized for distribution in connection with the sale of the Series 2017 GO Bonds. The Preliminary Official Statement is in a form "deemed final" by the City for purposes of SEC Rule 15c2-12(b)(1) but, as aforesaid, is subject to supplementation and completion following sale of the Series 2017 GO Bonds. The Mayor, the City Manager, or the Finance Director of the City is also hereby authorized and directed, on the recommendation of the Financial Advisor, to cause the Official Terms and Conditions of Bond Sale (including the Official Bid Form) and the Preliminary Official Statement or the final Official Statement to be posted on the internet and through the Electronic Municipal Market Access system maintained by the Municipal Securities Rulemaking Board. The electronic or physical distribution of the Official Terms and Conditions of Bond Sale (including the Official Bid Form) and the Preliminary Official Statement as herein provided is hereby ratified, authorized, and approved. If any provision in the Official Terms and Conditions of Bond Sale, herein approved, conflicts with information provided by an

electronic information service provider, the Official Terms and Conditions of Bond Sale as herein approved shall control.

The Mayor, the City Manager, and the Finance Director and other officers of the City, and each of them, together with the Financial Advisor, are further authorized to make such modifications to documents and to enter into and to execute on the City's behalf any and all certificates, opinions, instruments, and documents as may be necessary or desirable to effectuate the sale and issuance of the Series 2017 GO Bonds.

ARTICLE XVII TAX COVENANTS AND REPRESENTATIONS

The City hereby certifies, covenants, and agrees that so long as any of the Series 2017 GO Bonds remain outstanding, moneys on deposit in any fund or account in connection with the Series 2017 GO Bonds, whether or not such moneys were derived from the proceeds of the sale of the Series 2017 GO Bonds or from any other sources, will not be invested or used in a manner which will cause the Series 2017 GO Bonds to be "arbitrage bonds" within the meaning of Code Sections 103(b)(2) and 148. The Mayor, the City Manager, and the Finance Director, as the City's officers charged with the responsibility for issuing the Series 2017 GO Bonds, are authorized and directed, for and on the City's behalf, to execute all papers, documents, certificates, and other instruments that may be required for evidencing compliance with federal tax rules, and any representations and certifications contained in such papers, documents, certificates, and other instruments so executed shall be deemed to constitute representations and certifications of the City.

The City further represents, warrants, agrees, covenants, and certifies as follows:

- (i) Within the meaning of Code Section 141 and the regulations issued thereunder, over the term of the Series 2017 GO Bonds (a) less than 10% of the proceeds of the Series 2017 GO Bonds, if any, will be applied for any private business use (i.e., used in any trade or business of a nongovernmental person or entity), and the payment of the principal of or interest on less than 10% of the amount of the Series 2017 GO Bonds, if any, will be secured directly or indirectly by any interest in property used for a private business use, or payments in respect of such property, or will be derived directly or indirectly from payment (whether or not to the City) in respect of such property; (b) at least 90% of the proceeds of the Series 2017 GO Bonds will be applied for governmental uses of the City; (c) any private business use of the facilities financed by the Series 2017 GO Bonds will be related to such governmental uses of the City and will not be unrelated or disproportionate; and (d) none of the proceeds of the Series 2017 GO Bonds will be used, directly or indirectly, to make or finance loans to private persons. It is reasonably expected that over the term of the Series 2017 GO Bonds (x) the facilities financed by the Series 2017 GO Bonds will be available for general public use, in that they will be reasonably available for use by natural persons not engaged in a trade or business on the same basis as any other person or

entity, (y) no nongovernmental person will have any special legal entitlement to use the facilities financed by the Series 2017 GO Bonds and (z) there will be no direct or indirect payment made with respect to the facilities financed by the Series 2017 GO Bonds or the security of the Series 2017 GO Bonds by any persons or entities other than payment by the general public as described in clause (x) above.

- (ii) Within the meaning of Code Section 148(f)(4)(B), the City reasonably expects at least 75% of the net proceeds (including investment proceeds) of the Series 2017 GO Bonds will be used for construction expenditures with respect to property that is owned by a governmental unit, at least 10% of such proceeds will be spent for the governmental purposes of the issue within six months from the date the Series 2017 GO Bonds are issued, at least 45% of such proceeds will be spent for such purposes within one year from such date, at least 75% of such proceeds will be spent for such purposes within eighteen months from such date, and at least 100% of such proceeds will be spent within two years from such date. The City will take all action necessary to comply with the applicable arbitrage rebate requirements of Code Section 148(f) in respect of the Series 2017 GO Bonds.
- (iii) The City reasonably expects that the sales proceeds of the Series 2017 GO Bonds (within the meaning of Treasury Regulation § 1.148-1(b)) will be fully expended for the purposes described herein within twenty-four months of the date of issuance of the Series 2017 GO Bonds.
- (iv) The Series 2017 GO Bonds are not federally guaranteed within the meaning of Code Section 149(b).
- (v) The City will comply with the information reporting requirements of Code Section 149(e).
- (vi) It is reasonably expected that during the term of the Series 2017 GO Bonds the facilities refinanced with the proceeds of the Series 2017 GO Bonds will not be disposed of; provided, however, should there be any disposition of any personal property constituting a part of the facilities refinanced by the Series 2017 GO Bonds because it is no longer suitable for its governmental purpose, it is reasonably expected that the fair market value of such personal property will not exceed 25% of its costs.
- (vii) The weighted average maturity of the Series 2017 GO Bonds does not exceed 120% of the weighted average useful life of the improvements and equipment financed by the Series 2017 GO Bonds.
- (viii) The City will not use or permit the use of any of the funds provided by the Series 2017 GO Bonds in such a manner as to, or take or omit to take any action which would, impair the exclusion from gross income for federal income tax purposes

of interest on the Series 2017 GO Bonds. The City shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the City on the Series 2017 GO Bonds shall, for the purposes of federal income taxation, be excludable from gross income.

- (ix) Within meaning of Code Section 265(b), the Series 2017 GO Bonds are **not** deemed “qualified tax-exempt obligations” and are not hereby so designated. The City represents that the reasonably anticipated amount of tax-exempt obligations which will be issued by the City during calendar year 2017 will exceed \$10,000,000.
- (x) This Series 2017 Bond Ordinance is intended to serve as a declaration of intent pursuant to Treasury Regulation § 1.150-2 that the City intends to use proceeds of the Series 2017 GO Bonds in an amount up to \$3,770,000 to reimburse the City for expenditures made with respect to the Project within sixty days before the date of enactment of this Ordinance.

ARTICLE XVIII DEFEASANCE

The City reserves the right at any time to cause the pledge of this Ordinance securing any Series 2017 GO Bonds to be defeased and released by paying an amount into an escrow fund sufficient, when invested (or sufficient without such investment, as the case may be) in direct obligations of the United States Government to assure the availability in such escrow fund of an adequate amount (i) to call for redemption and to redeem and retire all of such Series 2017 GO Bonds, both as to principal and as to interest, on the next or any optional redemption date, including all costs and expenses in connection therewith, and to pay all principal and interest falling due on such Series 2017 GO Bonds to and on said date, or (ii) to pay all principal and interest requirements on such Series 2017 GO Bonds as the same mature, without redemption in advance of maturity, the determination of whether to defease under (i) or (ii) or both to be made by the Board of Commissioners. The United States Government obligations shall have such maturities as to assure there will be sufficient funds for such purpose. If the defeasance is to be accomplished pursuant to clause (i) above, the City shall take all steps necessary to send notice of the redemption of such Series 2017 GO Bonds on the applicable redemption date. Upon the proper amount of United States Government obligations being placed in escrow and so pledged, the pledge of this Series 2017 Ordinance securing such Series 2017 GO Bonds shall be automatically fully defeased and released without any further action being necessary.

The immediately foregoing provisions are subject to the limitation that no such termination and release of the pledge of this Ordinance shall be accomplished through the use of any funds or investments which, in the opinion of the City’s Bond Counsel, would adversely affect the exclusion of interest on any such Series 2017 GO Bonds from gross income for federal income tax purposes.

**ARTICLE XIX
REBATE FUND**

The City hereby establishes the Rebate Fund in connection with the Series 2017 GO Bonds. Amounts from time to time held in the Rebate Fund, if any, shall be invested in Investment Obligations (to the extent practicable), shall not be subject to the pledge of this Series 2017 Ordinance, shall not constitute a part of the funds held for the benefit of the holders of the Series 2017 GO Bonds and shall be dedicated to the United States of America to the extent of any obligation on the part of the City to rebate to the United States Cumulative Excess Earnings.

Within ten days after the end of each Computation Period and within ten days after the payment in full of all outstanding Series 2017 GO Bonds, the City shall calculate the amount of Cumulative Excess Earnings as of the end of that Computation Period or the date of such payment, and shall also determine the amount then on deposit in the Rebate Fund. If the amount then on deposit in the Rebate Fund is in excess of the Cumulative Excess Earnings, the City shall forthwith deposit that excess amount in the Bond Fund. If the amount then on deposit in the Rebate Fund is less than the Cumulative Excess Earnings, the City shall within ten days deposit in the Rebate Fund an amount sufficient to cause the Rebate Fund to contain an amount equal to the Cumulative Excess Earnings. Within thirty days after the end of the fifth anniversary date of the issuance of the Series 2017 GO Bonds and every such fifth anniversary date thereafter, the City shall pay to the United States in accordance with Code Section 148(f) from the moneys then on deposit in the Rebate Fund an amount equal to 90% (or such greater percentage not in excess of 100% as the City may direct) of the Cumulative Excess Earnings as of the end of such fifth anniversary date. Within sixty days after the payment in full of all outstanding Series 2017 GO Bonds, the City shall pay to the United States in accordance with Code Section 148(f) from the moneys then on deposit in the Rebate Fund an amount equal to 100% of the Cumulative Excess Earnings as of the date of such payment and any moneys remaining in the Rebate Fund following such payment shall be paid to the Bond Fund.

**ARTICLE XX
CONTINUING DISCLOSURE**

Before the issuance of the Series 2017 GO Bonds, the City shall execute a Continuing Disclosure Undertaking (whether in the form of an agreement or certificate) dated the date of issuance and delivery of the Series 2017 GO Bonds, which document, as originally executed and as it may be amended from time to time in accordance with the terms thereof, is hereinafter referred to as the "**Continuing Disclosure Undertaking**." The City hereby covenants and agrees that it will comply with and carry out all of the provisions of its Continuing Disclosure Undertaking. Notwithstanding any other provision of this Series 2017 Ordinance, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered an event of default under this Series 2017 Ordinance; however, any holder of a Series 2017 GO Bond may take such action as may be necessary to obtain specific performance by court order to cause the City to comply with its obligations under the Continuing Disclosure Undertaking.

ARTICLE XXI
MISCELLANEOUS PROVISIONS

Section 21.01. Holidays. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Series 2017 Ordinance, is not a business day for the Paying Agent and Bond Registrar, such payment may be made or act performed or right exercised on the next succeeding business day with the same force and effect as if done on the date stipulated in this Series 2017 Ordinance and no interest shall accrue for the period after such stipulated date.

Section 21.02. Severability. If any section, paragraph, clause or provision of this Series 2017 Ordinance shall be held to be invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Series 2017 Ordinance.

