ORDER

This matter arises on a motion for an extension of time filed by New Cingular Wireless PCS, LLC, d/b/a AT&T Mobility (AT&T Mobility). On June 27, 2019, AT&T Mobility filed an application seeking a Certificate of Public Convenience and Necessity (CPCN) to construct and operate a wireless telecommunications facility. On July 11, 2019, the Commission issued a deficiency letter (Letter) thereby rejecting AT&T Mobility's application and requesting that AT&T Mobility submit the information necessary to cure the filing deficiencies within ten days of the Letter.

On July 17, 2019, AT&T Mobility filed a motion requesting an extension of time until August 5, 2019, to tender necessary documents to cure the filing deficiencies.

Having considered AT&T Mobility's motion and being otherwise sufficiently advised, the Commission finds good cause to grant AT&T Mobility's motion and to allow for an extension of time to August 5, 2019, to file additional information.

IT IS THEREFORE ORDERED that:

1. AT&T Mobility's motion for an extension of time is granted.

2. AT&T Mobility shall file on or before August 5, 2019, necessary documents to cure the filing deficiencies.
