COMMISSION

August 9, 2019

Public Service Commission
Attn: Gwen Pinson
Executive Director
PO Box 615
Frankfort, KY 40601-0615

Dear Ms. Pinson:

I am writing in reference to the seat on the Big Sandy Water District Board of Commissioners which has been considered vacant as of September 9, 2018, when my term as a Commissioner expired. The Boyd County Judge Executive at that time failed to nominate someone to fill the seat the Boyd County Board of Commissioners would approve. I have continued to fill the seat since that time as stipulated by law if left void for 90 days. With the support of the Big Sandy Water District Commissioners I would very much like to be re-appointed as a Commissioner.

I have served in this capacity for the last 13 years and feel that I am well qualified for this position as my track record and support of the Commissioners indicate. I have made well informed decisions and make two or three trips weekly to check on operations and employees.

Please consider my request to be re-appointed as a Commissioner on the Big Sandy Water Board.

Sincerely,

Larry Shockey

Big Sandy Water District Board Commissioner
5602 Whites Creek
Catlettsburg, KY 41129