Section 21.03. Repeal Of Inconsistent Provisions. All ordinances and municipal orders, or parts thereof, in conflict with the provisions of this Series 2017 Ordinance are, to the extent of any such conflict, hereby repealed.

Section 21.04. When Ordinance Effective; Approval Of Summary. This Series 2017 Ordinance shall be in full force and effect from and after its adoption and publication in summary form as provided by law. The summary of this Series 2017 Ordinance read at the meetings described below, prepared by a licensed attorney at law and including the title of this Series 2017 Ordinance, is hereby specifically approved and adopted for purposes of first and second readings and for the purpose of publication in summary form according to law.

Section 21.05. Rules Of Construction.

(a) **General.** The singular form of any word used herein, including the terms defined in **Exhibit A** attached hereto, shall include the plural, and vice versa. The use herein of a word of any gender shall include correlative words of all genders. Unless otherwise specified, the word "including" shall mean "including without limitation", the word "or" shall mean "or", and the word "any" shall mean "any and all."

(b) **References.** Unless otherwise specified, references to Articles, Sections, and other subdivisions of this Ordinance are to the designated Articles, Sections, and other subdivisions of this Ordinance as originally executed. The words "hereof," "herein," "hereunder," and words of similar import refer to this Ordinance as a whole.

(c) **Captions.** The captions or headings in this Ordinance are for convenience only and in no way define, limit, or describe the scope or intent of any provisions or sections of this Ordinance.

(d) **Accounting Terms.** All accounting terms not otherwise defined herein have the meanings assigned to them in accordance with GAAP.

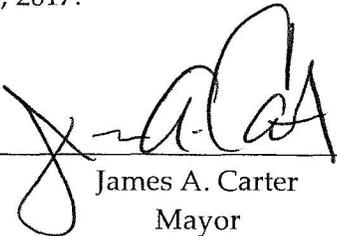

(e) **Exhibits.** Exhibits A and B attached hereto are hereby incorporated by reference into this Ordinance and constitute a part hereof.

KNOW ALL MEN BY THESE PRESENTS: That the City of Pikeville, Kentucky (the "City"), for value received, hereby promises to pay to the Registered Holder identified above, or registered assigns, the principal amount set out above, on the maturity date set out above, and to pay interest from the same source on the unpaid balance of said principal amount at the interest rate per annum set out above, payable on the first days of May and November in each year, beginning May 1, 2018, until payment of the principal sum or until the date fixed for redemption if this Series 2017 Bond is called for prior redemption and payment on such redemption date is duly provided for. Each such interest payment shall represent interest accruing on this Series 2017 Bond from the later of the Bond Date set out above or the most recent interest payment date (May 1st or November 1st) to which interest has been paid or duly provided for.

Interest accruing on this Series 2017 Bond shall be payable as aforesaid by check or draft drawn upon Community Trust Bank, Inc., Pikeville, Kentucky, or its successor as the Paying Agent and Bond Registrar (the "Paying Agent and Bond Registrar"), and mailed to the person who is the Registered Holder hereof as of the close of business on the Record Date for such interest installment, which Record Date shall be the 15th day of the month (whether or not a business day) next preceding an interest payment date, at the address of such Registered

Holder as it appears on the books of the Paying Agent and Bond Registrar. Principal shall be paid when due upon delivery of this Series 2017 Bond for payment at the principal office of the Paying Agent and Bond Registrar.

This Series 2017 Bond is one of a duly authorized issue of Series 2017 Bonds of the City designated "City of Pikeville, Kentucky, General Obligation Bonds, Series 2017 (the "Series 2017 Bonds"), issued in the original principal amount of \$_____, authorized and issued by the City pursuant to an ordinance duly adopted by its Board of Commissioners (the "Series 2017 Bond Ordinance") for the purpose of providing funds to finance certain public projects of the City and to pay related costs, and this Series 2017 Bond has been issued under and in compliance with the Constitution and statutes, as amended, of the Commonwealth, including among others Sections 158 and 159 of the Constitution of the Commonwealth and Sections 66.011 through 66.171 and Chapter 58 of the Kentucky Revised Statutes.

For the prompt payment of principal of and interest on this Series 2017 Bond when due, the full faith, credit, and taxing power of the City are hereby irrevocably pledged. Reference is made to the Series 2017 Bond Ordinance for the provisions with respect to the nature and extent of the security, the rights, duties, and obligations of the City and the Paying Agent and Bond Registrar and the holders of the Series 2017 Bonds, the terms upon which the Series 2017 Bonds are issued and the terms and conditions upon which the Series 2017 Bonds will be deemed to be paid at or before their scheduled maturity or redemption upon the making of provision for the payment thereof in the manner set forth in the Series 2017 Bond Ordinance.

*The Series 2017 Bonds maturing on November 1, 20___, are subject to mandatory sinking fund redemption in part, at the selection of the Paying Agent and Bond Registrar by lot, from moneys in the special fund identified hereinafter on each May 1st, beginning November 1, 20___, at the principal amount thereof plus accrued interest to the redemption date, according to the following schedule of mandatory sinking fund installments:

November 1	Amount
_____	\$ _____
_____	\$ _____
_____ (maturity)	\$ _____

* This paragraph is to be inserted, and may be repeated, with respect to any Term Bonds as described in Section 5.01 and ARTICLE XVI of this Ordinance.

The Series 2017 Bonds maturing on and after November 1, 2028, are subject to redemption by the City, at its option, before maturity on November 1, 2027, and on any date thereafter in whole or from time to time in part in any order of maturity (less than all of a single maturity to be selected by lot in such manner as the Paying Agent and Bond Registrar may determine) at the principal amount thereof plus accrued interest to the redemption date.

Not less than thirty days nor more than sixty days before the redemption date of any Series 2017 Bonds, the Paying Agent and Bond Registrar shall cause a notice of redemption to be mailed postage prepaid by first class mail to all registered holders of Series 2017 Bonds to be redeemed in whole or in part at their registered addresses. Failure to mail any notice or any defect therein in respect of any such Series 2017 Bond shall not affect the validity of the redemption of any other Series 2017 Bond. Such redemption notice shall set forth in detail the redemption provisions.

This Series 2017 Bond shall be transferable only upon the presentation and surrender hereof at the principal office of the Paying Agent and Bond Registrar duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Holder or his authorized representative. The Paying Agent and Bond Registrar shall not be required to transfer or exchange this Series 2017 Bond (a) during any period beginning five days before the selection by the Paying Agent and Bond Registrar of Series 2017 Bonds to be redeemed before maturity and ending on the date of mailing of notice of any such redemption or (b) if this Series 2017 Bond has been selected or called for redemption in whole or in part.

Series 2017 Bonds shall be exchangeable upon the presentation and surrender thereof at the principal office of the Paying Agent and Bond Registrar for a Series 2017 Bond or Series 2017 Bonds of the same maturity, and in the denomination of \$5,000 or any integral multiple thereof, in an aggregate principal amount or amounts equal to the unpaid principal amount of the Series 2017 Bond or Series 2017 Bonds presented for exchange. The Paying Agent and Bond Registrar shall authenticate and deliver Series 2017 Bonds delivered in exchange in accordance herewith.

It is hereby certified, recited, and declared that all acts, conditions, and things required to exist, happen, and be performed precedent to and in the execution and delivery of this Series 2017 Bond have existed, have happened and have been performed in due time, form, and manner as required by law; that the issuance of this Series 2017 Bond and the issue of which it forms a part, together with all other obligations of the City, does not exceed or violate any constitutional or statutory limitations; that provision has been made for the levying and collection of an annual tax, unlimited as to rate or amount, sufficient, to the extent other lawfully available moneys of the City are not provided for the purpose, to pay the principal of and interest on this Series 2017 Bond and the series of which it is a part as and when the several Series 2017 Bonds and interest thereon become due and payable; and that the full faith, credit, and taxing power of the City are hereby irrevocably pledged for the prompt payment of this Series 2017 Bond and the series of which it is a part, and the interest thereon, as the same from time to time become due and payable.

This Series 2017 Bond is exempt from ad valorem taxation by the Commonwealth of Kentucky and by all of the political subdivisions thereof.

RESPONSES TO COMMISSION'S FIRST INFORMATION REQUESTS

6. List all persons on Pikeville's payroll during the proposed test period. For each employee, state their job duties, total wages paid during the fiscal year, current salary or wage rate, and the percentage of work hours spent performing duties for each city division (e.g., water, sewer, police department, public works) during the fiscal year. If Pikeville's records do not permit the allocation of an employee's work hours among city divisions, provide an estimate for each employee and explain how Pikeville derived the estimate.

Response: The information requested relating to Pikeville's two employees, whose time is allocated to utilities and included within its revenue requirement, is attached.

WITNESS: Tonya Taylor

RESPONSES TO COMMISSION'S FIRST INFORMATION REQUESTS

7. For each employee listed in Item 6 above, describe how Pikeville allocated their payroll and payroll overhead charges to each city division for the proposed test period. This response shall include a detailed explanation of all allocation procedures. Payroll overhead charges include payroll taxes, health insurance premiums, pension costs, and any other employee benefit costs.

Response: For employees listed, payroll was allocated based upon percentage of revenues billed for each of the utilities service. Each fund's monthly revenue (gas, inside water, inside sewer, solid waste, outside water, and outside sewer) was divided by the grand total of all to get a percentage of each. The percentage was then applied to the gross wages/benefits for the employees in the utility department to allocate to each of the six funds.

RESPONSES TO COMMISSION'S FIRST INFORMATION REQUESTS

8. a. List all joint or shared costs that Pikeville incurred during the proposed test period. For each cost, list the vendor, total expense amount, amounts allocated per division, and the basis for allocation.
- b. Describe the procedures to allocate joint and shared costs among divisions for the proposed test period.
- c. Provide all internal memorandums, policy statements, correspondence, and documents related to the allocation of joint and shared costs.

Response:

- a. Shared costs that Pikeville's inside-city water operations incurred during the proposed test period are attached.
- b. A description of the procedures to allocate joint and shared costs is provided below.
1. Plant costs are allocated based upon consumption between inside and outside water. This includes electric, City utilities, repairs and maintenance, property insurance, and Utility Management Group monthly contract expenses related to the treatment plant.
 2. Supplies are allocated evenly between all utility departments.

Before filling out this form, please read carefully each part and all related definitions and instructions.

All information should be provided on a basis consistent with generally accepted accounting principles for the fiscal year July 1, 2015 through June 30, 2016.

Combine all items that are not entered in specific categories provided and enter the total in the "Other" line item. Amounts classified as "Other" should not exceed 5% of the corresponding category total.

ROUND TO THE NEAREST DOLLAR. DO NOT SHOW CENTS FOR REVENUES OR EXPENDITURES

THE ACTUAL TAX RATE LEVIED, COLUMN (c), PART IV MUST BE COMPLETED EVEN IF THERE WAS NOT A CHANGE IN THE TAX RATE FROM FISCAL YEAR 2014 - 2015.

Part IV - City Revenue requests the fee, rate or amount charged per unit of service. If any line-item has a multiple rate schedule, please provide a copy of the rate schedule. The schedule is only required in years when the rates have been revised or implemented.

Tax rates should be reported as decimal amounts. For instance a rate of 22 and 7/10 cents per \$100 assessed value should be reported as .227

Report only new debt or lease agreements. DO NOT COMPLETE THESE SECTIONS AGAIN IF THEY WERE REPORTED LAST YEAR AND THERE WERE NO CHANGES IN THE DEBT OR LEASE AGREEMENT.

