ORDER

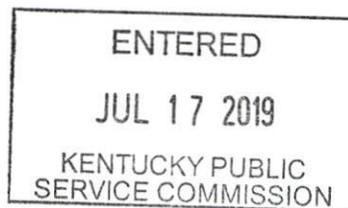

On July 15, 2019, TracFone Wireless, Inc. (TracFone) filed a motion requesting to convert this proceeding to an electronic case to allow the use of electronic filing procedures. As a basis for the request, TracFone stated that use of electronic procedures reduces costs and promotes convenience, timeliness of filing, and processing.

Based upon the motion and being otherwise sufficiently advised, the Commission finds that TracFone has established good cause to convert this case to an electronic case. The case is in the early stages and the use of electronic filing procedures will not burden any party to the proceedings.

IT IS THEREFORE ORDERED that:

1. TracFone's motion to establish electronic filing procedures is granted.
2. Effective as of the date of the entry of this Order, any party filing a paper shall upload an electronic version using the Commission's E-Filing System and shall file the original and an electronic version, pursuant to 807 KAR 5:001, Section 8(3) and (12)(a)(2).

By the Commission
