2019-131

In Re Matter of: APPLICATION OF SOUTHERN WATER AND SEWER
DISTRICT FOR AN ALTERNATIVE RATE ADJUSTMENT

SOUTHERN'S REQUEST FOR APPROVAL
TO EXTEND UMG CONTRACT

Comes Southern Water and Sewer District "Southern", by and through counsel, and for its request for PSC approval states as follows;

As the PSC is aware, Southern lost its long-time manager earlier this year. In order to continue operations, Southern entered into a temporary six (6) month contract with UMG to operate the Water District. The current contract with UMG is set to expire in the near future.

During Southern's August 29, 2019 meeting, Southern voted to extend the current contract with UMG for an additional six (6) months. This extension enables Southern to continue to monitor UMG's performance and gives Southern time to investigate other alternatives to UMG for future operation of the District.

WHEREFORE, Southern requests that the PSC issue an Order approving the six (6) month extension of the UMG-Southern management agreement.

Respectfully Submitted,