Please be sure to reconcile subtotals and totals to the city's annual financial statements.

Information in this report should match financial information in the city's annual audited financial statements prepared in accordance with KRS 91A.020

DLG has developed an electronic version of the UFIR. You can access this document on the DLG website: <http://www.kydlgweb.ky.gov/>. For more information contact DLG-CSD@ky.gov or 800-346-5605.

Note Especially

Please report amounts covering all funds and accounts of your city except for employee-retirement funds administered by your city. Include bond redemption and interest funds, and construction or development funds as well as current funds. Exclude refunds and transfers between funds.

Please use black or blue ball point pen.

Since this form applies to cities of different sizes and complexity, some items may not apply to your city. However, read the definitions carefully for each item in the report.

Do not change any categories. Call for clarification.

This report must be returned to the Department of Local Government by May 1, 2017 per requirements of KRS 65.905.

Financial information for all utilities connected with the city must be reported on this form.

Please note your basis of accounting (cash, modified accrual or accrual) in this report.

Depreciation - to be shown as a part of "Other Operations".

General Definitions

The following general definitions will apply to grouping of expenditure categories:

General Government - includes all general functions of your city including finance, administration, elected officials, public buildings and general insurance coverage if not assigned to individual operating departments.

Public Safety - includes all police, fire, ambulance, correctional, inspection and code enforcement activities, and any other activity that promotes the protection of life and property.

Public Services - includes maintenance and construction of basic infrastructure and solid waste activities. Streets and roads, leaf and brush collection, solid waste collection and recycling, operation of public parking, riverports, and stormwater and natural resource management.

Community Service - includes parks and recreation, public health, public welfare and assistance activities, housing and community development, mass transit programs, and educational support programs.

Utilities - include water sewerage, natural gas, electric and telecommunications systems. Please report stormwater utility costs within Public Services even if a fee is charged to support the program as a utility.

Report only new debt or lease agreements. DO NOT COMPLETE THESE SECTIONS AGAIN IF THEY WERE REPORTED LAST YEAR AND THERE WERE NO CHANGES IN THE DEBT OR LEASE AGREEMENT.	Please be sure to reconcile subtotals and totals to the city's annual financial statements.
Information in this report should match financial information in the city's annual audited financial statements prepared in accordance with KRS 91A.020	DLG has developed an electronic version of the UFIR. You can access this document on the DLG website: http://www.kydlgweb.ky.gov/ . For more information contact DLG-CSD@ky.gov or 800-346-5606.
Note Especially	
Please report amounts covering all funds and accounts of your city except for employee-retirement funds administered by your city. Include bond redemption and interest funds, and construction or development funds as well as current funds. Exclude refunds and transfers between funds.	Please use black or blue ball point pen.
Since this form applies to cities of different sizes and complexity, some items may not apply to your city. However, read the definitions carefully for each item in the report.	Do not change any categories. Call for clarification.
This report must be returned to the Department of Local Government by May 1, 2018 per requirements of KRS 65.905.	Financial information for all utilities connected with the city must be reported on this form.
Please note your basis of accounting (cash, modified accrual or accrual) in this report.	Depreciation - to be shown as a part of "Other Operations".
General Definitions	
The following general definitions will apply to grouping of expenditure categories:	
General Government - includes all general functions of your city including finance, administration, elected officials, public buildings and general insurance coverage if not assigned to individual operating departments.	
Public Safety - includes all police, fire, ambulance, correctional, inspection and code enforcement activities, and any other activity that promotes the protection of life and property.	
Public Services - includes maintenance and construction of basic infrastructure and solid waste activities. Streets and roads, leaf and brush collection, solid waste collection and recycling, operation of public parking, riverports, and stormwater and natural resource management.	
Community Service - includes parks and recreation, public health, public welfare and assistance activities, housing and community development, mass transit programs, and educational support programs.	
Utilities - include water sewerage, natural gas, electric and telecommunications systems. Please report stormwater utility costs within Public Services even if a fee is charged to support the program as a utility.

CASE NO. 2019-00080
CITY OF PIKEVILLE WHOLESALE WATER SERVICE RATES
RESPONSES TO COMMISSION'S FIRST INFORMATION REQUESTS

12. a. Identify all persons or entities to which Pikeville provides wholesale water service.

b. For each customer listed above, provide for each of the previous 24 months its monthly water usage and the amount that Pikeville charged it for service.

Response:

a. Pikeville provides wholesale water service to Mountain Water District and Southern Water and Sewer District. It also has an emergency connection with Prestonsburg City Utility Commission.

b. The requested information is attached. Please note that Pikeville has discovered that it has inadvertently underbilled Mountain Water District since March 2018. During that time period, Pikeville billed Mountain Water District at a rate of \$1.68 per 1,000 gallons for the first 2,800,000 gallons and \$1.30 per 1,000 gallons for any amount over 2,800,000. The data included in this response reflects the underbilling. The correct billing should have been \$1.68 per 1,000 gallons for the first 28,000,000 gallons and \$1.30 for usage above that. Pikeville will coordinate with Mountain Water District to recover amounts owed.

(4) Pursuant § 52.02 (A), the following rates shall apply if the City Manager grants written approval for an exception for an apartment complex owner/operator with greater than twenty-five (25) units. This exception will be to the complex equipped with a master meter instead of individual meters. At the time he or she requests water service to be installed, the owner/operator shall supply the total number of apartments that the master meter will service. If this number changes at any time, it shall be the owner/operator's responsibility to notify the city at the time in which the number changes. In this event, the following rates shall apply:

(a) Rates inside the city corporate boundaries:

1. The owner of the apartment complex shall be responsible for the total usage and any and all fees cost or billing associated with water service.

2. If any unit is occupied for any amount of time during the billing calendar month, the owner of the apartment complex shall be billed the minimum of thirteen dollars and sixty-four cents (\$13.64) for each unit. Each unit billed shall get a credit of usage of two thousand (2,000) gallons for that unit. Every gallon used thereafter shall be billed at the rate of sixty-eight point two cents (\$0.682) per one hundred (100) gallons.

(b) Rates outside the city corporate boundaries:

1. The owner of the apartment complex shall be responsible for the total usage and any and all fees cost or billing associated with water service.

2. If any unit is occupied for any amount of time during the billing calendar month, the owner of the apartment complex shall be billed the minimum of thirty-one dollars and fifty cents (\$31.50) for each unit. Each unit billed shall get a credit of usage of two thousand (2,000) gallons for that unit. Every gallon used thereafter shall be billed at the rate of eighty-eight point two cents (\$0.882) per one hundred (100) gallons.

Note: In the event a unit is not rented during a calendar billing cycle, it will be the owner/operator's responsibility to submit a written and notarized statement of how many units were never occupied for the entire billing cycle month, together with the billing statement for an adjustment. Each month the city shall consider that all units are in use unless notified by the monthly billing process described herein.

WORK EXPERIENCE:

BWSC - Water & Wastewater Design Engineer

As a water and wastewater design engineer, responsibilities included having a working knowledge of water and wastewater treatment processes, system requirements such as pipe design, storage tank sizing, pump station design, preparing design calculations, writing specifications, developing cost estimates, producing plans and construction documents, assisting with the bidding process, making periodic construction inspections, and providing technical assistance to the clients.

BWSC - Water & Wastewater Project Manager

As a water and wastewater project manager, responsibilities included overseeing the planning, design and construction administration of complex projects such as the Harpeth Valley Utility District water treatment plant expansion, the Harpeth Valley Utility District wastewater treatment plant, the Dickson County water treatment plant, wastewater and stormwater pump stations at the Titans stadium, and a host of other water and wastewater projects including water line extensions, booster stations, storage tanks, sewer collection lines, and lift stations. All the water and wastewater projects involved planning, working directly with utility staff and board members, evaluating financing for each project, and many times submitting funding applications and working with funding agencies including Rural Development, State Revolving Loan Fund, Environmental Protection Agency, Community Development Block Grant, as well as assisting with revenue bonds.

Working as a project manager, I also took on the role of providing in-depth financial analysis including rate studies and cost of service analysis for all of BWSC 's offices. During my time at BWSC, I completed many rate studies. Some of the utilities included Harpeth Valley Utilities District, Franklin TN, Auburn AL, Kingsport TN, Portland TN, Oak Grove KY, Franklin KY, and several smaller town and utility districts.

BWSC - Group Manager

Responsibilities as a group manager included providing management and oversight of about 30 employees. Critical to any project is to make sure the right people are assigned to projects to ensure the success of the project and to maintain the best relations with the client. At this level, tough decisions must be made such as when to hire new staff, evaluating staff and in some cases, when to let someone go.

As group manager, duties also included working with other group managers and other offices to coordinate marketing opportunities and share staff as needed to ensure the completion of projects on time and within the budget.

During my time as a group manager, I continued doing rate studies and cost of service studies for all BWSC offices.

RateStudies – President

RateStudies is a small business that I established in 2013 to focus solely on providing rate analysis, cost of service analysis and comprehensive financial plans for water and wastewater utilities. It is my desire to provide individual attention to my clients and to offer a comprehensive yet easy to understand analysis that addresses the financial needs of the utility.

Projects

Over the past five and a half years since starting RateStudies, I have provided various services for financial analysis to over 20 cities and utility systems. During my time at BWSC, I have provided financial analysis to many more cities and utility systems.

Most of my work has been with cities or utility systems who request a rate study or rate analysis to determine the amount of rate increase needed due to undertaking a large project, to comply with state regulations, to meet increasing expenses, or other circumstances. A cost of service analysis was not needed or required on every project, but there have been a few projects that required a cost of service analysis. The following is a list of projects that included the cost of service analysis.

Past cost of service projects while working with BWSC:

Harpeth Valley Utilities District

The Harpeth Valley Utilities District is a large utility district that serves the western parts of Metro Nashville and Davidson County. They also serve other utility systems including the City of Brentwood, the City of Franklin, Mallory Valley Utility District, Milcrofton Utility District, and the HBTS Utility District. I provided a cost of service analysis to determine a wholesale rate that HVUD would charge its outside wholesale customers.

Moccasin Gap Sanitation District – Gate City, Virginia

A cost of service analysis was provided to the Moccasin Gap Sanitation District of Gate City, Virginia who needed to determine a rate for a new outside service area known as the Kermit Area.

Auburn, Alabama

The city of Auburn, Alabama wanted to develop a reasonable rate that the City should be charging Auburn University. A cost of service analysis was used in making that determination.

Kingsport, Tennessee

The City of Kingsport, Tennessee wanted to develop a reasonable rate that the city should be charging their largest industry – Eastman. A cost of service analysis was used in making that determination.

Franklin, Tennessee

A cost of service analysis was used for the City of Franklin, Tennessee to reduce the number of customer classes and set rates for only three classes of customers; residential, commercial, and industrial.

Oak Grove, Kentucky

A cost of service was used to set separate rates for residential and commercial customers.

Cost of service projects with RateStudies LLC

Dayton, TN hired RateStudies to do a rate study and cost of service analysis to analyze their current sewer rate charged to industrial customers. Dayton was preparing to construct a new \$18 million wastewater treatment plant and, at the same time, to attract a new industrial customer. One concern of the industry was Dayton's sewer rate being higher than in other cities they were considering. The report recommended that the City establish an industrial class of customers. The results of the cost of service analysis provided a lower rate for the industrial class of customers. Dayton was successful in attracting the new industry.

