ORDER

On September 3, 2019, the city of Pikeville (Pikeville), pursuant to KRS 278.190(2) provided notice to the Public Service Commission and Mountain Water District of its intent to implement the proposed volumetric rate to Mountain Water District for water sold on or after September 5, 2019. The notice also stated that Pikeville would not implement the proposed rate case expense surcharge until the Commission's final order is issued.

The Commission finds that, pursuant to KRS 278.190(2), Pikeville should maintain its records so that it, or the Commission, or any of Pikeville's customers can determine the amounts to be refunded in the event a refund is ordered.

IT IS THEREFORE ORDERED that Pikeville is required to maintain its records in a manner as will enable it, or the Commission, or any of its customers to determine the amounts to be refunded and to whom due in the event a refund is ordered.
