**Ref: Case No. 2019-00187**  
**Big Sandy Water District Board of Commissioners**

To Whom It May Concern:

I am writing in reference to the seat on the Big Sandy Water District Board of Commissioners which has been considered vacant as of September 9, 2018, when my term as a Commission expired. The Boyd County Judge Executive at that time failed to nominate someone to fill the seat that the Boyd County Board of Commissioners would approve.

I have continued to fill the seat since that time as stipulated by law if left void for 90 days. With the support of the Big Sandy Water District Commissioners I would very much like to be re-appointed as a Commissioner.

I have served in this capacity since February 2011 and am definitely qualified for this position as my track record supports. The Commissioners also indicate their support by the enclosed document. I have fulfilled all of the annual training requirements. I make trips 2-3 times each week to check on operations and employees.

Please consider my request to be re-appointed as a Commissioner on the Big Sandy Water Board. I look forward to hearing from you.

Sincerely,

Larry Shockey