Lincoln County, TN recently installed a new wastewater collection system. A rate study revealed that significant rate increases were needed to provide positive cash flow and meet state law regarding the change in net position. Recommendations included re-negotiating their contract with Fayetteville, Tennessee who was providing operation,

maintenance, and treatment services. Rates in the contract were based on a cost of service analysis. RateStudies was successful in working with Lincoln County in re-negotiating their contract which lowered the amount of rate increase needed using the cost of service method.

Northwest Utility District

The Soddy Daisy Utility District, Sale Creek Utility District, and Mowbray Utility District merged to form the Northwest Utility District. All three utility systems had separate and different rate structures. RateStudies was hired to do a cost of service analysis for determining residential and commercial rates.

Goodlettsville, Tennessee

The City of Goodlettsville, Tennessee has a wastewater collection and interceptor system but does not have a treatment facility, Metro Nashville provides treatment. There are two other cities, the City of Ridgetop and the City of Millersville who utilizes the Goodlettsville interceptor system to transport their wastewater to the Metro Nashville treatment facility. RateStudies used a cost of service analysis to determine a transportation rate for the two cities.

Metro Nashville Wholesale Rate Review

Metro Nashville provides wastewater treatment to several utility systems. RateStudies was hired by several utilities including the City of Brentwood, the City of Belle Meade and the City of Goodlettsville to review the cost of service analysis used by Metro Nashville to set wholesale rates.

Pikeville, Kentucky

It had been eleven years since rates were raised on the Mountain Water District. A cost of service analysis was used to set a new rate.

Current RateStudies projects with a cost of service analysis

Lynchburg, Tennessee

The office of the Comptroller of the State of Tennessee has issued the City of Lynchburg, Tennessee an order to do a cost of service analysis in order to determine a separate rate for its largest industry – Jack Daniels. RateStudies was hired to provide the cost of service analysis.

Luttrell, Tennessee

The office of the Comptroller of the State of Tennessee has issued the City of Luttrell, Tennessee an order to do a cost of service analysis in order to determine a separate rate for its outside customers in Knox County. RateStudies was hired to provide the cost of service analysis.

25. Provide the ordinance or resolution of the city council or similar governing body in which the proposed rate adjustment was approved.

Response: Pikeville objects to this request as it is not relevant to this proceeding. In *City of Russellville v. Public Service Commission*, the Franklin Circuit Court found that the PSC's requirement that Russellville enact an ordinance precisely identifying the proposed rate increase before applying for the increase was unlawful. The Court of Appeals affirmed the circuit court's decision. *See City of Russellville v. Public Serv. Comm'n*, No. 2003-CA-002132-MR, 2005 WL 385077 (Ky. App. Mar. 15, 2006).

RE: Rate Increase

Dear Dean:

The purpose of this letter is to notify the Southern Water & Sewer District Board of Directors that the City of Pikeville will be increasing its wholesale.

Revised rates will be as follows:

\$2.58 per one thousand gallons of water

If you have any questions, you may contact Philip Elswick at (606) 437-5100 or via e-mail at philip.elswick@pikevilleky.gov, and we can meet with you to discuss the increase.

Sincerely,

James A. Carter

**RE: MWD / CITY OF PIKEVILLE
WHOLESALE WATER PURCHASE CONTRACT**

Dear Phillip:

On behalf of the Mountain Water District, please be advised that I have been directed by the board to notify you that the District respectfully rejects to your proposed fifty percent (50%) rate increase, and pursuant to our agreement dated November 14, 2011, the District is electing to pursue "good faith negotiations for a new rate schedule".

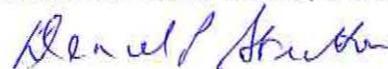

In order to effectively began negotiations, the District would request that you send us any and all information you have, upon which you base the increase. Further, we would like to know whether or not any other wholesale purchase contracts have been increased, and whether or not there is a proposed rate increase for retail customers.

If we can have that information a couple weeks in advance of any meetings, I think it will help make for a more informed discussion of the issues.

Once we have the information, we will be happy to schedule a meeting with you to begin negotiations.

If you have any questions, please do not hesitate to call.

Sincerely,

**RE: MWD / CITY OF PIKEVILLE
WHOLESALE WATER PURCHASE CONTRACT**

Dear Phillip:

Following the District's Board meeting this morning, Mike Blackburn, Roy Sawyers and I met to discuss your request for a meeting with Roy sometime next week. While we are more than happy to meet with you at any time concerning this matter, we simply do not believe that any meeting can be productive unless and until, we have had an opportunity to review the information we requested from you in my letter of July 26, 2018.

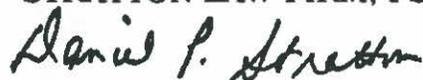

In my above referenced letter, we requested any and all information that you have, upon which you base the need for an increase of fees. We also asked whether or not any other wholesale purchase contracts had been increased, and whether or not there is a proposed rate increase for retail customers.

After we've had time to review the requested information, we will be in position to have a much more meaningful discussion. Also, please be advised that we have some ideas that maybe beneficial to both entities, that we would like to discuss when we meet.

Once we have the information, we will be happy to schedule a meeting with you to begin negotiations.

If you have any questions, please do not hesitate to call.

RE: Rate Increase

Dear Dean:

As we discussed on September 10, 2018, the City of Pikeville will agree to increase wholesale water rates to the Southern Water & Sewer District at a rate of \$2.25 per 1,000 gallons to be effective on October 16, 2018. I am attaching a copy of the customer notice that the Public Service Commission has previously required to be mailed.

It is my understanding that Southern's Board will consider Pikeville's rate increase at its board meeting on September 24, 2018. After that meeting, please confirm that Southern will not object to Pikeville's rate increase.

If you have any questions, please contact me at (606) 437-5100 or via e-mail at philip.elswick@pikevilleky.gov.

Sincerely,

Philip R. Elswick, P.E.

NOTICE

Notice is hereby given that the City of Pikeville proposes to increase its rate for wholesale water service to Southern Water and Sewer District effective October 16, 2018. On or about September 13, 2018, documentation will be filed with the Kentucky Public Service Commission to increase rates as follows:

<u>Current Rate</u>	<u>New Rate</u>	<u>\$ Change Ave. Month</u>	<u>% Change Ave. Rate</u>
\$1.72 per 1,000 gallons	\$2.25 per 1,000 gallons	\$5,653.33*	30.81%

* Based on an average of 128,000,000 gallons per year

The proposed effective date is October 16, 2018. Water flowing through the meter(s) before the effective date will be charged at the current rate while water flowing through the meter(s) on and after the effective date will be charged at the proposed new rate.

The rates contained in this notice are the rates proposed by the City of Pikeville but the Public Service Commission may order rates to be charged that differ from the proposed rates contained in this notice.

Any person may examine this filing at the offices the Pikeville City Hall, City Manager's Office, located at 213 Main Street in Pikeville, Kentucky; telephone (606) 437-5100.

This filing may also be examined at the offices of the Public Service Commission located at 211 Sower Boulevard in Frankfort, Kentucky, Monday through Friday from 8:00am to 4:30pm or through the PSC website at <http://psc.ky.gov>.

Comments regarding the filing may be submitted to the PSC through its website or by mail to Public Service Commission, Post Office Box 615, Frankfort, KY 40602.

A timely written request for intervention that establishes grounds for the request may also be submitted to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602. If the PSC does not receive a written request for intervention within thirty (30) days of the date notice was initially provided, the PSC may take final action on the filing.

RE: Rate Increase

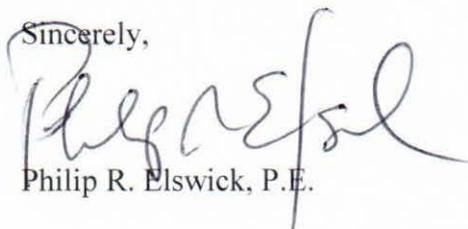

Dear Dan:

I have received your letter dated August 30, 2018, in which you request information on which the City based its need for increased wholesale water rates. I am attaching a draft copy of the cost of service study that a rate analyst prepared. As you can see, the cost-of-service study recommends an increase to a one-tier rate of \$2.25 per 1,000 gallons. This rate, however, does not include certain expenses that the Public Service Commission would typically permit to be recovered in rates, such as rate case expense.

Southern Water and Sewer District has recently accepted the proposed increase to \$2.25 per 1,000 gallons, and the Public Service Commission has accepted that rate. (See attached tariff page.) If Mountain Water District is willing to agree to accept that same rate for all usage and thereby forego additional expenses in litigating a rate case, the City will agree to set the rate at \$2.25 per 1,000 gallons to Mountain Water District.

I look forward to hearing from you and the District. If you have any questions, please contact me at (606) 437-5100 or via e-mail at philip.elswick@pikevilleky.gov.

Sincerely,

Philip R. Elswick, P.E.

Wholesale Water Cost of Service Analysis

Executive Summary

Purpose

The purpose of this report is to present a Wholesale Water Cost of Service Analysis for the City of Pikeville, Kentucky to determine fair rates for its wholesale water customers. Currently the wholesale customers include two water utility systems: Mountain Water (Mountain Wt.) and Southern Water (Southern Wt.), and they have different rates. This report will determine a common wholesale rate for both.

Methodology

The methodology used by RateStudies is based on the *American Water Works Association (AWWA) M1 Manual - Principles of Water Rates, Fees and Charges, a Manual of Water Supply Practices*. Although rate studies are not an exact science, the financial models used in this report can be a valuable tool for making financial decisions and setting water rates. Considerations are also made to make the rate analysis simple and understandable to city and utility officials, managers, staff and customers.

Included in this report is a historical view of past financial records, a reasonable projection of revenue and expenses, and recommendations for operational financing over the next five years. Staff from the City of Pikeville and Utility Management Group (UMG) assisted in the collection of historical data, growth projections, revenue and expense projections, and the final recommendations of this report.

The data presented was taken from the last five years of annual financial reports provided by the City. The information from the past five years was used in making financial projections for the next five years.

To develop a framework for setting new rates, this study utilized a Cost of Service Analysis and a Cash Analysis. The target year for the Cost of Service Analysis was chosen to be fiscal year (FY) 2017 to take advantage of the most recent financial reports provided by the City. The Cash Analysis included the previous five years (2013 – 2017) and the next five years (2018 – 2022). Both analyses were prepared using Excel spreadsheets. Graphs and charts are provided to give a visual presentation of the key analyses in this report.

Values from the 2017 Wholesale Water Cost of Service Analysis were used to examine the five previous years of the Cash Analysis and in making projections for the next five years. The Wholesale Water Cash Analysis shows the amount of gain or loss each year by subtracting the wholesale expenses from the wholesale revenue.

Current Circumstances

The City of Pikeville provides water to the Mountain Water and Southern Water systems at two different rates. The basic rate for the Mountain Water system is \$1.58 per 1,000 gallons, and for Southern it is \$1.72 per 1,000 gallons. Although they are charged differently, the City provides the same level of service to each. Together, the two utilities bought 67% of all water sold to inside water customers in FY 2017 yet provided only 44% of the revenue. The City has separate accounting for outside water customers, but the financial accounting for Mountain Wt. and Southern Wt. are included with the inside water customers.

