In Re Matter of: APPLICATION OF SOUTHERN WATER AND SEWER
DISTRICT FOR AN ALTERNATIVE RATE ADJUSTMENT

SOUTHERN'S REQUEST FOR APPROVAL
TO AWARD METER BID PACKAGE

Comes Southern Water and Sewer District "Southern", by and through counsel, and for its request for PSC approval states as follows;

As the PSC is aware, Southern intends to replace their water meters as soon as possible due to concerns regarding the accuracy and efficiency of current meters.

During Southern's August 29, 2019 meeting, Southern voted to award RG3 the contract to purchase and install new meters for all of its customers. Southern's Board did extensive research regarding several different meter types and vendors and unanimously voted to award the meter project to RG3.

Southern's counsel is in the process of drafting a certificate of public necessity regarding the purchase and funding of the RG3 Meters.

WHEREFORE, Southern requests that the PSC issue an Order approving Southern's decision regarding the purchase of new meters from RG3.

Respectfully Submitted,
