ORDER

On March 27, 2019, the Commission entered an order conditionally approving and accrediting the water district training program offered by Hardin County Water District No. 2 and Stoll Keenan Ogden, PLLC (collectively, Joint Applicants), scheduled to take place on April 29, 2019 (Training Program), to satisfy up to six hours of annual training described by KRS 74.020(6) and KRS 74.020(7). Following the Training Program, Joint Applicants submitted materials indicating, among other things, that the Training Program was conducted as scheduled without material change and identifying those water district commissioners who attended the program along with the number of hours they attended. Having reviewed the materials submitted by the Joint Applicants and being otherwise sufficiently advised, the Commission finds that the training program should be granted final approval.

IT IS THEREFORE ORDERED that:

1. The Training Program is hereby approved and accredited for a maximum of six hours of water district management training for water district commissioners seeking to satisfy the annual training requirements set forth in KRS 74.020(6) and (7).

2. The Training Program may not be used by water district commissioners seeking to satisfy any portion of the initial training requirement for water district commissioners required by KRS 74.020(8).

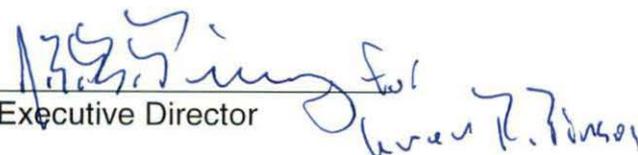

3. This matter is closed and removed from the Commission's docket.