Wholesale revenue minus wholesale expenses for FY 2017 was a negative \$75,471.

Recommendations

It is recommended that the City create a wholesale class of customers that would include Mountain Wt. and Southern Wt. The City has separate financial accounting for inside city water customers and outside city water customers. Mountain Wt. and Southern Wt. revenue and expenses are currently included with the inside water accounting and it is recommended that the wholesale financial accounting remain with the inside water accounting.

Maintain a cash surplus of at least \$20,000 each year. To do so the following rate changes are recommended:

Mountain Wt. – The current rate for Mountain Wt. is \$1.58 per 1,000 gallons. Based on the Cost of Service Analysis, the rate should be adjusted to \$2.05 per 1,000 gallons for FY 2017. The Cash Analysis indicates that an additional 13% increase is needed to produce a surplus through FY 2022; therefore, a rate increase of 43% is needed for FY 2019 and would increase the cost per 1,000 gallons rate to \$2.25.

Southern Wt. – The current rate for Southern Wt. is \$1.72 per 1,000 gallons. Based on the Cost of Service Analysis, the rate should be adjusted to \$2.05 per 1,000 gallons for FY 2017. The Cash Analysis indicates that an additional 13% increase is needed to produce a surplus through FY 2022; therefore, a rate increase of 32% is needed for FY 2019 and would increase the cost per 1,000 gallons rate to \$2.25.

Other Considerations

Although the proposed rate increases are designed to improve the utility's finances through FY2022, it is also recommended to monitor and update this report at least every two years to verify projections presented in this report, to react to unforeseen financial changes, and to make corrections as necessary.

Revenue Projections

Overview

The City of Pikeville depends on revenue collected from its customers to pay for all the water department needs, including operating costs, maintenance, debt and capital expenses. Projecting revenue is critical for determining the sufficiency of current rates and the need for rate increases. A review and analysis of the previous five years' records for fiscal years (FY) 2012 - 2017 provides a reasonable basis for making projections over the next five years (FY 2018 - 2022) concerning customer growth and revenue.

Revenue Projections

Wholesale revenue for both Mountain Wt. and Southern Wt. has declined over the past five years. In FY 2013 the combined wholesale revenue was \$1,086,822 and for FY 2017 it was \$998,074.

Over the next five years, wholesale water usage is projected to increase, primarily due to new industries having a positive impact on the economy in the Pikeville region. Although there was about an 8% loss in revenue over the last five years, an increase in revenue of 3% is projected over the next five years.

Figure 1 shows the wholesale usage and revenue projections for FY 2013 - 2022.

Other considerations

Water usage and associated revenue will vary according to weather. Customers generally use less water in years that have greater than average amounts of rainfall and more water usage in years when the amount of rainfall is less than average. This report assumes that rainfall will remain at average levels over the next five years.

Many water customers are becoming more conscious of water conservation and are installing water conservation devices to help reduce water usage. Any reduction in water usage will result in a reduction of water revenue.

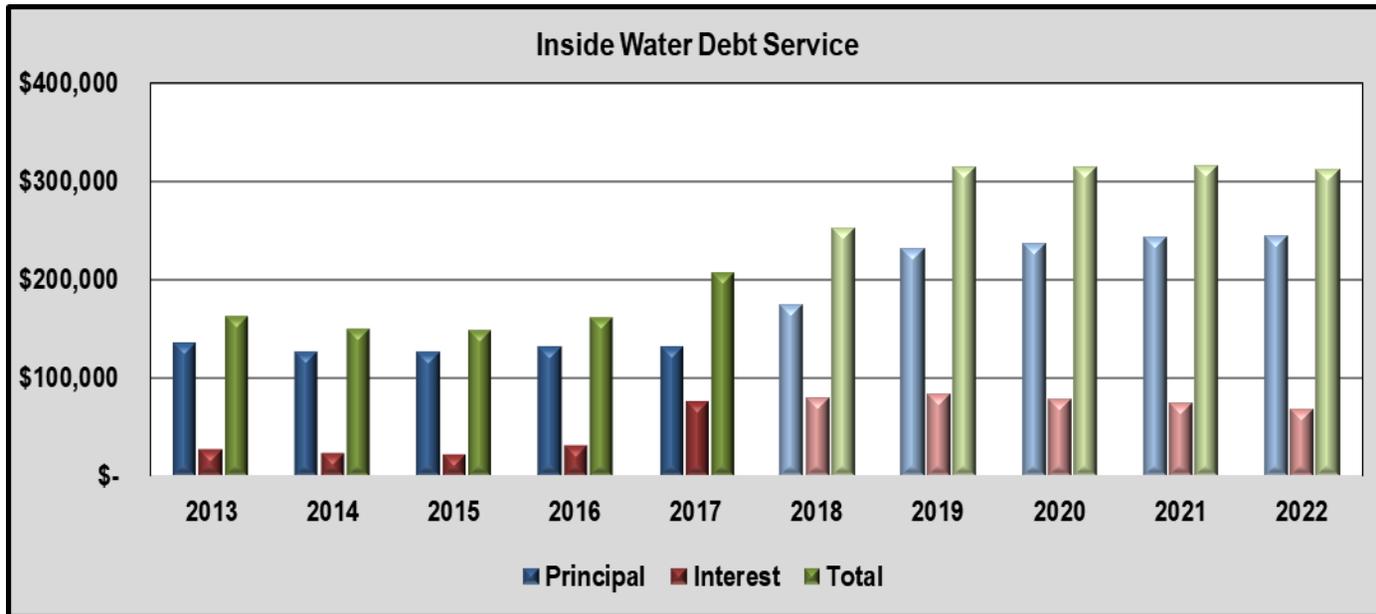

Figure 2

General Expenses

Overview

The City of Pikeville maintains a comprehensive budget with over 30 expense items. Included are items such as insurance, office supplies, repair and maintenance, salaries and benefits, UMG services, electric cost, and other expenses.

Methodology

Spreadsheets were developed containing each expense item for the past five years (2013 - 2017). Work sessions were conducted with City staff and UMG staff knowledgeable of the water system to make revenue and expense projections for the next five years (2018 - 2022). Making projections for expenses requires a knowledge base of what happened in the past, current events, and a reasonable expectation of what will happen over the next five years. Some expenses are more predictable than others such as UMG services and salaries and benefits, but items like repair and maintenance will vary because of the unpredictability of what is going to break next, when is the next large electric rate change, or what is the price of gasoline going to do. All projections, however, are generally made on the conservative side.

Inside Water General Expenses

A significant increase (13%) in expenses is projected for FY 2018, primarily due to expected increases in repairs and maintenance, gasoline, and electricity. Increases of 4% - 5% are projected for FY 2019 - 2022.

Figure 3 is a listing of all inside water system expenses and what each expense is projected to be through FY 2022.

Other considerations

General expenses can vary from year to year. A large repair and maintenance item or needing to buy large quantities of materials and supplies, can make a big difference and could impact cash reserves.

Cost of Service Analysis

Overview

A Cost of Service Analysis is a method used to fairly distribute cost to classes of customers based on the services provided to each class. The City of Pikeville does not distinguish between classes of customers such as residential, commercial, or industrial. However, the City provides water service to two other water systems, Mountain Wt. and Southern Wt. Each of these water systems are charged different rates although they are provided the same level of service. The purpose of the Cost of Service Analysis is to determine a common fair water rate for both water systems.

Methodology

The American Water Works Association published a book titled “Manual of Water Supply Practices – M54 – Developing Rates for Small Systems” that describes the rate-making process as follows: (1) *determination of revenue requirements*; (2) *identification of customer classes*; (3) *allocation of costs to the functional components of the Cost of Service*; (4) *distribution of the functional Cost of Service to customer classes*; and (5) *development and design of a schedule of rates and charges to recover the revenue requirements*. The Cost of Service Analysis prepared for the City’s wholesale customers follows this pattern.

Revenue Requirement

The revenue requirement is the total amount of cash needed for the inside water system to operate for a specific year. The year selected for this report is FY 2017 because of the available City financial reports. The “Cash-Basis” method as described by AWWA is used to determine the revenue requirement. Each line item listed in the City’s financial report is distributed to three main categories: Administration, Water Treatment Plant, and Distribution. **Figure 4** shows how the total cost of each category was determined.

There are two components of the City’s water rate structure: a fixed cost and a variable cost. Fixed costs are those costs unrelated to the treatment and distribution of water, and variable costs are those associated directly or indirectly with the treatment and distribution of water. The fixed costs are generally used to determine a base amount to be used in the calculation of a minimum bill, while the variable cost is used to determine a unit rate, or cost per 1,000 gallons. It is this variable rate for the wholesale customers that is to be determined by the Cost of Service Analysis. Some line items of the water treatment plant and distribution system contain both fixed and variable costs.

Figure 5 shows a summary of the FY 2017 operating costs in terms of administration, water treatment plant, and distribution system. Also included is the cost of debt, which is divided evenly between the fixed and variable cost. This is done because all the infrastructure paid for by debt is not used to its fullest capacity. In addition, there may be some infrastructure not directly related to the production and distribution of water such as building, labs, and offices at the water plant that were paid by debt. A detailed analysis of the unused capacity was not performed, nor was there available a detailed list of everything that was paid by the loans and bond issues. Given these limitations, a 50-50 split in the fixed and variable components was assumed for the cost of debt.

Included in the cost components is an item called “Other Income”. This is a combination of fees and penalties collected by the City that primarily impacts the fixed costs and not the variable costs. Generally, these fees are not directly related to the production and distribution of water.

The “Excess for Capital Funds” is the excess cash (revenue less expenses) realized in FY 2017 for the inside water system that can be used for capital expenses or cash reserve purposes. A healthy cash reserve is important because emergencies do happen. It is not a question of if it will happen, but rather when, and how much it will cost the City.

The result of this part of the Cost of Service Analysis shows that the revenue requirement for \$2,146,055 of total cost is to be recovered through the variable rate.

Figure 5 also contains a FY 2017 inside water usage analysis revealing that Mountain Wt. and Southern Wt. combined to purchase 67% of all water sold to the City’s inside customers. There is also an analysis showing that Mountain Wt. and Southern Wt. combined to contribute only 44% of the revenue collected from all inside customers.

Customer Classes

It is recommended that the City create a wholesale class of water customers to include Mountain Wt. and Southern Wt. Although the City serves several types of water customers, for simplicity it is recommended that the City not create additional classes of customers.

Cost Allocation

The allocation of variable operating costs is shown in **Figure 6**. The cost of the distribution system is allocated to eight services. Allocation of these costs are determined by applying percentages as determined by general knowledge of the City’s staff and UMG staff of how the services are being provided to the inside water customers, including Mountain Wt. and Southern Wt. The percentages are then multiplied by the total cost of the distribution system to determine the amount allocated to each service item.

Cost Distribution

The Cost Distribution is shown in **Figure 7**. The variable operating cost of each water service, as well as the cost of debt and capital funds, is presented along with an estimated percentage of distribution to Mountain Wt. and Southern Wt. For most of the services, the percentages used to distribute costs to these two customers (50% and 17%, respectively) are the percentage of usage shown in **Figure 5**. The cost of each service item is multiplied by the corresponding percentage for the wholesale customers. The result is a fair amount that each wholesale customer should pay for each item of service. These costs then totaled together to determine the amount of revenue required from each. For service calls and testing, however, Mountain Wt. and Southern Wt. does not pay anything for these services because the City does not provide service call to their customers and the City does not do water testing in within their systems. Finally, the revenue required is divided by the annual amount of water bought to determine the variable rate.

