Re: Jessamine-South Elkhorn Water District, Sewer Division (“District”)
P.O. Box 731, Nicholasville, KY 40340-0731
Treated Sewage Adjustment Application – 807 KAR 5:075

Dear Executive Director:

This is an application to pass through an increase in certain sanitary sewer treatment fees for the Sewer Service Tariff of the Jessamine-South Elkhorn Water District caused by a corresponding increase of treatment fees by the Lexington Fayette Urban County Government (“LFUCG”). These charges will apply to all of the District’s sanitary sewer customers.

Enclosed please find a completed Treated Sewage Adjustment Form and its attachments (LFUCG notice of increase, calculation of increase, a schedule of the new rates, and a Board resolution authorizing increase).

The District has previously filed income statements and balance sheets with the Commission; these should be on file in your office.

Sincerely,

/s/ Henry E. Smith