Wholesale Cost Summary

The 2017 Wholesale Cost Summary in **Figure 7** gives the percentage that the wholesale customers should pay based on the cost allocation and distribution methodology. Below is a summary of the results.

Total Operating Costs	50%
Debt Service	33%
Other Income	0%
Surplus for Capital Funds	67%
Total Revenue Requirement	56%

The 50% of total operating expenses (administration, water treatment plant, and distribution system costs) will be used in the Cash Analysis to examine the previous five years of expenses and make projections for the next five years.

The 33% of debt service will also be used in the Cash Analysis to examine the previous five years of debt service and make projection for the next five years.

For the wholesale customers, paying 56% of the revenue is less than the 67% of water purchased, but it is more than the 44% of the revenue they have been paying.

Required Rate Determination

As shown in **Figure 7**, the result of the Cost of Service Analysis concludes that Mountain Wt. and Southern Wt. each paid less than their fair share of the total variable costs of water service for 2017. Mountain Wt. needs a 30% increase to adjust for their fair share of water service provided in FY2017 and Southern Wt. needs a 19% increase. These adjusted rates are used as the base for the recommended FY 2019 wholesale water rate increase.

The following is a summary for the required rate for the wholesale customer class.

<u>Customer Class</u>	<u>Revenue Required</u>	<u>Usage</u>	<u>Rate per 1,000 gallons</u>
Wholesale	\$1,267,604	619 MGY	\$2.05

Other Considerations

Establishing a wholesale class of customers would give the City flexibility to include other large water users and allow them to take advantage of a reduced water rate.

Cash Analysis

Overview

It is important for the City of Pikeville to know the amount of cash it has on hand and if its cash reserves are growing or being depleted. Cash is necessary to pay for the utility's operational and maintenance needs as well as debt and capital expenses to preserve its infrastructure, retain its staff, deliver services to customers, preserve restricted accounts, and maintain a healthy cash reserve. Therefore, it is important to predict its anticipated expenditures and how much cash the utility expects to receive from its customers. Such an examination is called a Cash Analysis. If the projected revenue is less than the projected expenses, or less than a minimal amount of cash, under normal circumstances a rate increase is needed.

Methodology

The Cash Analysis is configured like a simplified cash budget showing the amount of wholesale revenue and the amount of expenses determined by using projections and information from the Cost of Service Analysis. Revenue minus expenses provides the amount of cash available for capital funds and reserves. A negative amount indicates the need for a rate increase.

Wholesale Water

Figure 8 shows the Cash Analysis for the inside water system. The average increase in revenue over the next five years is projected to be between .5% and 1%, and the average expenses over the next five years is projected to be about 3.7%. The debt service is projected to increase to about \$105,000 in 2019 and then remain level. Information from the Cost of Service Analysis is used to examine the previous five years of wholesale expenses and debt service, and to project wholesale expenses and debt service over the next five years.

The Cash Analysis shows a deficit in FY 2014 primarily due to a large, one-time, debt payment. In FY 2017 the deficit was \$70,471 and the deficit through FY 2022 exceeds \$380,000.

Rate Increase

Overview

The determination of the amount of rate increase needed is based on the Cost of Service Analysis and Cash Analysis. It is critically important that each wholesale account provide enough revenue to cover all wholesale expenses and debt. In addition, an excess amount of cash is needed for emergency repairs, capital improvements and replacement of equipment, vehicles and other capital items needed for the purposes of producing and delivering water to the wholesale customers. The minimum excess amount of cash generated each year should not be less \$20,000 projected through FY 2022.

Wholesale Water

It is recommended to adjust the Mountain Wt. and Southern Wt. rates to the required rates determined in the Cost of Service Analysis. As shown in **Figure 7**, this would mean a rate increase of 30% for Mountain Wt. and 19% for Southern Wt. However, to provide an excess amount of cash of at least \$20,000 each year through FY 2022, an additional increase of 13% will be needed. Therefore, a total increase of 43% is need for Mountain Wt. in FY 2019 and an increase of 32% is needed for Southern Wt. in FY 2019. **Figure 9** is a spreadsheet like the Cash Analysis in **Figure 8** but includes the recommended rate increases. This rate increase provides adequate cash flow to create a positive income (revenue less expenses) and maintain over \$20,000 in cash at the end of each year through 2022. **Figure 10** is a graphical representation of the Cash Analysis without the Rate Increase and the Cash Analysis with the Recommended Rate Increases.

Other considerations

The recommended rate increase is based on projections of revenue, expenses, and debt service. The City should review annually the impacts of making these increases and adjust as needed.

Recommendations

It is recommended that the City of Pikeville implement the following for its Inside Water System:

1. Create a wholesale class of customers than includes Mountain Wt. and Southern Wt.
2. Maintain at least \$20,000 in excess cash from the wholesale customers.
3. Adjust Mountain Wt. rates to reflect an increase of 43% which would increase their cost per 1,000 gallons from \$1.58 to \$2.25.
4. Adjust Southern Wt. rates to reflect an increase of 32% which would increase their cost per 1,000 gallons from \$1.72 to \$2.25.

These increases are based on providing a cash surplus of at least \$20,000 each year through FY 2022. The cash reserves are needed for:

1. Emergencies such as major water line repairs and replacements that are unplanned, pump failures, replacing electrical components etc. that are beyond the scope of budgeted repair and maintenance items.
2. Lending agencies require varying amounts of cash to be held in reserve.
3. Self-funding capital improvement instead of selling bonds or borrowing from state and federal agencies which place regulations on how the money is spent.
4. Interest earnings which can be used as income to supplement revenue and pay expenses.

The recommendations for rate increases are based on projections and estimates of revenue, general expenses, capital expenses, and capital improvements to be made over the next five years. The City should review annually the impacts of making these increases and adjust as necessary.

WHOLESALE WATER PURCHASE CONTRACT**

Dear Phillip:

Thank you for your letter of October 16, 2018, purposing a rate increase of \$2.25 per thousand based on the attached cost of service study.

Please be advised that the District will carefully consider the same. The District's next board meeting is scheduled for October 31, 2018, and we will present your study to the board at that time and we will follow-up with you according to their direction.

Sincerely,

**RE: MWD / CITY OF PIKEVILLE
PROPOSED MOUNTAIN WATER DISTRICT RATE INCREASE**

Dear Phillip:

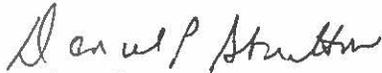

Please be advised that at the District's board meeting yesterday, the board appointed a committee to negotiate a rate increase with the City of Pikeville. Our committee members will be, Mike Blackburn, Chairman; Kevin Varney, Roy Sawyers, Mike Spears and myself. Johnny Tackett, will be an alternate board member, who will attend if one of the other board members can't.

We would request dates that you have available to meet. With this many people involved it's always difficult to find available times, but sometime in the first two weeks in December, may be a good place to start. Secondly, because Commissioners often times find it difficult to schedule time away from work, we would be happy to consider some options in the evening, as that may make some more time available.

We are also amenable to meeting at your office or mine, whichever location works best for you.

As soon as we here from you on available dates, we will circulate them among our committee members and get back with you as soon as possible. If you have any questions, please feel free to call.

Sincerely,

RE: Pikeville's Wholesale Rate Increase to Mountain Water District

Dear Dan:

Please find the attached Cost of Service Analysis prepared by RateStudies on behalf of the City of Pikeville. This study incorporates the debt-service-coverage methodology for calculating revenue requirement that the Public Service Commission routinely approves. As you can see, the cost-of-service study recommends an increase to a one-tier rate of \$2.30 per 1,000 gallons. In contrast, the previous cost-of-service analysis that was based on the American Water Works Association's M54 Manual recommended an increase to \$2.25 per 1,000 gallons.

In the interests of settlement and good faith negotiations, the City of Pikeville will continue to offer Mountain Water District a proposed rate of \$2.25 per 1,000 gallons, regardless of the fact that the new cost analysis that is supported by a methodology approved by the Public Service Commission recommends a higher rate. If Mountain Water District objects to this rate and Pikeville must present a case before the Public Service Commission, Pikeville will request the full amount to which it is entitled, including rate case expenses that are not included in the calculations of the rates identified above.

As I am sure you saw, the City has increased water rates to its retail customers, and it must increase its wholesale rates to Mountain Water District to ensure that it is recovering its costs to provide service. We respectfully request a response to this letter no later than February 20, 2019, so that the City knows how to proceed.

We look forward to hearing from you and the District. If you have any questions, please contact me or City Attorney Rusty Davis.

City of Pikeville, Kentucky

2017 – Mountain Water District – Cost of Service Analysis

Purpose

The purpose of this report is to present a Cost of Service Analysis for the City of Pikeville, Kentucky (City) to determine a fair water rate for the Mountain Water District (MWD).

Current Circumstances

The City provides water to the MWD from the City's water treatment plant and through its extensive water distribution system. In fiscal year (FY) 2017 MWD bought 50% of all water sold to inside customers and provided only 32% of the revenue. Although the City has outside water customers, financial accounting for WMD is included with the inside customers. The City has separate financial accounting for outside customers as well as separate financial accounting for inside sewer customers and outside sewer customers.

It has been eleven years since the water rates for MWD has been increased.

MWD has ten master meters, identified in **Figure 1** and surrounds the City as shown in **Figure 2**. There is one master meter North of the City, two East of the City, two West of the City and five South of the City. The highlighted water lines in green are used by the City to provide adequate service to the MWD master meters.

Cost of Service Analysis

A Cost of Service Analysis is a method used to fairly distribute cost based on the level of service provided. The City does not distinguish between classes of customers such as residential, commercial or industrial. All these customers pay the same rate for water service. MWD, however, pays a different rate. This analysis will determine an updated water rate for MWD.

Methodology

The methodology for the Cost of Service Analysis is as follows: (1) determination of revenue requirements; (2) allocation of cost to the functional components of the Cost of Service; (3) distribution of the functional Cost of Service; and (4) calculation of a rate to recover revenue requirements.

This analysis for the City does not include peak day or peak hour demands. The City does not have adequate data for such determination. A “return on equity” or a “risk premium” is also not included in this analysis.

(1) Revenue Requirement

The revenue requirement is the total amount of cash needed for the inside water system to operate for a specific year. The year selected for this report is FY 2017 because of the available City financial reports. The “Debt Service Coverage” method is used in determining the revenue requirements. Components of the revenue requirement include:

- (a) Operation and Maintenance
- (b) Debt Service
- (c) Debt Service Coverage
- (d) Depreciation
- (e) Other Income

(a) Operation and Maintenance

The City maintains comprehensive annual financial records that include revenue, other income, and expenses. There is a total of twenty-six expense items, but none are allocated to the functional cost of service. For the purpose of this report, the expenses are allocated to three main categories: Administration, Water Treatment Plant, and Distribution. Staff from the City and Utility Management Group (UMG) assisted in the collection of data, and the allocation of cost to the categories of administration, water treatment plant and distribution. A percentage of cost for each line item was determined and allocated to each category, then for each category, a percentage of the cost was determined to be either fixed for a variable. **Figure 3** shows how the total cost of each category was determined.

(c) Debt Service Coverage

The Debt Service Coverage, or DSC, is a measure of the cash flow available to pay current debt obligations. The coverage is the net operation income as a multiple of debt obligations due within one year, including interest and principal payments. A debt service coverage ratio is the ratio of the amount of cash available (income minus expenses) and the amount of combined interest and principal for the outstanding bonds. The DSC provides a useful indicator of financial strength. A low DSC could have a negative impact on the City's bond rating. The City's bond covenants state that the rates and charges shall be adequate to produce net revenues equal to at least 120% of the maximum annual debt service required for any fiscal year. The 120% is generally stated as a ratio of 1.20.

(d) Depreciation

Depreciation is defined as a reduction in the value of an asset with the passage of time, due to wear and tear. Although depreciation is listed as an expense, it is not paid out to anyone. Funding depreciation allows the City to accumulate cash for financing the replacement of depreciated assets. The City's inside water system depreciation is separated into four functionalities of operation; water treatment plant, water lines, booster stations, and water storage tanks.

(e) Other Income

Other income is a combination of fees, such as tap fees, penalties and other miscellaneous fees collected by the City. Generally, these fees are not directly related to the production and distribution of water.

Fixed and Variable Costs

There are two components of the City's water rate structure: a fixed cost and a variable cost. Fixed costs are those cost unrelated to the treatment and distribution of water. Variable costs are those associated directly or indirectly with the treatment and distribution of water. The fixed costs are generally used to determine a base amount to be used in the calculation of a minimum bill. The variable costs are used to determine a unit rate or a cost per 1,000 gallons. It is the variable rate for MWD that is to be determined by the Cost of Service Analysis.

Figure 5 shows the inside water revenue requirement.

(2) Cost Allocation

The allocation of the variable operating cost is shown in **Figure 6**. The distribution system is broken down into seven areas of service. Allocation of these costs is calculated by applying percentages as determined by the City's staff and UMG staff. The percentages were then multiplied by the total cost to determine the amount allocated to each service.

Figure 6

(3) Cost Distribution

MWD relies on the City's water treatment plant and City's complex distribution system for water service. The distribution of cost to MWD is generally based on the percentage of usage or demand by MWD. **Figure 7** shows the percentage of water sold to MWD and the percentage of revenue collected from MWD.

Inside Water Sold - 2017			Inside Water Revenue - 2017		
	Million Gallons	% of Total		Revenue	% of Total

Total Inside Sold	930	100%	Total Inside Revenue	\$2,256,339	100%

Figure 7

Figure 8 shows all the variable components of revenue requirement including water treatment, various distribution services, depreciation, debt, and DSC. A percentage of use is applied to each one of these to determine a cost for each component along with a unit cost per 1,000 gallons.

The water treatment plant, booster stations, and tanks are assigned a 50% usage by MWD because all the treatment plant, booster stations, and tanks are used to provide adequate service to MWD. All the City's water lines are not needed to serve MWD, however, most of it is as shown in **Figure 2**. The City's largest water demand is in the central part of the city which is relatively close to the water treatment plant. MWD's highest demands are much farther away from the water treatment plant and use a higher percentage of large diameter water lines such as 10-inch, 12-inch, and 16-inch. Based on **Figure 2**, it is estimated that 95% of City's water lines are used MWD. With MWD using 50% of the water sold to all inside customer, their percentage of cost for all services involving water lines would be 95% times 50%, or 48%. MWD should not pay for service calls or water quality testing, therefore the percentage of these services is 0%. The percentage of the cost of servicing meters is 7% based on the size of MWD's meters compared to all inside water meters.

**RE: MWD / CITY OF PIKEVILLE
WHOLESALE WATER RATE INCREASE**

Dear Mr. Osterloah:

Thank you for your letter of February 5, 2019, and I have reviewed the same with Roy Sawyers, MWD's Administrator. It will not be possible for us to respond on or before February 20, 2019, because our next Board meeting is scheduled February 27, 2019.

As you well know, the Board cannot make an uninformed decision about accepting these rates, and therefore, we will be required to do our due diligence in examining the correctness of your study. To do that, we believe we have to hire a professional consultant to evaluate this on our behalf. Anticipating a new study, we had previously sent out RFPs, and have received proposals back for our review and consideration. We plan to ask the Board to select one of the RFPs submitted on the 27th.

We are assuming it will take at least thirty (30) days for them to submit the report back to us, and to advise the Board as to what they should do. Therefore, I think the soonest we can make a decision, would be March 27, 2019. I would hope that I can have an official answer back to you no later than March 29, 2019.

STRATTON LAW FIRM, P.S.C.

February 13, 2019

Page 2

While I know this has been going on for some time, as you know, there has been no delay on behalf of the District in dealing with this issue. For all intent and purposes, you have just submitted a new rate study, so I think we should have sufficient time to do our due diligence, and allow our Board to make an informed decision on how to respond. However, if you believe you need to move forward to the PSC, we understand.

Please advise as to who you would like to proceed.

Sincerely,
STRATTON LAW FIRM, P.S.C.

RE: Pikeville's Wholesale Rate Increase to Mountain Water District

Dear Dan:

Thank you for your letter dated February 13, 2019. I understand the Mountain Water District Board's need to review the Cost of Service Analysis prepared by RateStudies on behalf of the City of Pikeville. I believe that it will find that the analysis addresses several concerns that you had previously raised.

We both acknowledge that rate negotiations have endured a lengthy process. Unfortunately, Pikeville suffers from reduced revenues as this process drags on. Although the next regular meeting of the Board is not scheduled until next week, a special meeting could have been called to expedite this process.

Pikeville wants to continue its strong relationship with the Water District and is willing to work with the Water District on its proposed schedule. In your letter, you indicated that the Water District would have a response regarding our proposed rate no later than March 29, 2019. In light of this, Pikeville will submit on February 21, 2019, the City's proposed rate of \$2.30 per 1,000 gallons with the Public Service Commission to be effective on April 5, 2019. The proposal may also include an increase for reasonable rate case expenses. If, however, the Water District agrees to a rate of \$2.25 per 1,000 gallons before that date and no rate case has been established, Pikeville will submit to the Commission an amended rate of \$2.25 per 1,000 gallons for service to Mountain Water District.

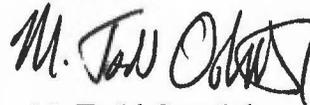

Because the effective date will not be until April 5, the Water District will have an opportunity to review Pikeville's Cost of Service Analysis and confirm the reasonableness of its recommendation. This process also serves to protect Pikeville's interest in safeguarding that the process does not continue indefinitely.

Ultimately, we are confident that the Board will find that Pikeville's proposal is reasonable. The information provided by Pikeville supports the proposed rate. Moreover, it would be disappointing for both parties to spend more than \$100,000 in litigation fees, which are

ultimately paid for by the water district customers, for rates that Pikeville has demonstrated to be reasonable. (Recent cases involving Lebanon, Marion County Water District, Augusta, and Bracken County Water District have exceeded that total.)

We look forward to hearing from you and the District. If you have any questions, please contact me.

Sincerely,
STURGILL, TURNER, BARKER & MOLONEY, PLLC

RE: City of Pikeville Wholesale Water Rates

Dear Mr. Sawyers:

On behalf of the City of Pikeville, I am enclosing the attached documents related to the City of Pikeville's proposed rate increase for wholesale water service to Mountain Water District. You will find a customer notice and tariff sheet. Pikeville plans on filing these documents with the Public Service Commission on or about February 21, 2019.

Sincerely,

** Pikeville proposes a surcharge to recover all expenses it may incur to participate in and defend its proposed rates in any Public Service Commission proceeding that is initiated to investigate the reasonableness of those rates. Pikeville proposes to recover the total amount of expenses associated with the increase in rates over a 36-month period. If no proceeding is established, Pikeville will not seek to recover any amount for Rate Case Expense Surcharge.

The proposed effective date is April 5, 2019. Water flowing through the meter(s) before the effective date will be charged at the current rate while water flowing through the meter(s) on and after the effective date will be charged at the proposed new rate.

The rates contained in this notice are the rates proposed by the City of Pikeville but the Public Service Commission may order rates to be charged that differ from the proposed rates contained in this notice.

**RE: MWD / CITY OF PIKEVILLE
WHOLESALE WATER RATE INCREASE**

Dear Todd:

Please be advised that the MWD District Board of Commissioners, at its meeting today, authorized the filing of a protest of the City of Pikeville's proposed rates before the Public Service Commission. We have engaged the services of Jack Hughes, Esq., of Frankfort, Kentucky as our lead counsel on this matter, and have also retained Connie Allen, with Salt River Engineering, as our expert.

Please direct all future communications to Jack, with a copy to me. Otherwise, all discussions should be directed to Jack.

I'm sorry we couldn't otherwise get this resolved.

PUBLIC SERVICE
COMMISSION

March 4, 2019

Gwen Pinson
Executive Director
Public Service Commission
211 Sower Blvd.
Frankfort, KY 40601

Re: TFS 2019-00098: Proposed Wholesale Water
Rate of the City of Pikeville, KY

Dear Ms. Pinson:

On February 21, 2019, the City of Pikeville filed a proposed tariff with the Public Service Commission with an adjustment of its rate for wholesale water service to Mountain Water District to \$2.30 per 1,000 gallons. The proposed adjustment is to become effective on April 5, 2019.

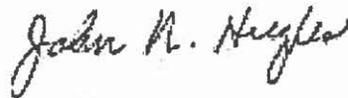

Based upon the information contained in Pikeville's tariff and supporting documents, Mountain Water District is unable to determine if the allocated expenses are properly verified and functionalized and if the proposed adjustment is reasonable and consistent with the terms of service contained in the contract for water service among the parties. Mountain Water District and Pikeville have engaged in negotiations to resolve the issues related to the proposed rate increase as required by the contract for wholesale water purchases but have been unable to reach an agreement as to the amount, if any, of an increase to the wholesale water rate.

Pursuant to KRS 278.200 and the Kentucky Supreme Court's holding in *Simpson County Water District v. City of Franklin*, 872 S.W.2d 460 (Ky. 1994), a rate contained in a contract among a city and a regulated utility may not be changed until the Commission reviews the proposed rate for reasonableness and provides an opportunity for a hearing on the proposed change.

Mountain Water District protests the requested wholesale rate increase and requests that the Commission initiate a formal proceeding to investigate the reasonableness of the proposed rate, establish a procedural schedule that allows for discovery and issue any orders necessary to ensure that the proposed rate is not placed into effect or otherwise assessed before the matter is investigated and a hearing held.

A copy of this letter has been delivered to representatives of the City of Pikeville.

**RE: MOUNTAIN WATER DISTRICT / CITY OF PIKEVILLE
WHOLESALE WATER CONTRACT EXTENSION**

Dear Rusty:

In response to your letter of April 18, 2019, it is very disappointing to learn that the City wishes to leverage the District's current need for a contract extension to secure a USDA loan, with the current price dispute before the Public Service Commission. Historically, the City and the District have worked well together on numerous issues for the benefit of the greater Pike County community. The only differences that we've had of any substance, to my knowledge, are the various prices disputes that have arisen from time to time, which is certainly understandable from both parties perspective.

Your letter stated that you wish to negotiate the current price issue; but, the City made it very clear in our meetings, that you would not come below the \$2.25 per thousand gallon price. You made it clear that if the District was not willing to pay that amount, we had to let the P.S.C. resolve the issue. Until you're prepared to come off that price, substantially, there would not appear to be any room to negotiate.

As you know, we pointed out to you at our first meeting, on this issue, that your rate study did not comply with AWWA standards, and it did not present a complete picture of your operating costs. Your PSC attorney confirmed that after meeting with our PSC attorney, and you agreed to have the study amended to address those issues. Unfortunately, while there were some tweaks to the report, it did not address those fundamental issues. This position has been confirmed by our consultant on this issue.

STRATTON LAW FIRM, P.S.C.

April 19, 2019

Page 2

This is disconcerting to the District, because you clearly stated at the time of our negotiations that you were not going to set the rates for retail customer until such time as you determined what the wholesale purchasers were going to pay. While you have subsequently set those rates, it was clearly your intent to maximize the return from the wholesale customers before you determined what the retail customers would pay.

Once the contract is extended, we would be happy to sit down and look at any adjustments to the contract that you wish to discuss, including a better mechanism to negotiate prices in the future. However, it would not be a level playing field to negotiate those issues at this time.

Accordingly, we would ask that you reconsider your decision and grant the extension to avoid the loss of a \$3,150,000 loan and \$350,000 grant with the USDA for necessary improvements to Pike County's water system, which would severely impact the rate payers of Pike County. The extension is also to your benefit as we've previously discussed.

We would request a response prior to our Board meeting on the 24th of April. Please advise.

Sincerely,
STRATTON LAW FIRM, P.S.C.

Re: November 14, 2011 Wholesale Water Contract Extension

Dear Dan,

I'm in receipt of your April 19, 2019 letter in response to my April 18, 2019 letter. And I would also have to say that I'm disappointed in Mountain Water District's accusation that the City "wishes to leverage the District". These types of unsubstantiated accusations certainly don't help with the ultimate resolution of the underlying dispute.

The City appreciates the fact that it has been able to work well with the District in the past to benefit the Pike County community. The City strives to continue that relationship, which is why the City at a substantial cost has commissioned two different cost-of-service studies related to the wholesale rate provided to MWD. The first study was based on the AWWA's M54 Manual. When MWD expressed concern about the AWWA M54's methodology, the City had another cost-of-service study prepared based on the AWWA M1 Manual and the Public Service Commission's debt-service coverage methodology. These two studies demonstrated that the City's wholesale rate to MWD should be \$2.25 and \$2.30 per 1,000 gallons, respectively. Your characterization of this additional work as "tweaks to the report" is simply not the case and an indicate of your fundamental

misunderstanding of our rate study and the sound methodology used to support the report. If you honestly feel that this additional work is nothing more than “tweaks to the report,” we would be happy to make the author of our reports available to you for more in-depth explanation.

You also mentioned in your letter that you discussed with me how the extension benefits the City of Pikeville. However, a contract extension that doesn’t allow the City of Pikeville to recover a fair and reasonable right for that water is hardly any benefit to the City or its taxpayers.

Although you demand a response to your letter prior to your Boards April 24 meeting, I’m not quite sure what response you expected to your letter in light of the fact that you state, “once the contract is extended, we will be happy to sit down and look at any adjustments to the contract.” Your statement appears to suggest that MWD is not in position to negotiate a contract amendment which was requested by the City.

As demonstrated by these two cost-of-service studies, the City is not currently receiving fair, just, and reasonable rates from MWD, which is not a benefit to the Pike County community. Accordingly, we would ask that the District agree to the City’s proposed rate and contract extension, such that both entities can move past this juncture.

Sincerely

Russell H. Davis

**RE: MOUNTAIN WATER DISTRICT / CITY OF PIKEVILLE
WHOLESALE WATER CONTRACT EXTENSION REQUEST**

Dear Rusty:

I have reviewed with the Board, our correspondence concerning this issue, and the case currently pending before the Public Service Commission. After reviewing various options, the Board has directed me to make one last final effort to get this resolved. In addition to having to get an extension from the City of Pikeville on its water supply contract, we also had to get an extension with the City of Williamson. The City of Williamson's contract is up for renewal, and was scheduled to be renegotiated later this year. Williamson has agreed to a rate of \$1.83 per thousand gallons and extended their contract for forty years.

In that we have now completed our negotiations with the City of Williamson, we are willing to offer the City of Pikeville the same deal for the requested contract extension, provided we can drop the minimum purchase requirement, which isn't needed with the single price for all purchases.

In addition, we are prepared to add a provision that allows you to reopen price discussions after two years, and then every five years thereafter, pursuant to the original agreement. That way, if you want to renegotiate something at that point in time, you would have that option.

If this is acceptable, please advise. If not, we're prepared to proceed with the PSC case, as our position concerning your rate study, with all due respect, has not changed.

Please advise.

WATER PURCHASE CONTRACT

THIS CONTRACT for the sale and purchase of water is entered into this the 26th day of FEBRUARY, 2001, between the CITY OF PIKEVILLE, KENTUCKY, a municipal corporation of the third class, 118 College Street, P.O. Box 1228, Pikeville, Kentucky 41508-1228, hereinafter referred to as "Seller" and SOUTHERN WATER AND SEWER DISTRICT, P.O. Box 610, 245 Kentucky Route 680, McDowell, Kentucky 41647, successor to Mud Creek Water District, hereinafter referred to as "Purchaser,"

WITNESSETH:

WHEREAS, the Purchaser is organized and established under the provisions of the Revised Statutes of the Commonwealth of Kentucky for the purpose of constructing and operating a water supply distribution system serving water users within the area described in plans now on file in the office of the Purchaser and to accomplish this purpose, the Purchaser will require a supply of treated water, and

WHEREAS, the Purchaser is the successor in interest to Mud Creek Water District, and

WHEREAS, the Seller owns and operates a water supply distribution system with a capacity currently capable of serving the present customers of the Seller's system and the estimated number of water users to be served by the Purchaser as shown in the plans of the system now on file in the office of the Purchaser, and

WHEREAS, the seller and the predecessor in interest to the Purchaser have contracts dated January 23, 1987 and July 1, 1991, which they now desire to terminate by mutual agreement, and

WHEREAS, by resolution enacted on the 22nd day of January, 2001, the Seller, approved the sale of water to the Purchaser in accordance with the provisions of this

Water Purchase Contract, and the execution of this Water Purchase Contract was authorized by the Mayor of the City of Pikeville and to be attested by the City Clerk, and

WHEREAS, by resolution of the Board of Commissioners of the Purchaser adopted on the 22nd day of January, 2001, the Purchaser approved the purchase of water from the Seller in accordance with the terms set forth in this Water Purchase Contract and the execution was authorized by the Chairman of the Board of Commissioners and to be attested by the Secretary,

NOW, THEREFORE, in consideration of the foregoing and the mutual agreements contained hereinafter, the parties hereto do hereby agree as follows:

A. The Seller Agrees:

1. (Quality and Quantity) To furnish the Purchaser at the point of delivery hereinafter specified, during the term of this Water Purchase Contract or any renewal or extension thereof, potable treated water meeting applicable purity standards of the Division of Water, Natural Resources and Environmental Protection Cabinet of the Commonwealth of Kentucky, in such quantity as may be required by the Purchaser not to exceed 9,000,000 gallons per month.
2. (Point of Delivery and Pressure) That water will be furnished at a reasonably constant pressure calculated at 80 pounds per square inch from an existing ten (10) inch main supply at a point located on the Toler Gap summit above the Little Dixie junction with Island Creek Road. If a greater pressure than that normally available at the point of delivery is required by the Purchaser, the cost of providing such greater pressure shall be borne by the Purchaser. Emergency failures of pressure or supply due to main supply line breaks, power failure, flood, fire and use of water to fight fire, earthquake or other catastrophe shall excuse the Seller from this provision for such reasonable period of time as may be necessary to restore service.
3. (Metering Equipment) To furnish, install, operate, and maintain at its own expense at the point of delivery, the necessary metering equipment, including a meter house or pit, and required devices of standard type for properly measuring the quantity of water delivered to the Purchaser and to calibrate such metering equipment whenever requested by the Purchaser but not more frequently than once every twelve (12) months. A meter

registering not more than two percent (2%) above or below the test result shall be deemed to be accurate. The previous readings of any meter disclosed by test to be inaccurate shall be corrected for the twelve (12) months previous to such test in accordance with the percentage of inaccuracy found by such tests. If any meter fails to register for any period, the amount of water furnished during such period shall be deemed to be the amount of water delivered in the corresponding period immediately prior to the failure, unless the Seller and Purchaser shall agree upon a different amount. The metering equipment shall be read on or about the first (1st) of the month. An appropriate official of the Purchaser at all reasonable times shall access to the meter for the purpose of verifying its readings.

4. (Billing Procedure) To furnish the Purchaser at the above address not later than the first (1st) day of the following month an itemized statement of the amount of water furnished the Purchaser during the preceding month.

B. The Purchaser Agrees:

1. (Rates and Payment Date) Beginning August 1, 2001, to pay the Seller, not later than the last day of each month, for water delivered at the rate of \$1.69 per 1,000 gallons of water.

C. It is further mutually agreed between the Seller and Purchaser as follows:

1. (Term of Contract) The agreements between the Seller and the predecessor in interest to the Purchaser dated January 23, 1987 and July 1, 1991 are hereby terminated by mutual agreement and this Contract shall extend for a term of forty-five (45) years from the date hereof and may be renewed or extended for such term, or terms, as may then be agreed upon by the Seller and the Purchaser.
2. (Failure to Deliver) That the Seller will, at all times, operate and maintain its system in an efficient manner and will take such action as may be necessary to furnish the Purchaser with quantities of water required by the Purchaser. Temporary or partial failures to deliver water shall be remedied with all possible dispatch. In the event of an extended shortage of water, or the supply of water available to the Seller is otherwise diminished over an extended period of time, the supply of water to Purchaser's consumers shall be reduced or diminished in the same ratio or proportion as the supply to Seller's consumers is reduced or diminished.
3. (Modification of Contract) The provisions of this Contract pertain to the schedule of rates to be paid by the Purchaser for water delivered are subject to modification from time to time. Any increase or decrease in rates shall be based upon a demonstrable increase or decrease in the costs of performance of the Seller and shall be justified by any ratemaking

methodology commonly used in the water industry and only as approved by the Public Service Commission of the Commonwealth of Kentucky.

4. (Regulatory Agencies) That this Contract is subject to the rules, regulations and laws of the Public Service Commission of the Commonwealth of Kentucky and the Seller and the Purchaser will collaborate in obtaining such permits or certificates as may be required to comply herewith.
5. (Miscellaneous) That the construction of the water supply distribution system by the Purchaser has been and will continue to be financed by a loan made or insured by, and/or a grant from, the United States of America, acting through the United States Department of Agriculture, and the provisions hereof pertaining to the undertakings by the Purchaser are conditioned upon the approval, in writing, of the appropriate authorized official of the United States Department of Agriculture.
6. (Successor to the Purchaser) That in the event of any occurrence rendering the Purchaser incapable of performing under this Contract, any successor of the Purchaser, whether the result of legal process, assignment, or otherwise, shall succeed to the rights of the Purchaser hereunder.

IN WITNESS WHEREOF, the parties hereto, acting under the authority of their respective governing bodies, have caused this Water Purchase Contract to be executed in three (3) counterparts, each of which shall constitute an original.
